ON-CALL CLAIMS ANALYST CONTRACT

Contract Number: OC-DCS-ANLY-0024

This contract for claims analysis services herein designated in connection with various infrastructure projects throughout the State of Connecticut is entered into this 1st day of June, 2015, by and between the State of Connecticut, hereinafter referred to as the State, acting herein by its Commissioner of the Department of Administrative Services (DAS), Division of Construction Services (DCS), under the provisions of Sections 4-8, 4b-1, 4b-1b, 4a-1, 4a-1a, 4a-2, and 4b-3 of the Connecticut General Statutes, as revised and/or amended, and

Urban Engineers, Inc.
530 Walnut Street
Philadelphia, PA 19106

hereinafter referred to as the Claims Analyst;

WITNESSETH, that the State and the Claims Analyst, in consideration of the mutual covenants herein contained, do hereby agree as follows:

I. CLAIMS ANALYST RELATIONSHIP

The Claims Analyst shall act as the State's agent and covenants and agrees to perform all its services in accordance with the standards and practices of its profession. The Claims Analyst shall not have any conflicts of interest. The Claims Analyst shall be held to the highest standard of conduct in the performance of its duties, and must conduct itself so as to avoid even the appearance of any impropriety. The Claims Analyst is prohibited from accepting gratuities of any kind from any persons seeking work associated with this contract. The Claims Analyst shall staff the project with experienced and competent staff. It is understood that if the Claims Analyst requires additional staff to fulfill its obligations under this contract it shall provide such additional staff at no additional cost to the State.

II. FEES AND PAYMENTS

A. CONTRACT FEE

The maximum total cumulative fee allowed the Claims Analyst under this contract shall not exceed **One Million Dollars (\$1,000,000.00)**. When approximately 75% of the fee set forth in this article has been expended, the Claims Analyst shall notify the State in writing of the amount of work completed to that date under this contract. Said notification shall include an itemization of all fees that have been paid to the Claims Analyst pursuant to the work. The Claims Analyst shall not be reimbursed for per diem expenses or travel expenses. If at any time during the term of any project assigned under this contract the State should require the Claims Analyst to make any substantial change in the size or scope of the work that shall necessitate the Claims Analyst to do substantial work, then and in such event, the Claims Analyst shall prepare additional documents and make changes as required and shall be entitled to fair and equitable compensation therefor. The Commissioner of DAS, hereinafter referred to as the "Commissioner," shall determine the amount of such compensation and the manner of payment thereof. *Hourly rates used for any task assigned under this contract shall remain unchanged for the term of this contract.* In addition, if at any time during the term of this contract the State should request the Claims Analyst to reduce the scope of services originally agreed upon for any task assigned under this contract, the Claims Analyst shall then reduce said scope of services, as requested, and the Claims Analyst's fee for such project shall be reduced by a fair and equitable amount determined by the Commissioner. The Claims Analyst shall be entitled to a payment of Ten Dollars (\$10.00) at the termination of this contract if at such time the Claims Analyst has not received any fee under this contract.

For the services and deliverables specified in a task letter, the Consultant shall be paid a fee based on the classification and hourly rate of personnel as shown in Exhibit A entitled "Hourly Rate Schedule." Said

Exhibit A is attached hereto and made a part hereof. In addition to providing the hours of services and fee of any particular employee on any particular job, the Consultant shall make available upon request appropriate information to verify the actual burden, fringe, and overhead rates. The State reserves the right to audit these data.

B. PROGRESS PAYMENTS

The State will make progress payments. Before the first progress payment becomes due, the Claims Analyst must prepare a breakdown of its fees specified in the task letter in a manner acceptable to the State. The breakdown amounts will be used to determine the amounts of the progress payments to be made. Before each payment is made the Claims Analyst must furnish proof of the quantity, value, and delivery of services. All materials and work covered by progress payments will be the sole property of the State. However, the progress payments do not relieve the Claims Analyst of responsibility for all materials and work for which payment has been made or for the restoration of any damaged work nor do the progress payments waive the right of the State to require fulfillment of all contract terms and conditions. If for reasons of incomplete scope, complexity, etc., a fixed fee cannot be determined by the Commissioner, the State shall compensate the Claims Analyst for services rendered under this contract on the basis of pre-approved hourly rates for the personnel assigned to perform the services. A pre-approved hourly rate shall not exceed a reasonable rate, as determined by the Commissioner, taking into consideration the skills and experience of the person providing the services. Hourly rate payments shall be made in accordance with the terms and conditions of each task letter. It is specifically understood that these pre-approved hourly rate payments shall only apply for the period of time that the person is gainfully employed on projects assigned under this contract. Requests for payment shall be submitted on properly prepared State invoice forms with attachments showing actual hours worked, hourly rates applied, and any allowable additional direct costs included in the invoice forms. The Claims Analyst shall certify that each amount invoiced is both accurate and commensurate with the work performed for the State under this contract. The State reserves the right to periodically audit the Claims Analyst's financial and project records.

III. CONTRACT DURATION

This contract shall commence with the date this contract was entered into and shall expire on July 30, 2017. No new projects may be assigned on or after the expiration date, but all projects assigned prior to the expiration date will be allowed to continue to completion with all the terms and conditions of this contract herein set forth remaining in full force and effect. The term of this contract may be extended in writing by the Commissioner.

IV. TASK LETTERS

The scope of each project, duration of services, request for the provision of certain services specified in Article V and Article VI, respectively, schedule of deliverables, and the total fixed-fee or not-to-exceed fee compensation allowed shall be included in task letters prepared by the State for each project. Such task letters shall be issued during the time period set forth in Article III of this contract. Each task letter shall reference both a DCS project number and a task number specific to the project.

V. DUTIES AND SERVICES

The Claims Analyst shall consult with the DCS to ascertain the requirements of the project. The Claims Analyst shall familiarize itself with all project documents relating to the tasks set forth in each task letter. Claims analysis services may include, but not be limited to, technical analysis of performance under a construction contract, cost analysis, schedule analysis, and technical assistance in legal and arbitration proceedings.

VI. ADDITIONAL SERVICES

If, in the opinion of the State, any service is required that is not usually furnished in claims analysis practice and that is not included in this contract, either expressed or implied by the nature of the service, then the State shall, in writing, authorize the service and the related cost. The Claims Analyst's written selection of any service provider retained under this article is to be submitted for approval by the State. The Claims Analyst shall adequately support, in writing to the State, its recommendations as to its selection of any such service provider. Any registered consultants retained under this article shall provide evidence of their competence by affixing their seals on any work prepared by them or under their supervision. The State shall reimburse the Claims Analyst for

the cost of any services provided under this article and in addition shall also pay the Claims Analyst five percent (5%) of such cost, or such other percentage deemed reasonable by the Commissioner, for overhead and profit. When the Claims Analyst requests the need for any additional services provided under this article there shall be a minimum of three (3) written bids obtained and forwarded to the State for approval.

VII. OWNERSHIP OF WORK

It is mutually agreed and understood that all finished and unfinished documentation prepared pursuant to this contract shall become the exclusive property of the State, and that the State shall have the right to immediate possession and use thereof. The State agrees that all such documentation is not to be altered by others and is to be used only in conjunction with the project for which it was prepared unless written consent is obtained from the Claims Analyst. Such consent will not be withheld provided the State agrees that upon any alterations of the Claims Analyst's documents by others, or upon reuse of the documents for any other project, the Claims Analyst will be relieved by the State of any and all responsibility arising out of such alterations or reuse or in connection therewith. The provisions of this article shall survive the termination of this contract and shall thereafter remain in full force and effect.

VIII. INSURANCE

The Claims Analyst for the duration of this contract, including any extension term, must carry insurance to protect the interest of the State. The Claims Analyst must obtain statutory workers' compensation and employers' liability insurance (if applicable), comprehensive automobile liability insurance, commercial general liability insurance, and professional services liability insurance to not less than the minimum limits as required in this article, all at no cost to the State.

1. Statutory Workers' Compensation and Employers' Liability:

a. Workers' Compensation:	Statutory limits
b. Employers' Liability:	
Bodily injury by accident:	\$100,000 each accident
Bodily injury by illness:	\$100,000 each employee
	\$500,000 policy limit

2. Commercial General Liability:

Combined single limit:	\$1,000,000 each occurrence
	\$2,000,000 annual aggregate

3. Comprehensive Automobile Liability (to include owned, non-owned, and hired vehicles):

Combined single limit:	\$1,000,000 each occurrence
	\$1,000,000 annual aggregate

Each of the policies for such kinds of insurance mentioned above shall be issued by an insurance company or companies satisfactory to the DCS and shall contain a provision that coverages will not be changed, cancelled, or non-renewed until at least sixty (60) calendar days' prior written notice has been given to the DCS. Each insurance policy shall state that the insurance company agrees to investigate and defend the insured against all claims for damages to the extent that all alleged damages might be covered by insurance. Such insurance policies shall name the State as an additional insured, except that the State shall not be named as an additional insured with respect to the coverage for the statutory workers' compensation, automobile liability, and employers' liability insurance. Certificates of insurance showing such coverage as required in this article shall be filed with the DCS prior to the time this contract is executed on behalf of the State.

IX. NONPERFORMANCE

If the Claims Analyst does not fulfill or complete its services in a timely and adequate manner, the State reserves the right to withhold monetary payments to the Claims Analyst until such time as the work is brought up to date in an adequate manner. The amount withheld shall be determined by the Commissioner. If the State is harmed by the Claims Analyst's nonperformance, the State shall be granted fair and equitable compensation by the Claims Analyst as determined by the Commissioner. The State has the right for inspection on demand of the Claims Analyst's products. The State will accept only those products that meet reasonable professional standards.

X. SUSPENSION OF THE WORK

- A. The State, at any time, may suspend all or any part of the services of the Claims Analyst. In such event, the Claims Analyst shall be given seven (7) days' notice of such suspension in writing by registered or certified mail to the Claims Analyst's address as given for correspondence purposes. The mailing of such notice shall preclude any claim on the part of the Claims Analyst as to failure to receive notice of such suspension.
- B. In the event of suspension by the State as noted above, the Claims Analyst shall be entitled to such compensation as the State shall deem reasonable.
- C. Should the State reactivate any assigned work covered by this contract, in whole or in part, within one year from the time the work was suspended, any fees paid to the Claims Analyst pursuant to this contract shall be applied as payment on the fees for work as set forth in this contract at the time of reactivation. Should reactivation occur after a period of suspension exceeding one (1) year, the Claims Analyst and the State may renegotiate the fees for the work based on current conditions or either may unilaterally elect to terminate the remaining work.
- D. In the event the State decides to suspend any work under this contract, the State shall become entitled, after payment of outstanding fees, to all finished and unfinished documents prepared pursuant to this contract.
- E. If the Claims Analyst should be unwilling or unable to perform the services required by this contract at the time the State desires to reactivate the work after a period of suspension, then all finished or unfinished documents prepared pursuant to this contract shall become the property of the State and the State shall have the right to immediate possession and use thereof.

XI. TERMINATION OF CONTRACT

- A. Notwithstanding any provisions or language in this contract to the contrary, the Commissioner may terminate the contract whenever he determines in his sole discretion that such termination is in the best interest of the State. The notice of termination shall be sent by registered or certified mail to the Claims Analyst's address as furnished to the State for purposes of correspondence, or by hand delivery. Upon receipt of such notice, the Claims Analyst shall both immediately discontinue all services affected (unless the notice directs otherwise) and deliver to the State all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated by the Claims Analyst in performing its duties under this contract, whether completed or in progress. All such documents, information, and materials shall become the property of the State.
- B. If the termination is for the convenience of the State, the Claims Analyst shall be entitled to receive reasonable compensation for services already satisfactorily performed and accepted, but no amount shall be allowed for anticipated profit on unperformed services. The Commissioner shall determine the amount of such compensation.
- C. If the termination is for reason of failure of the Claims Analyst to fulfill its contract obligations, the State may take over the work and prosecute the same to completion by contract or otherwise. In such event, the Claims Analyst shall be liable to the State for any additional costs occasioned to the State thereby.
- D. If after notice of termination for failure of the Claims Analyst to fulfill its contract obligations it is determined that the Claims Analyst had not so failed, the termination shall be deemed to have been effected for the convenience of the State. In such event, the Claims Analyst shall be entitled to reasonable compensation provided in Section B of this article.
- E. The rights and remedies of the parties provided in this article are in addition to any other rights and remedies provided by law or under this contract.

XII. SUCCESSORS AND ASSIGNS

If the Claims Analyst is a sole proprietor and the Claims Analyst should die during the term of this contract, this contract shall be considered terminated. In the event of such termination, the Claims Analyst's estate shall be entitled to a reasonable payment for any uncompensated work performed to the date of death, and the State shall have title to, and shall have the right to immediate use and possession of, all finished and unfinished documents prepared under this contract. The Commissioner shall determine the amount of such payment. The Claims

Analyst shall not assign, sublet, or transfer any rights under or interest in this contract without the written consent of the State. No assignment will release or discharge the Claims Analyst from any duty or responsibility under this contract. The Claims Analyst shall be responsible to the State for acts and omissions of its own employees and any of its service providers hereinbefore mentioned and their employees.

XIII. FORCE MAJEURE

Neither party shall be liable to the other nor deemed to be in breach of this contract for failure or delay in rendering performance arising out of causes factually beyond its control and without its fault or negligence. Such causes may include, but are not limited to: acts of God, wars, fires, floods, epidemics, quarantine restrictions, strikes, or freight embargoes. Irrespective of the occurrence of any of the foregoing events or circumstances the Claims Analyst shall take reasonable measures to mitigate any damage caused thereby.

XIV. WAIVERS

All conditions, covenants, duties, and obligations contained in this contract can be waived only by written agreement. Forbearance or indulgence in any form or manner by a party shall not be construed as a waiver, nor in any way limit the legal and/or equitable remedies to that party.

XV. SEVERABILITY

If any of the provisions of this contract are declared or found to be illegal, unenforceable, or void, then both parties shall be relieved of the obligations under any such provisions. The remainder of the contract shall be enforced to the fullest extent permitted by law.

XVI. ENTIRE CONTRACT

No prior stipulation, agreement or understanding, verbal or otherwise, of the parties hereto, their agents or legal representatives shall be valid or enforceable unless embodied in the provisions of this contract.

XVII. FORUM AND CHOICE OF LAW

The parties deem the contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Claims Analyst waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

XVIII. NONDISCRIMINATION AND AFFIRMATIVE ACTION PROVISIONS, NONDISCRIMINATION PROVISIONS REGARDING SEXUAL ORIENTATION, EXECUTIVE ORDERS, ANTI-HARASSMENT POLICY, SUMMARY OF STATE ETHICS LAWS AND CAMPAIGN FINANCE LAWS

The Claims Analyst agrees on behalf of the Claims Analyst and the Claims Analyst's principals, employees, agents, heirs, successors and assigns that they shall only utilize drawings, specifications, maps, reports, records or other documents to the extent necessary for the performance of the Claims Analyst's work and duties under this contract. This limitation on use applies to those items produced by the Claims Analyst, as well as to those items received by the Claims Analyst from the Department of Administrative Services, Division of Construction Services, or others in connection with the Claims Analyst's work and duties under this contract.
- B. The Claims Analyst further agrees that said drawings, specifications, maps, reports, records and other documents may not be released to any other entity or person except for the sole purpose of the work

- (d) At the State's request, the Claims Analyst shall provide the State with hard copies of or electronic media containing any data or information in the possession or control of the Claims Analyst which pertains to the State's business or this contract.
- (e) The Claims Analyst agrees that it will keep and preserve or cause to be kept and preserved all of its Records until three (3) years after the latter of (i) final payment under this contract, or (ii) the expiration or earlier termination of this contract, as the same may be extended or renewed, and any holdover period.

CAMPAIGN CONTRIBUTION AND SOLICITATION LIMITATIONS

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee (which includes town committees).

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

On and after January 1, 2011, no state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall knowingly *solicit* contributions from the state contractor's or prospective state contractor's employees or from a *subcontractor or principals of the subcontractor* on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

DUTY TO INFORM

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

PENALTIES FOR VIOLATIONS

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—Up to \$2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to \$2,000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than \$5,000 in fines, or both.

CONTRACT CONSEQUENCES

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
