

STATE OF CONNECTICUT
DEPARTMENT OF CONSTRUCTION SERVICES

April 16, 2013

To: Allen Herring, P.E. Chief Engineer

Project Number: BI-2B-341-OR

Reference: Window Replacement, Repointing and HVAC System Installation at the State Office Building, Hartford, CT.

The Department of Construction Services [DCS] has determined as of April 16, 2013 that it is in the best interest of the State of Connecticut that the Request for Qualifications (RFQ) and all it's addendums with regards to the above referenced project shall be cancelled.

Respectfully,

A handwritten signature in blue ink, appearing to read "Emilio Pizzoferrato", with a long horizontal flourish extending to the right.

Emilio Pizzoferrato
Assistant Director of Project Management

Cc: P. Salemi, Deputy Commissioner DCS
K. Kopetz, Agency Legal Director DCS
B. Bockstael, Chief Architect DCS
R. Daigle, Process Management DCS-Project Manager
M. Milne, RA, Project Manager DCS
