Addendum Number 2 – Dated October 12, 2012.
Addendum Number 3 – Dated October 16, 2012.**

TO: Prospective Design-Build (D-B) Services Request for Qualifications (RFQ) Submitters:
This Addendum forms part of the D-B RFQ Documents and modifies or clarifies the original D-B RFQ for this Project Dated **September 12, 2012.**
The following clarifications are applicable to D-B-Request for Qualifications (RFQ) for the project referenced above.

ITEM NO. 1	<p>The Design-Build (D-B) RFQ WEB Advertisement for this Project is now Suspended. The Prospective Design-Builders should NOT respond with their D-B RFQ Submittals for the above noted D-B RFQ by the above Submittal Due Date / Time.</p> <p>This suspension is necessary because the proposed project location and the character of the construction or reconstruction is now uncertain. Therefore, the receipt of qualification submissions will be delayed until DCS can publish a more definitive scope and location advertisement.</p>
