<input type="checkbox"/> Environmental Remediation: NOT APPLICABLE	
Complete Subcontractor Name:	
Proposed Dollar Value of Subcontract:	\$
<input type="checkbox"/> Hazardous Materials Abatement: NOT APPLICABLE	
Complete Subcontractor Name:	
Proposed Dollar Value of Subcontract:	\$

2.7.2 Instructions For Table 2.7:

1. Each **Class of Work** set forth in a separate section of the specifications pursuant to this Section shall be a subtrade designated in **Table 2.7 of this Bid Proposal Form** and shall be the matter of a **subcontract**.
2. When a box is checked in **Table 2.7**, the Bidder shall insert the name of the Subcontractor with the **largest** proposed Subcontract Value; this is known as the **"Named Subcontractor"**. The Bidder shall provide **all** of the information for each **checked Class of Work**.
3. If a Bidder intends to use a **Subcontractor** to perform **any portion** of the **Named Classes of Work**, including circumstances where the Subcontractor is a Small Business Enterprise (SBE) or a Minority Business Enterprise (MBE), then it must list the Subcontractor or SBE/MBE Subcontractor as the case may be, for such Class of Work. A Bidder may **not** substitute itself for any of the **Named Classes of Work**. The Bidder **should not list itself** as the **Named Subcontractor** if it intends to use a **Subcontractor** to perform any portion of the **Classes of Work** listed in **Table 2.7**. The Bidder should name the **Subcontractor**.
4. For each **Class of Work** specified in **Table 2.7**, the Bidder shall list the **Subcontractor** with the **largest Proposed Dollar Value of Subcontract** for each **Class of Work** as the **Named Subcontractor** and the **Proposed Dollar Value** of its Subcontract. If the Bidder intends to use **more than one** Subcontractor to perform a **Class of Work**, then it shall indicate the **Subcontractor Name** and **Subcontract Value** for the **largest** single **Named Subcontractor**.
5. If a Bidder customarily performs any of the specified **Classes of Work** and is **Prequalified** by **DAS** for the **Class of Work** at the **time of the Bid Opening Date** if the work is greater than \$500,000, the Bidder may list **itself** as a **Subcontractor** together with its **price** in the space provided in **Table 2.7**. Failure to properly provide **all** of the **required information** in **Table 2.7** shall cause **rejection** of the bid.
6. If the Bidder does **not** name **itself** or a **Subcontractor** for a specified **Class of Work**, it shall be presumed that the Bidder intends to perform with its own employees **all** work in such specified classes. The Bidder shall be required to perform with its own employees **all** of the work of the specified class. Subcontracting any portion of such specified class of work subsequently, will be considered a violation of **C.G.S. § 4b-95** and subject the Bidder to disqualification under **C.G.S. § 4b-95(e)**.
7. In the event the Bidder either lists itself or is presumed to perform with its own employees **all** work in a specified class, no such sub-bid by a Bidder shall be considered unless the Bidder can show to the satisfaction of the awarding authority, based on objective criteria established for such purpose, that it customarily performs such subtrade work and is qualified to do the character of work required by the applicable section of the specifications.
