#### **Project Description:**

Connecticut

Division Of

**Construction Services** 

Asnuntuck Community College is expanding their existing college campus in building this New Manufacturing Technology Center. This project entails an independent new building expanding the campus as well as additional project renovation at the existing college campus building. All project work shall take place while the campus remains fully functional and maintaining complete student and faculty occupancy. This project is planned to be completed for occupancy of Fall 2016.

The New Manufacturing Technology Center building is planned as a single or two story structure providing new educational space for approximately 27,000 square feet of building area. The new building will include expanded space for electro-mechanical technology, additive manufacturing technology, CNC machining technology, computer labs/educational rooms, SMART Room educational learning areas and related technology as well as faculty support spaces.

The renovation of approximately 11,000 square feet, of the existing campus building, is included in this project's scope. The renovation area will address existing Manufacturing Technology program needs, in relationship to the new building, the upgrading of equipment which will require adjusting floor space and upgrading electrical and lighting systems. Due to the age of the existing campus building, there may exist potentially hazardous material abatement issues. All abatement and removal of any and all potentially hazardous material issues shall be independently addressed by the State of Connecticut separate from these advertised services.

The design consultant team will provide pre-design services based on the following:

- a. Develop a detailed academic program for the New Manufacturing Technology Center and update the 2012 Educational Plan for Asnuntuck Community College completed by Rickes Associates.
- b. Redevelop the existing site plan addressing improvements in parking, vehicular circulation, site plantings, signage, site lighting, site drainage and other related site elements as appropriate.
- c. Document existing site conditions. Evaluate the current soil conditions at two potential locations for the placement of the new building thru a Geotechnical Study. The Geotechnical Study shall include a report with a summary of all subsurface explorations data, soil profile, soil borings log, soil test results and ground water information; interpretation and analysis of the subsurface data and specific engineering recommendations for proposed building design.
- d. Provide design opportunities to integrate sustainable elements into the project, such photovoltaic solar panels, water solar panels, geothermal heating, etc.
- e. Evaluate opportunities for sustainable building construction and design features that could assist in saving energy and enhance the building design. Options such as maximizing the efficiency of the base building HVAC systems, maximizing the use of natural light and ventilation, maximizing heating and cooling loads and utilizing renewable 'green' energy sources are all items Asnuntuck Community College have interest in the design consultant's ideas.
- f. Integral to plans for expansion is the potential to establish additional advanced manufacturing certificate and degree coursework in biomedical, additive, and alternative energy technologies. The new facilities as well as those considered for renovations will be utilized to establish an educational laboratory for students participating in electro-mechanical and alternative energy systems advanced technology programming.
- g. The facilities will be utilized by both full-time and part-time participants as well as middle and high school students and the incumbent worker population.

### For Construction Administrator (CA) Consultant Services

Page 3 of 7

ADV. No.: BI-CTC-488-CA

#### **Designated Services:**

The Construction Administrator (CA) shall work closely with the Owner's Architect/Engineering (A/E) Design Team to provide the following services:

#### **Preconstruction Phase Services:**

The scope of services for each portion of each design phase of preconstruction shall include, but not be limited to some or all of the following tasks:

- Master Schedules Analysis & Review;
- · Participation in all Design Phase Meetings;
- Participation in all Integrated Design Meetings for High Performance Buildings;
- · Action Item Agendas;
- Design Document Review & Reporting;
- Constructability Review & Reporting;
- Preliminary Field Operation Analysis;
- Site Logistics Planning:
- Construction Cost Estimate:
- · Construction Budget Cost Analysis and Review;
- Construction Budget Cost Reconciliation with Owner, Agency, and A/E;
- Materials Review;
- Pre-Bid meeting(s) participation;
- Bid Analysis.

#### **Construction Phase Services:**

The scope of services responsibilities for this phase include but are not limited to the following:

- Review and comment on and monitor construction schedules;
- Provide expert Primavera "review services" to review and comment on the Contractor's Primavera CPM Schedule;
- Review, comment on and monitor schedule of values:
- Review and recommend periodic requisitions for partial payments;
- Run & keep record of Construction Phase Meetings;
- Monitor and comment on all special inspections and reports;
- Management and coordination of all Commissioning (Cx) tests and reports;
- Project documentation records management and associated reporting;
- Monitor, comment on, if necessary, analysis, approval, and coordination of Requests For Information (RFI's), Construction Change Directives (CCD's), Change Orders (CO's);
- Monitor and comment on the construction budget;
- Participate in project closeout procedures.

#### Construction Administrator (CA) Qualifications:

The Construction Administrator (CA) shall provide the Preconstruction and Construction Phase oversight services required for this Project.

The Construction Administrator Firm shall:

- Demonstrate that they have successfully completed similar projects on schedule, on budget and to a level of quality commensurate with the Owner's requirements;
- Define your firm's role with projects similar to this project, and the services you provided to the project. Include resumes of key staff showing the staff's primary involvement in CA services for the past three (3) to five (5) years. Include a brief summary of each prior project showing adherence to original completion schedule, and, if off schedule, an explanation; and adherence to the original budget including summary information on the value of the Change Orders that occurred, by type. This summary material must include 5 (or more) current or recent projects. This material shall be inserted in Division 7 QBS-CT330 Part I. Section H.
- Submit a Firm or corporation organization chart showing the firm's organization and staffing located in the northeast (i.e., New England, New York, and New Jersey). This chart should identify your major business areas. This organization chart should indicate how the CA staff reports to senior management. This chart shall be inserted in Division 7– QBS-CT330 Part I, Section D.

Page 4 of 7

ADV. No.: BI-CTC-488-CA

All prospective CA's shall submit resumes for the assigned Key Personnel member(s) that
have the experience with the scope of work, complexity, and dollar value similar to this
Project. The Resumes of the key personnel shall be included in the Qualifications Package See Division 7 – QBS-CT330 Part I, Section E: Resumes for Key Personnel Proposed for the
Contract.

#### **IMPORTANT NOTE:**

Failure to submit the Qualifications and/or Resume(s) material noted in this section may result in your submission being found deficient.

#### Construction Scheduler Designated Services:

The Construction Administrator (CA) is required to employ or retain the services of a professional Construction Scheduler during the Construction Phase of the Project.

**Construction Scheduler:** For this project the CA Construction Scheduler services shall include but not be limited to reviewing, analyzing, and reporting on CPM schedules produced by the General Contractor and submitted to the CA. The CA Construction Scheduler must possess demonstrated proficiency in CPM schedule methodology and utilization of the current version of Primavera Project Planner software. The CA Construction Scheduler is required to attend meetings pertaining to scheduling and progress of the work including all progress meetings.

The CA Construction Scheduler shall have at least five (5) years of verifiable experience as the person primarily responsible for preparing and maintaining detailed project schedules on projects of the same or similar size and nature as this project. The CA Construction Scheduler is required to attend meetings pertaining to scheduling and progress of the work including all progress meetings.

The resume of the CA professional Construction Scheduler shall be included in the Qualifications Package - See Division 7 – QBS-CT330 Part I, Section E: Resumes for Key Personnel Proposed for the Contract.

# Commissioning (Cx) Designated Services:

The Selected Construction Administrator's (CA) shall provide the services of a Commissioning Agent (CxA).

#### Commissioning Agent (CxA):

- The CxA is an entity identified by the Owner who leads, plans, schedules, and coordinates the commissioning team to implement the Commissioning (Cx) Process.
- The CxA shall be certified as a commissioning agent by the Building Commissioning Association or the Association of Energy Engineers, and shall be a Professional Engineer registered in the State of Connecticut.
- Commissioning (Cx) shall be performed by an independent third-party CxA who shall not be an employee of the architectural, engineering, or construction firm that implements the project, and shall be hired directly by the Owner through the CA.

#### **IMPORTANT NOTE:**

The evaluation of the CxA Qualifications is <u>NOT APPLICABLE</u> to the Screening or Selection of a Construction Administrator (CA). Please <u>DO NOT</u> submit any Commissioning Agent's resume or qualifications as part of your QBS Submittal Booklets for this contract.

Summary of Electronic On-line Filing Requirements

Affirmation of Receipt of State Ethics Laws:

In accordance with the Connecticut General Statutes and Governor Dannel P. Malloy's "Business Friendly Initiative," found in Public Act No. 11-229, the following must be adhered to:

#### 1. Electronic Uploading Requirements for Affidavits/Certifications

The State of Connecticut has revised its affidavit/certification procedures. Each firm is required to open a BizNet account on the DAS website (<a href="http://das.ct.gov">http://das.ct.gov</a>) and then upload certain affidavits/certifications.

**Instructions for opening a BizNet account** can be found on the DAS website by clicking on "State Procurement Marketplace" and then clicking on "NEW\* BizNet Connection".

**Instructions for uploading the affidavits/certifications** can be found on the DAS website by clicking on "State Procurement Marketplace" and then clicking on "DAS Business Friendly Initiatives". Follow the instructions in the "Vendor Guide to Uploading Affidavits and Nondiscrimination Forms Online (PDF)".

The specific affidavits and certifications requiring uploading are found on the DAS website by clicking on "State Procurement Marketplace", then click on the "BizNet" link under the Quick Links feature. Firms should use the affidavit/certification forms found under the BizNet link. Once uploaded, Affidavits shall be updated and submitted annually and Affidavits and Nondiscrimination Forms shall be updated within 30 days of any changes to the submitted information.

#### 2. Electronic "Guide to the Code of Ethics For Current or Potential State Contractors"

When the Department of Construction Services (CT DCS) is seeking a contract for a large state construction or procurement contract having a cost of more than five hundred thousand dollars (\$500,000), CT DCS shall provide all potential consultant and contractor firms with the "Guide to the Code of Ethics For Current or Potential State Contractors". The "Guide to the Code of Ethics For Current or Potential State Contractors" can be downloaded from the website of the Office of State Ethics, Quick Links, Plain Language Guides (<a href="http://www.ct.gov/ethics">http://www.ct.gov/ethics</a>). Questions concerning the "Guide to the Code of Ethics For Current or Potential State Contractors" can be directed to the OSE at 860-263-2400.

CT DCS is also required to notify all potential consultant and contractor firms for a large state construction or procurement contract that they must <u>electronically upload</u> an "Affirmation of Receipt of State Ethics Laws Summary" affirming that their key employees have read and understand the summary and agree to comply with the provisions of state ethics laws. The "Affirmation of Receipt of State Ethics Laws Summary" must be electronically uploaded to the "State Procurement Marketplace" as described above. Questions concerning the electronic filing of the "Affirmation of Receipt of State Ethics Laws Summary" can be directed to DAS Procurement Services at (860) 713-5095.

NOTE: Do not electronically submit an "Affirmation of Receipt of State Ethics Laws Summary" to CT DAS / DCS.

#### 3. Additional Affidavits & Certifications Requirements:

At the time a Firm is notified of its "Conditional Selection" by CT DCS, it will be given instructions regarding additional certificates, affidavits, and other information that must be submitted for the processing of its contract by CT DCS Legal Services.

# Qualifications Based Selection (QBS) Screening Requirements for CA Services:

The CA must submit a **QBS Submittal Booklet** as described below. The QBS process for CA Services is based on comparing and evaluating weighted criteria of qualifications and performance of Firms in relation to work of similar scope and complexity that is required for this specific contract. The Contract award is based first on a selection of the highest qualifications and second on the negotiation of a fair and reasonable fee. For the screening phase of this selection the following are the rating point weights for the screening criteria categories:

| and the remining partition and describing arrivable configuration |  |        |  |
|---|--|--------|--|
| Criteria  | Construction Administrator Consultant Services                               | Rating |  |
| Number  | Screening Criteria Categories  | Points |  |
| 1   | Experience with Work of Similar Size and Scope as Required for this Contract | 35     |  |
| 2   | Organizational / Team Structure For This Contract                            | 30     |  |
| 3   | Past Performance Record  | 20     |  |
| 4   | Partnering Experience  | 15     |  |
| Points per Screening Panel Member                                 |  |        |  |

#### Note:

The QBS CA Selection for this Project shall be conducted in accordance with requirements stated in the **Selection & Bidding Manual**:

- 1. Go to the CT DCS Website: www.ct.gov/dcs;
- 2. At the top of the CT DCS Home Page click on the DCS Library link;
- 3. Scroll down and click on the Selection & Bidding Manual link.
- For the number of active and inactive Selections and Contracts that are allowed to be held by a firm by at one time see the QBS - Guidelines for Selection and Contract Limits (1210) link.

## QBS Email Registration:

To access the QBS Email Registration for this Project:

- Go to the CT DCS Website: www.ct.gov/dcs;
- 2. At the top of the CT DCS Home Page click on the DCS Library link.
- 3. Scroll down and click on the QBS Email Registration (1211) link.

## QBS Submittal Booklet Requirements

The requirements for the QBS Submittal Booklet are described in the QBS Submittal Booklet Requirements (1212). To access the QBS Submittal Booklet Requirements for this Project:

- 1. Go to the CT DCS Website: www.ct.gov/dcs
- 2. At the top of the CT DCS Home Page click on the DCS Library link.
- 3. Scroll down and click on the QBS Submittal Booklet Requirements (1212) link.

#### QBS Submittal Booklets - Deadline and Location:

Deadline for the receipt of the QBS Submittal Booklets is:

Tuesday Oct. 28, 2014

QBS Submittal Booklets shall be submitted to the following address:

#### **Randy Daigle**

State Office Building

Department of Administrative Services (DAS)

Division of Construction Services (DCS)

Office of Design & Construction

Process Management & QBW Unit -Room 478

165 Capitol Avenue

Hartford, Connecticut 06106

#### **IMPORTANT NOTE:**

Failure to submit properly formatted QBS Submittal Booklets with all of the required contents by the designated deadline and location may result in the Firm's submittal being deemed deficient for consideration for this Contract.
