Selection Type:	Major Capitol Project Consultant Selection		
General Statement:	In accordance with the requirements of CGS §4b-55 through §4b-59, the Bureau of Design & Construction Department of Construction Services, State of Connecticut, advertises for Requests for Qualifications for the Major Capital Project Consultant Services as specified below.		
Consultant Services:	Owner's Representative		
Contract Number:	BI-RS-225B-OR		
Contract/Project Title:	Additions and Renovation to Buley Library – Phase 2, Southern Connecticut State University, New Haven, CT		
Project Location(s):	Buley Library/SCSU 377 Fitch Street New Haven, CT. 06515		
Cost of the Work:	\$ 20,000,000		
User Agency Name:	Connecticut State University System		
Project Delivery Method:	<input type="checkbox"/>	Design-Bid-Build (D-B-B): Architect/Engineer consultants shall be selected to develop design and construction documents for the State to publically bid the Major Capital Project. The general contractor that is the "lowest responsible and qualified bidder" is then awarded a contract by the State to build the Project.	
	<input checked="" type="checkbox"/>	Construction Manager At Risk (CMR) - Guaranteed Maximum Price (GMP): Architect/Engineer consultants shall be selected to develop design and construction documents in the cooperation with a CMR for a Major Capital Project. The CMR shall publically bid the project elements and enter into a GMP contract with the State. After consultation with and approval by the commissioner, the CMR shall award subcontracts to responsible qualified subcontractors submitting the lowest bids to build the Project.	
Project Description:	<p>This Buley Phase 2 project consists of design and renovation of the existing five story, approximately 98,000 gross square foot Buley Library. The Phase 1 work was completed in 2008 consisting of a new five story addition placed adjacent to the existing library. The selected Architect and consultant design team will be required to develop the design and construction documents for an expanded state of the art academic library for the 21st century. The completed Buley Library will serve as the centerpiece for the Southern Connecticut State University Campus.</p> <p>The majority of the Phase 2 scope will involve interior design, renovation and fit out work based on a recently completed "Library Space Planning & Programming Study". The Phase 1 newly constructed addition is occupied and will continue to be occupied during Phase 2. The connection between the Phase 1 addition and the Phase 2 work will be part of the selected Architect's scope. The MEP systems for phase 2 will be based on the phase 1 MEP systems.</p>		

ADV. No.: BI-RS-225B-OR

	<p>These systems which will be adjusted or revised as appropriate to accommodate the new "Library Space Planning and Programming Study".</p> <p>Under Phase 1, which was terminated for the convenience of the owner, a significant amount of the material for phase 2 was purchased and will be used in the phase 2 project. The purchased material includes the material for the exterior envelope which will match the phase 1 exterior. The CMR and the Design Team will work together to determine where and how the existing material will be incorporated into the phase 2 work.</p> <p>The selected consultant shall be a qualified architectural firm and team with knowledge and current design and construction administration experience with academic libraries. The anticipated construction cost is \$20,000,000 and the method of construction delivery will be Construction Manager at Risk.</p>
