Item 1: RFI Responses

Below is the response to RFI questions received from IEC Industrial Electric Construction on 1/6/2021:

1. At the mandatory walk thru it appears that only one of the contractors is currently certified as a Group B contractor. This means that you will only be receiving one qualified bid for this project. I have seen projects in the past which were trade specific be amended to include the trade for which the project is, for example a mechanical project would include HVAC contractors or an electrical project would be changed to add electrical contractors as a qualified bidder.

Response: Please refer to Addendum #3. Contractor classification requirements for the project remain unchanged.

All questions must be **emailed** (not **verbal** or by **phone**) to the consulting Architect/Engineer (Michael Hebert, Email: mhebert@a-zcorp.com) with copies sent to the DAS/CS Project Manager (Ashour Gevargisnia, Email: Ashour.Gevargisnia@ct.gov) and Construction Manager (NA, Email: NA)
