Such letters shall be issued during the time period of this contract set forth in Article 4 and shall specify a time frame for completion of each project. Each task letter shall reference both a DAS project number and a task number specific to the project. No work shall be performed until the Consultant receives the approved task letter.

4. CONTRACT DURATION: This contract shall commence with the date this contract was entered into and shall expire on **May 2, 2022**. No new projects may be assigned on or after the expiration date, but all projects assigned prior to the expiration date will be allowed to continue to completion with all the terms and conditions of this contract herein set forth remaining in full force and effect. The term of this contract may be extended in writing by the Commissioner.

5. CONTRACT FEE: The maximum total cumulative fee allowed the Consultant under this contract shall not exceed **Five Hundred Thousand Dollars (\$500,000.00)**. The Consultant shall be entitled to a payment of **Ten Dollars (\$10.00)** at the termination of this contract if at such time the Consultant has not received any fee under this contract.

When approximately 75% of the fee set forth above has been expended, the Consultant shall notify the DAS Chief Architect in writing of the amount of work completed to that date under this contract. Said notification shall include an itemization of all fees that have been paid to the Consultant pursuant to the work.

6. If for reasons of incomplete scope, complexity, etc., a fixed fee cannot be determined by the Commissioner, the State shall compensate the Consultant for services rendered under this contract on the basis of pre-approved hourly rates for the personnel assigned to perform the services. The hourly rates are stated in Exhibit A, which is attached hereto and made a part hereof. Notwithstanding the preceding sentence, a pre-approved hourly rate shall not exceed a reasonable rate, as determined by the Commissioner, taking into consideration the skills and experience of the person providing the services. Hourly rate payments shall be made in accordance with the terms and conditions of each task letter. Monthly requests for payment shall be submitted on properly prepared invoice forms with attachments showing actual hours worked, pre-approved hourly rates applied, and any allowable additional direct costs included in the statement. The Consultant shall certify that each amount invoiced is both accurate and commensurate with the work performed for the State under this contract.

The State reserves the right to periodically audit the Consultant's financial records. It is specifically understood that these pre-approved hourly rate payments shall only apply for the period of time that the person is actually employed on projects assigned under this contract.

7. The State agrees to pay the Consultant, for the services described in each task letter, the total fee set forth in the letter. It is understood that no changes or adjustments shall be made in said fee unless the scope of the work performed or to be performed by the Consultant has substantially changed as determined by the Commissioner. In addition, said fee includes all costs of living, travel and communication, whether within or without the State of Connecticut, connected with the discharge of the Consultant's duties under this contract unless express written notification to the contrary is received from the State.

The Consultant shall not be reimbursed for per diem expenses or travel expenses.

No payment shall be made until the material submitted has been reviewed and approved by the DAS.

8. Should the Consultant require the services of registered consultants at any time during the duration of this contract, their names and qualifications shall be submitted to the State for approval. Such consultants shall provide evidence of their competence by affixing their seals on any drawings or specifications prepared by them or under their supervision. The Consultant shall not receive any additional payment from the State in regard to such consultants unless their services relate to hourly-rate assigned work of the Consultant. In such event, the State shall reimburse the Consultant for the cost of such services and in addition shall also pay the Consultant ten percent (10%) of such cost, or such other percentage deemed reasonable by the Commissioner, for overhead and profit.

9. If, in the opinion of the State, any special technical service is required which is not usually furnished in commissioning practice and which is not included in this contract, either expressed or implied by the nature of the work, then the State shall, in writing, authorize the service and the related cost. The Consultant's selection of the consultant retained in connection therewith is to be submitted for approval. The State shall reimburse the Consultant for the cost of any such services and in addition shall also pay the Consultant ten percent (10%) of such cost, or such other percentage deemed reasonable by the Commissioner, for overhead and profit.

10. Should the Consultant personally wish to perform special services as described in Section 9, the Consultant shall submit to the State a written quotation of the cost of so performing such services. The quotation shall not include, nor shall the Consultant be paid for, an additional percentage of the cost for overhead and profit. In addition, the Consultant shall arrange to have at least three (3) independent outside sources submit written quotations for the work directly to the State in sealed envelopes. The State shall decide whether to allow the Consultant to perform the work with the Consultant's own forces based on the Consultant's quotation, and shall notify the Consultant accordingly.

11. If at any time during the term of any project assigned under this contract the State should require the Consultant to make any substantial change in the size or scope of the work or require the making of substantial changes in any document already approved, or upon which substantial work had been done pursuant to instruction to proceed, then, and in such event, the Consultant shall prepare the additional documents and make changes as required and shall be entitled to reasonable compensation therefor. The Commissioner shall determine the amount of such compensation and the manner of payment thereof. If the State should require any such substantial changes and if these should result in a change in the amount of the total construction budget for the project, said amount shall be considered changed to an amount determined by the Commissioner.

The above notwithstanding, should it be necessary for the Consultant to prepare any such additional documents or make changes in the same for purposes of meeting the budget requirements of the project, and where an increase in the cost of labor and/or materials is not the governing factor, the Consultant shall perform such duties without receiving additional compensation.

In addition, if at any time during the term of this contract the State should request the Consultant to reduce the scope of services originally agreed upon for any project assigned under this contract, the Consultant shall then reduce said scope of services, as requested, and the Consultant's fee for such project shall be reduced by a fair and equitable amount determined by the Commissioner.

12. It is mutually agreed and understood that all finished and unfinished documentation prepared pursuant to this contract shall become the exclusive property of the State, and that the State shall have the right to immediate possession and use thereof. The State agrees that all such documentation is not to be altered by others and is to be used only in conjunction with the project for which it was prepared unless written consent is obtained from the Consultant. Such consent will not be withheld provided the State agrees that upon any alterations of the Consultant's documents by others, or upon reuse of the documents for any other project, the Consultant will be relieved by the State of any and all responsibility arising out of such alterations or reuse or in connection therewith. The provisions of this section shall survive the termination of this contract and shall thereafter remain in full force and effect.

22. EXECUTIVE ORDERS. This contract is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings, and Executive Order No. Sixteen of Governor John G. Rowland, promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of the contract as if they had been fully set forth in it. The contract may also be subject to Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services and to Executive Order No. 49 of Governor Dannel P. Malloy, promulgated May 22, 2015, mandating disclosure of certain gifts to public employees and contributions to certain candidates for office. If Executive Order No. 14 and/or Executive Order No. 49 are applicable, they are deemed to be incorporated into and are

made a part of the contract as if they had been fully set forth in it. At the contractor's request, the Department shall provide a copy of these orders to the contractor.

23. This contract is subject to the provisions of the Department of Administrative Services' Anti-Harassment Policy ("Policy") and, as such, the contract may be cancelled, terminated, or suspended by the State in the event that the contractor, its employees, contractors, subcontractors, consultants, subconsultants, or vendors engage in behavior prohibited by the provisions of the Policy (a copy of the Policy is available on the DAS website). The contractor agrees to include a copy of the Policy, and the requirement to prevent behavior as defined in such Policy, in all contracts with its contractors, subcontractors, consultants, subconsultants, and vendors.

24. SUMMARY OF STATE ETHICS LAWS. Pursuant to the requirements of section 1-101qq of the Connecticut General Statutes, the summary of State ethics laws developed by the State Ethics Commission pursuant to section 1-81b of the Connecticut General Statutes is incorporated by reference into and made a part of the contract as if the summary had been fully set forth in the contract.

25. WHISTLEBLOWING

This contract may be subject to the provisions of Section 4-61dd of the Connecticut General Statutes. In accordance with this statute, if an officer, employee or appointing authority of the Consultant takes or threatens to take any personnel action against any employee of the Consultant in retaliation for such employee's disclosure of information to any employee of the contracting state or quasi-public agency or the Auditors of Public Accounts or the Attorney General under the provisions of subsection (a) of such statute, the Consultant shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty per cent of the value of this contract. Each violation shall be a separate and distinct offense and in the case of a continuing violation, each calendar day's continuance of the violation shall be deemed to be a separate and distinct offense. The State may request that the Attorney General bring a civil action in the Superior Court for the Judicial District of Hartford to seek imposition and recovery of such civil penalty. In accordance with subsection (f) of such statute, each large state contractor, as defined in the statute, shall post a notice of the provisions of the statute relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the Consultant.

26. ANNUAL CERTIFICATION

If the aggregate value of this contract is \$50,000.00 or more, including all amendments and/or commission letters, then the Consultant shall annually submit electronically, on or within two (2) weeks of the anniversary date of the execution of this contract, a completed Gift and Campaign Contribution Certification and notify the DAS Office of Legal Affairs, Policy and Procurement that it has been uploaded. 27. FORUM AND CHOICE OF LAW

The parties deem the contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Consultant waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

28. APPROVAL OF THE STATE PROPERTIES REVIEW BOARD

As provided in Connecticut General Statutes Section 4b-23(i), it is essential for the Consultant contracting with the Department of Administrative Services to understand that the approval of the State Properties Review Board must be granted before the Consultant's task can begin. By providing service without a properly executed task letter under this contract, the Consultant accepts the risk that payment will not be made by the State of Connecticut.

29. CAMPAIGN CONTRIBUTION RESTRICTION

For all State contracts, defined in Conn. Gen. Stat. §9-612(g)(1) as having a value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this contract expressly acknowledges receipt of the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice, as set forth in "Notice to Executive Branch State Contractors and Prospective State Contractors of Campaign Contribution and Solicitation Limitations," attached as "Attachment."

30. SOVEREIGN IMMUNITY

The parties acknowledge and agree that nothing in the solicitation or the contract shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the contract. To the extent that this section conflicts with any other section, this section shall govern.

31. APPROVAL OF THE ATTORNEY GENERAL'S OFFICE

This contract shall become effective when it is approved as to form by the Attorney General of the State of Connecticut, the Deputy Attorney General of the State of Connecticut, or an Associate Attorney General of the State of Connecticut.

32. STATE'S RIGHTS OF INSPECTION, AUDIT AND COLLECTION; MAINTENANCE OF RECORDS

The Consultant shall maintain all such documentation and any and all other of its records (whether stored in electronic or other form) that in any way pertain or relate to this contract and/or the actual or alleged performance and/or lack of performance by any party hereunder (individually and collectively, "Records") at the Consultant's address provided on the first page of this contract or such other location as is approved in writing in advance by the State.
3. The Consultant agrees to make all of its Records available for inspection and/or examination, and copying, by the State's authorized representatives during reasonable hours. The State and its representatives also shall have the right, at reasonable hours, to inspect and examine all of the part(s) of the Consultant's and its subcontractors' plant(s) and/or place(s) of the businesses which, in any way, are related to, or involved in, the performance of this contract and/or any subcontract to ensure compliance with the same. Except in the case of suspected fraud or other abuse or in the event of an emergency, the State will give the Consultant at least twenty-four (24) hours' notice of any intended inspections or examinations.
4. At the State's request, the Consultant shall provide the State with hard copies of or electronic media containing any data or information in the possession or control of the Consultant which pertains to the State's business or this contract.

5. The Consultant agrees that it will keep and preserve or cause to be kept and preserved all of its Records until three (3) years after the latter of (i) final payment under this contract, or (ii) the expiration or earlier termination of this contract, as the same may be extended or renewed, and any holdover period.
6. The Consultant also agrees that it will require each subcontractor under this contract to maintain all of its Records until three (3) years after the expiration or earlier termination of said subcontract or other agreement, as the same may be renewed or extended.
7. If any litigation, claim or audit is started before the expiration of said three (3) year periods, such records shall be (and shall be required to be) retained until all litigation, claims or audit findings have been resolved.
8. The Consultant shall incorporate the provisions of this Section, including this subsection (h), verbatim into any contract or other agreement it enters into with any subcontractor under this contract.

33. DISCLOSURE OF RECORDS

This contract may be subject to the provisions of section 1-218 of the Connecticut General Statutes. In accordance with this statute, each contract in excess of two million five hundred thousand dollars between a public agency and a person or entity for the performance of a governmental function shall (a) provide that the public agency is entitled to receive a copy of records and files related to the performance of the governmental function, and (b) indicate that such records and files are subject to FOIA and may be disclosed by the public agency pursuant to FOIA. No request to inspect or copy such records or files shall be valid unless the request is made to the public agency in accordance with FOIA. Any complaint by a person who is denied the right to inspect or copy such records or files shall be brought to the Freedom of Information Commission in accordance with the provisions of sections 1-205 and 1-206 of the Connecticut General Statutes.
