BI-2B-369-CA

State Office Building Renovations and  
New Parking Garage  
Hartford, CT

The Department of Administrative Services, Division of Construction Services truly appreciates all your time and effort your firm has displayed in pursuing the above project. Unfortunately due to the project scope change and increase project budget DAS/DCS is required to re-advertise for all required services. The new project number will be BI-2B-381-2-CA

I hope that you will continue to demonstrate interest in seeking future work on this project and all DCS future projects.

Very truly yours,

*Randy Daigle*
