2.7.2 Instructions For Table 2.7:

1. Each Class of Work set forth in a separate section of the specifications pursuant to this Section shall be a subtrade designated in Table 2.7 of this Bid Proposal Form and shall be the matter of a subcontract.
2. For each Class of Work checked in Table 2.7, the Bidder shall insert the name of each Subcontractor with their Proposed Dollar Value of Subcontract; this is known as the "Named Subcontractor". If the Bidder intends to use more than one Subcontractor to perform a Class of Work, then it shall provide ALL of the Subcontractor Names and Proposed Dollar Values of each Subcontract in excess of \$100,000.
3. If a Bidder intends to use one or more Subcontractors to perform any portion of the Named Classes of Work, including circumstances where the Subcontractor is a Small Business Enterprise (SBE) or a Minority Business Enterprise (MBE), then it must list ALL of the Subcontractors or SBE/MBE Subcontractors as the case may be, for such Class of Work. A Bidder may not substitute itself for any of the Named Classes of Work. The Bidder should not list itself as the Named Subcontractor if it intends to use a Subcontractor to perform any portion of the Classes of Work listed in Table 2.7. The Bidder should name the Subcontractor.
4. If a Bidder customarily performs any of the specified Classes of Work and is Prequalified by DAS for the Class of Work at the time of the Bid Opening Date if the work is greater than \$500,000, the Bidder may list itself as a Subcontractor together with its price in the space provided in Table 2.7. Failure to properly provide all of the required information in Table 2.7 shall cause rejection of the bid.
5. If the Bidder does not name itself or a Subcontractor for a specified Class of Work, it shall be presumed that the Bidder intends to perform with its own employees all work in such specified classes. The Bidder shall be required to perform with its own employees all of the work of the specified class. Subcontracting any portion of such specified class of work subsequently, will be considered a violation of C.G.S. § 4b-95 and subject the Bidder to disqualification under C.G.S. § 4b-95(e).
6. In the event that the Bidder names a Subcontractor to perform some, but not all, of the separate section of the specifications for a particular Class of Work, then it will be presumed, in addition, that the Bidder intends to perform the balance of the Class of Work. Post-bid, the Bidder cannot substitute a Subcontractor for one named in the Bid Proposal Form or bring in a Subcontractor for any designated subtrade work presumed to be performed by the General Contractor's own forces, except for "Good Cause" as determined by the awarding authority.
7. In the event the Bidder either lists itself or is presumed to perform with its own employees all work in a specified class, no such sub-bid by a Bidder shall be considered unless the Bidder can show to the satisfaction of the awarding authority, based on objective criteria established for such purpose, that it customarily performs such subtrade work and is qualified to do the character of work required by the applicable section of the specifications.
