2.7.2 Instructions For Table 2.7:

- .1 Each Class of Work set forth in a separate section of the specifications pursuant to this Section shall be a subtrade designated in Table 2.7 of this Bid Proposal Form and shall be the matter of a subcontractor.
- .2 When a box is checked in Table 2.7, the Bidder shall insert the name of the Subcontractor with the largest proposed Subcontract Value; this is known as the "Named Subcontractor". The Bidder shall provide all of the information for each checked Class of Work.
- .3 If a Bidder intends to use a Subcontractor to perform any portion of the Named Classes of Work, including circumstances where the Subcontractor is a Small Business Enterprise (SBE) or a Minority Business Enterprise (MBE), then it must list the Subcontractor or SBE/MBE Subcontractor as the case may be, for such Class of Work. A Bidder may not substitute itself for any of the Named Classes of Work. The Bidder should not list itself as the Named Subcontractor if it intends to use a Subcontractor to perform any portion of the Classes of Work listed in Table 2.7. The Bidder should name the Subcontractor.
- .4 For each Class of Work specified in Table 2.7, the Bidder shall list the Subcontractor with the largest Proposed Dollar Value of Subcontract for each Class of Work as the Named Subcontractor and the Proposed Dollar Value of its Subcontract. If the Bidder intends to use more than one Subcontractor to perform a Class of Work, then it shall indicate the Subcontractor Name and Subcontract Value for the largest single Named Subcontractor.
- .5 If a Bidder customarily performs any of the specified Classes of Work and is Prequalified by DAS for the Class of Work at the time of the Bid Opening Date if the work is greater than \$500,000, the Bidder may list itself as a Subcontractor together with its price in the space provided in Table 2.7. Failure to properly provide all of the required information in Table 2.7 shall cause rejection of the bid.
- .6 If the Bidder does not name itself or a Subcontractor for a specified Class of Work, it shall be presumed that the Bidder intends to perform with its own employees all work in such specified classes. The Bidder shall be required to perform with its own employees all of the work of the specified class. Subcontracting any portion of such specified class of work subsequently, will be considered a violation of C.G.S. § 4b-95 and subject the Bidder to disqualification under C.G.S. § 4b-95(e).
- .7 In the event the Bidder either lists itself or is presumed to perform with its own employees all work in a specified class, no such sub-bid by a Bidder shall be considered unless the Bidder can show to the satisfaction of the awarding authority, based on objective criteria established for such purpose, that it customarily performs such subtrade work and is qualified to do the character of work required by the applicable section of the specifications.
