## IV. CONTRACT DURATION

This contract shall commence with the date this contract was entered into and shall expire on **April 30, 2017**. No new projects may be assigned on or after the expiration date, but all projects assigned prior to the expiration date

will be allowed to continue to completion with all the terms and conditions of this contract herein set forth remaining in full force and effect. The term of this contract may be extended in writing by the Commissioner.

#### **V. CONTRACT FEE**

The maximum total cumulative fee allowed the Consultant under this contract shall not exceed **Three Hundred Thousand Dollars (\$300,000.00)**. The Consultant shall be entitled to a payment of Ten Dollars (\$10.00) at the termination of this contract if at such time the Consultant had not received any fee under this contract. When approximately 75% of the fee set forth in this section has been expended, the Consultant shall notify the DCS Project Manager in writing of the amount of work completed to that date under this contract. Said notification shall include an itemization of all fees that have been paid to the Consultant pursuant to the work. The Consultant shall not be reimbursed for per diem expenses or travel expenses.

If for reasons of incomplete scope, complexity, etc., a fixed fee for a task letter cannot be determined by the Commissioner, the State shall compensate the Consultant for services rendered under this contract on the basis of pre-approved hourly rates for the personnel assigned to perform the services. The hourly rates are stated in Exhibit A, which is attached hereto and made a part hereof, and are in accordance with the provisions set forth in the Office of Policy and Management General Letter No. 97-1 dated November 21, 1996, which letter is incorporated herein by reference and made a part hereof as though fully set forth herein. Notwithstanding the preceding sentence, a pre-approved hourly rate shall not exceed a reasonable rate, as determined by the Commissioner, taking into consideration the skills and experience of the person providing the services. Hourly rate payments shall be made in accordance with the terms and conditions of each task letter. Monthly requests for payment shall be submitted on properly prepared invoice forms with attachments showing actual hours worked, pre-approved hourly rates applied, and any allowable additional direct costs included in the statement. The Consultant shall certify that each amount invoiced is both accurate and commensurate with the work performed for the State under this contract.

The State reserves the right to periodically audit the Consultant's financial records. It is specifically understood that the pre-approved hourly rate payments shall only apply for the period of time that the person is gainfully employed on projects assigned under this contract.

#### **VI. REGISTERED CONSULTANTS**

Should the Consultant require the services of registered consultants at any time during the duration of this contract, their names and qualifications shall be submitted to the State for approval. Such consultants shall provide evidence of their competence by affixing their seals on any drawings or specifications prepared by them or under their supervision. The Consultant shall not receive any additional payment from the State in regard to such consultants unless their services relate to hourly-rate assigned work of the Consultant. In such event, the State shall reimburse the Consultant for the cost of such services and in addition shall also pay the Consultant ten percent (10%) of such cost, or such other percentage deemed reasonable by the Commissioner, for overhead and profit.

#### **VII. TECHNICAL SERVICES**

If, in the opinion of the State, any special technical service is required which is not usually furnished by the Consultant and which is not included in this contract, either expressed or implied by the nature of the work, then the State shall, in writing, authorize the service and the related cost. The Consultant's selection of the consultant retained in connection therewith is to be submitted for approval. The State shall reimburse the Consultant for the cost of any such services and in addition shall also pay the Consultant ten percent (10%) of such cost, or such other percentage deemed reasonable by the Commissioner, for overhead and profit.

#### **VIII. OWNERSHIP OF WORK PRODUCT**

It is mutually agreed and understood that all finished and unfinished documentation prepared pursuant to this contract shall become the exclusive property of the State, and that the State shall have the right to immediate possession and use thereof. All reports, findings, and recommendations may be incorporated into subsequent documents produced by the Consultant or any other consultant firm in connection with the project. The provisions of this section shall survive the termination of this contract and shall thereafter remain in full force and effect.

#### **IX. INDEMNIFICATION**

The Consultant shall indemnify and hold harmless the State and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all (1) Claims arising directly or indirectly in connection with the contract, concerning the negligent acts of commission or omission (collectively, the "Acts")

of the Consultant or Consultant Parties, and (2) liabilities, damages, losses, costs and expenses, including but not limited to attorneys' and other professionals' fees, arising directly or indirectly in connection with Claims, Acts or the contract, to the extent of the Consultant's or Consultant Parties' negligence. #### **X. SUSPENSION OF THE WORK**

1. The State, at any time, may suspend all or any part of the services of the Consultant. In such event, the Consultant shall be given three (3) days' notice of such suspension in writing by registered or certified mail to the Consultant's address as given for correspondence purposes. The mailing of such notice shall preclude any claim on the part of the Consultant as to failure to receive notice of such suspension.
2. In the event of suspension by the State as noted above, the Consultant shall be entitled to such compensation as the Commissioner shall deem reasonable.
3. Should the State reactivate any assigned work covered by this contract, in whole or in part, within one year from the time the work was suspended, any fees paid to the Consultant pursuant to this contract shall be applied as payment on the fees for the work as set forth in this contract at the time of reactivation. Should reactivation occur after a period of suspension exceeding one (1) year, the Consultant and the State may renegotiate the fees for the work based on current conditions or either may unilaterally elect to terminate the remaining work.
4. In the event the State decides to suspend any work under this contract, the State shall become entitled, after payment of outstanding fees, to all finished and unfinished documents prepared pursuant to this contract.
5. If the Consultant should be unwilling or unable to perform the services required by this contract at the time the State desires to reactivate the work after a period of suspension, then all finished or unfinished documents prepared pursuant to this contract shall become the property of the State and the State shall have the right to immediate possession and use thereof.

#### **XI. TERMINATION OF CONTRACT**

1. Notwithstanding any provisions or language in this contract to the contrary, the Commissioner may terminate the contract whenever he determines in his sole discretion that such termination is in the best interest of the State. Any such termination shall be effected by delivery to the Consultant of a written notice of termination. The notice of termination shall be sent by registered or certified mail to the Consultant's address as furnished to the State for purposes of correspondence, or by hand delivery. Upon receipt of such notice, the Consultant shall both immediately discontinue all services affected (unless the notice directs otherwise) and deliver to the State all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated by the Consultant in performing its duties under this contract, whether completed or in progress. All such documents, information, and materials shall become the property of the State.
2. If the termination is for the convenience of the State, the Consultant shall be entitled to receive reasonable compensation for services already satisfactorily performed and accepted, but no amount shall be allowed for anticipated profit on unperformed services. The Commissioner shall determine the amount of such compensation.
3. If the termination is for reason of failure of the Consultant to fulfill her/his/its contract obligations, the State may take over the work and prosecute the same to completion by contract or otherwise. In such event, the Consultant shall be liable to the State for any additional costs occasioned to the State thereby.
4. If after notice of termination for failure of the Consultant to fulfill her/his/its contract obligations it is determined that the Consultant had not so failed, the termination shall be deemed to have been effected for the convenience of the State. In such event, the Consultant shall be entitled to reasonable compensation as provided in Paragraph 2 of this section.
5. The rights and remedies of the parties provided in this section are in addition to any other rights and remedies provided by law or under this contract.

## XII. SUCCESSORS AND ASSIGNS

If the Consultant is a sole proprietor and the Consultant should die during the term of this contract, this contract shall be considered terminated. In the event of such termination, the Consultant's estate shall be entitled to a reasonable payment for any uncompensated work performed to the date of death, and the State shall have title to, and shall have the right to immediate use and possession of, all finished and unfinished documents prepared under this contract. The Commissioner shall determine the amount of such payment. The Consultant shall not assign, sublet, or transfer any rights under or interest in this contract without the written consent of the State. No assignment will release or discharge the Consultant from any duty or responsibility under this contract. The Consultant shall be responsible to the State for acts and omissions of its own employees and any of its service providers hereinbefore mentioned and their employees.

## XIII. INSURANCE

The insurance shall remain in effect during the entire duration of this contract, including such additional time periods as may be necessary to complete specific projects, as hereinbefore set forth. The policy shall provide that it shall indemnify and save harmless the State and its officers, agents, and employees from claims, suits, actions, damages, and costs of every name and description resulting from negligence and errors and omissions in the work performed by the Consultant under the terms of this contract.

Each insurance policy shall state that the insurance company agrees to investigate and defend the insured against all claims for damages to the extent that all alleged damages might be covered by insurance. Such insurance policies shall name the State as an additional insured, except that the State shall not be named as an additional insured with respect to the coverage for the statutory workers' compensation, automobile liability, and employers' liability insurance and to the coverage for professional liability insurance. The contractor agrees to include a copy of the Policy, and the requirement to prevent behavior as defined in such Policy, in all contracts with its contractors, subcontractors, consultants, subconsultants, and vendors.
- D. **Summary of State Ethics Laws.** Pursuant to the requirements of section 1-101qq of the Connecticut General Statutes, the summary of State ethics laws developed by the State Ethics Commission pursuant to section 1-81b of the Connecticut General Statutes is incorporated by reference into and made a part of the contract as if the summary had been fully set forth in the contract.

E. **CAMPAIGN CONTRIBUTION RESTRICTION**

For all State contracts, defined in Conn. Gen. Stat. §9-612(g)(1) as having a value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this contract expressly acknowledges receipt of the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice, as set forth in "Notice to Executive Branch State Contractors and Prospective State Contractors of Campaign Contribution and Solicitation Limitations," attached as "Attachment."

**XVI. WHISTLEBLOWING**

This contract may be subject to the provisions of Section 4-61dd of the Connecticut General Statutes. In accordance with this statute, if an officer, employee or appointing authority of the Consultant takes or threatens to take any personnel action against any employee of the Consultant in retaliation for such employee's disclosure of information to any employee of the contracting state or quasi-public agency or the Auditors of Public Accounts or the Attorney General under the provisions of subsection (a) of such statute, the Consultant shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty per cent of the value of this contract. Each violation shall be a separate and distinct offense and in the case of a continuing violation, each calendar day's continuance of the violation shall be deemed to be a separate and distinct offense. The State may request that the Attorney General bring a civil action in the Superior Court for the Judicial District of Hartford to seek imposition and recovery of such civil penalty. In accordance with subsection (f) of such statute, each large state contractor, as defined in the statute, shall post a notice of the provisions of the statute relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the Consultant.

**XVII. FORCE MAJEURE**

Neither party shall be liable to the other nor deemed to be in breach of this contract for failure or delay in rendering performance arising out of causes factually beyond its control and without its fault or negligence. Such causes may include, but are not limited to, acts of God, wars, fires, floods, epidemics, quarantine restrictions, strikes, or freight embargoes. Irrespective of the occurrence of any of the foregoing events or circumstances, the Consultant shall take reasonable measures to mitigate any damage caused thereby.

#### **XVIII. WAIVERS**

All conditions, covenants, duties, and obligations contained in this contract can be waived only by written agreement. Forbearance or indulgence in any form or manner by a party shall not be construed as a waiver, nor in any way limit the legal and/or equitable remedies to that party.

#### **XIX. SEVERABILITY**

If any of the provisions of this contract are declared or found to be illegal, unenforceable, or void, then both parties shall be relieved of the obligations under any such provisions. The remainder of the contract shall be enforced to the fullest extent permitted by law.

#### **XX. ENTIRE CONTRACT**

No prior stipulation, agreement or understanding, verbal or otherwise, of the parties hereto, their agents or legal representatives shall be valid or enforceable unless embodied in the provisions of this contract.

#### **XXI. ANNUAL CERTIFICATION**

If the aggregate value of this contract is \$50,000.00 or more, including all amendments and/or commission letters, then the Consultant shall annually submit electronically, on or within two (2) weeks of the anniversary date of the execution of this contract, a completed Gift and Campaign Contribution Certification and notify the DCS Legal Unit that it has been uploaded. Said certification shall be uploaded on the Department of Administrative Services website. For the purposes of this article, the execution date of the contract shall be the date the Commissioner of DAS signs the contract.

#### **XXII. FORUM AND CHOICE OF LAW**

The parties deem the contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Consultant waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

#### **XXIII. SOVEREIGN IMMUNITY**

The parties acknowledge and agree that nothing in the Solicitation or the contract shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the contract. To the extent that this section conflicts with any other section, this section shall govern.

#### **XXIV. APPROVAL OF THE STATE PROPERTIES REVIEW BOARD**

As provided in Conn. General Statutes Section 4b-23(i), it is essential for the Consultant contracting with the Department of Administrative Services, Division of Construction Services, to understand that the approval of the State Properties Review Board must be granted before the Consultant's work can begin. By providing service without a properly executed contract, the Consultant accepts the risk that payment will not be made by the State of Connecticut.

## **XXV. APPROVAL OF THE ATTORNEY GENERAL'S OFFICE**

This contract shall become effective when it is approved as to form by the Attorney General of the State of Connecticut, the Deputy Attorney General of the State of Connecticut, or an Associate Attorney General of the State of Connecticut.

## **XXVI. STATE'S RIGHTS OF INSPECTION, AUDIT AND COLLECTION; MAINTENANCE OF RECORDS**

- (b) The Consultant shall maintain, and shall require each of its subcontractors hereunder to maintain, accurate and complete records, books of account and other documents that delineate the nature and extent of the State's, Consultant's, and, in the case of each subcontract, the applicable subcontractor's, performance hereunder. The Consultant shall maintain all such documentation and any and all other of its records (whether stored in electronic or other form) that in any way pertain or relate to this contract and/or the actual or alleged performance and/or lack of performance by any party hereunder (individually and collectively, "Records") at the Consultant's address provided on the first page of this contract or such other location as is approved in writing in advance by the State.
- (c) The Consultant agrees to make all of its Records available for inspection and/or examination, and copying, by the State's authorized representatives during reasonable hours. The State and its representatives also shall have the right, at reasonable hours, to inspect and examine all of the part(s) of the Consultant's and its subcontractors' plant(s) and/or place(s) of the businesses which, in any way, are related to, or involved in, the performance of this contract and/or any subcontract to ensure compliance with the same. Except in the case of suspected fraud or other abuse or in the event of an emergency, the State will give the Consultant at least twenty-four (24) hours notice of any intended inspections or examinations.
- (d) At the State's request, the Consultant shall provide the State with hard copies of or electronic media containing any data or information in the possession or control of the Consultant which pertains to the State's business or this contract.
- (e) The Consultant agrees that it will keep and preserve or cause to be kept and preserved all of its Records until three (3) years after the latter of (i) final payment under this contract, or (ii) the expiration or earlier termination of this contract, as the same may be extended or renewed, and any holdover period.
- (f) The Consultant also agrees that it will require each subcontractor under this contract to maintain all of its Records until three (3) years after the expiration or earlier termination of said subcontract or other agreement, as the same may be renewed or extended.
- (g) If any litigation, claim or audit is started before the expiration of said three (3) year periods, such records shall be (and shall be required to be) retained until all litigation, claims or audit findings have been resolved.
- (h) The Consultant shall incorporate the provisions of this article, including this subsection (h), verbatim into any contract or other agreement it enters into with any subcontractor under this contract.

## **XXVII. DISCLOSURE OF RECORDS**

This contract may be subject to the provisions of section 1-218 of the Connecticut General Statutes. In accordance with this statute, each contract in excess of two million five hundred thousand dollars between a public agency and a person for the performance of a governmental function shall (a) provide that the public agency is entitled to receive a copy of records and files related to the performance of the governmental function, and (b) indicate that such records and files are subject to FOIA and may be disclosed by the public agency pursuant to FOIA. No request to inspect or copy such records or files shall be valid unless the request is made to the public agency in accordance with FOIA. Any complaint by a person who is denied the right to inspect or copy such records or files shall be brought to the Freedom of Information Commission in accordance with the provisions of sections 1-205 and 1-206 of the Connecticut General Statutes.
