No assignment of receivables by Contractor shall relieve Contractor of any obligations under this Contract without prior written Department consent in each such instance. Notwithstanding any such assignment, Contractor represents and warrants that the Deliverable shall be and remain free of any repossession or any Claims by Contractor or its successors and assigns, subject to the terms and conditions of this Contract.

- h) If a Deliverable becomes not usable due to new versions or releases of the operating system(s), database system(s), application servers or report servers that comprise the Department's computer operating environment, the Contractor shall have thirty (30) days from the date of written notification by the Department to provide an Update to restore functions to the standards required under this Contract. If the Contractor fails to provide such Update, the Department may cease payments for maintenance and support until such time the Deliverable and System operates in conformance with the Specifications and may require

Contractor reimburse the Department for any maintenance and support amounts paid by the Department for the period during which the Deliverable(s) or System were not usable. If, after the expiration of thirty (30) days from the date of said notification, the Deliverable remains not usable, then the applicable license may be terminated at the option of said Department without further obligation or liability.

Upon such reinstatement, the Department will be responsible for payment of the maintenance and support fees beginning the date Contractor commences maintenance and support services in accordance with Contractor's then current maintenance and support service fees. The Department shall not be responsible for payment of any additional separate fees or penalties in order to reinstate maintenance or support services.

This latter warranty shall not apply to any Deliverable deficiency caused by maintenance by a person other than the Contractor or its representative.

b) If the ongoing performance of the Deliverable does not conform to the Specifications on the Acceptance Date for such Deliverable and the System consequently fails to conform to the Specifications of this Contract, Department shall give Contractor written notice of performance deficiencies. Contractor shall then have not more than a ten (10) calendar day cumulative cure period per twelve (12) month period to correct such deficiencies. If the cumulative number of days in a twelve (12) month period is exceeded, and said performance continues to be in nonconformance, the Contractor shall be in material default of this Contract and DAS, at its option, may thereupon take any one or more of the following actions:

25. WHISTLEBLOWER PROVISION

This Contract may be subject to the provisions of Section 4-61dd of the Connecticut General Statutes. In accordance with this statute, if an officer, employee or appointing authority of the Contractor takes or threatens to take any personnel action against any employee of the Contractor in retaliation for such employee's disclosure of information to any employee of the contracting state or quasi-public agency or the Auditors of Public Accounts or the Attorney General under the provisions of subsection (a) of such statute, the Contractor shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty per cent of the value of this Contract. Each violation shall be a separate and distinct offense and in the case of a continuing violation, each calendar day's continuance of the violation shall be deemed to be a separate and distinct offense. The State may request that the Attorney General bring a civil action in the Superior Court for the Judicial District of Hartford to seek imposition and recovery of such civil penalty. In accordance with subsection (f) of such statute, each large state contractor, as defined in the statute, shall post a notice of the provisions of the statute relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the Contractor.

26. DISCLOSURE OF PUBLIC RECORDS PROVISION

This Contract may be subject to the provisions of Section 1-218 of the Connecticut General Statutes. In accordance with this statute, each contract in excess of two million five hundred thousand dollars between a public agency and a person for the performance of a governmental function shall (a) provide that the public agency is entitled to receive a copy of records and files related to the performance of the governmental function, and (b) indicate that such records and files are subject to FOIA and may be disclosed by the public agency pursuant to FOIA. No request to inspect or copy such records or files shall be valid unless the request is made to the public agency in accordance with FOIA. Any complaint by a person who is denied the right to inspect or copy such records or files shall be brought to the Freedom of Information Commission in accordance with the provisions of Sections 1-205 and 1-206 of the Connecticut General Statutes.

27. FORUM AND CHOICE OF LAW

The parties deem the Contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the Contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

28. BREACH

a) If either party breaches the Contract in any respect, the non-breaching party shall provide written notice of the breach to the breaching party by overnight or certified mail, return receipt requested, to the most current address the breaching party has furnished for the purposes of correspondence and afford the breaching party an opportunity to cure within thirty (30) days from the date that the breaching party receives the notice. In the case of a Contractor breach, DAS may set forth any period greater or less than thirty (30) days, so long as such time period is otherwise consistent with the provisions of this Contract (for the purposes of this paragraph, the time period set forth by the non-breaching party shall be referred to as the “right to cure period”). The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure, but the nature of the breach is such that it cannot be cured within the right to cure period.

b) In the event of a breach, DAS may require the Contractor to prepare and submit to DAS or the Department a Corrective Action Plan in connection with an identified breach. The Corrective Action Plan shall provide a detailed explanation of the reasons for the cited deficiency(ies), the Contractor’s assessment or diagnosis of the cause, and a specific proposal to cure or resolve the deficiency(ies). The Contractor shall submit the Corrective Action Plan within ten (10) business days following the request for the plan by the State and is subject to approval by the Department or DAS, which approval shall not unreasonably be withheld. Notwithstanding the submission and acceptance of a Corrective Action Plan, Contractor remains responsible

for achieving all Performance criteria. The acceptance of a Corrective Action Plan shall not excuse prior substandard Performance, relieve Contractor of its duty to comply with Performance standards, or prohibit the State from pursuing additional remedies or other approaches to correct substandard Performance.

- c) The written notice of the breach may include an effective Termination date. If the identified breach is not cured by the stated Termination date, unless otherwise modified by the non-breaching party in writing prior to such date, no further action shall be required of any party to effect the Termination as of the stated date. If the notice does not set forth an effective Termination date, the non-breaching party shall be required to provide the breaching party no less than twenty four (24) hours written notice prior to terminating the Contract, such notice to be provided in accordance with Section 29(c).
- d) If the Department reasonably and in good faith determines the Contractor has not Performed in accordance with the Contract, the State may withhold payment in whole or in part in an amount reasonably related to the non-performance pending resolution of the Performance issue, provided that the State notifies the Contractor in writing prior to the date that the payment would have been due.
- e) Notwithstanding any provisions in this Contract, DAS may terminate this Contract with no right to cure period for Contractor's breach or violation of any of the provisions in the section concerning Representations and Warranties and revoke any consent to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.
- f) Termination under this Breach section is subject to the provisions of the Termination section in this Contract.

29. TERMINATION

- a) Notwithstanding any provisions in this Contract, the DAS, through a duly authorized employee, may Terminate the Contract whenever DAS makes a written determination that such Termination is in the best interests of the State. DAS shall notify the Contractor in writing of Termination pursuant to this section, which notice shall specify the effective date of Termination and the extent to which the Contractor must complete its Performance under the Contract prior to such date.
- b) Notwithstanding any provisions in this Contract, DAS, through a duly authorized employee, may, after making a written determination that the Contractor has breached the Contract, Terminate the Contract in accordance with the provisions in the Breach section of this Contract.
- c) DAS shall send the notice of Termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to DAS for purposes of correspondence, or by hand delivery. Upon receiving the notice from the DAS, the Contractor shall immediately discontinue all services affected in accordance with the notice, undertake commercially reasonable efforts to mitigate any losses or damages and deliver to the Department all Records. The Records are deemed to be the property of the Department and the Contractor shall deliver them to the Department no later than thirty (30) days after the Termination of the Contract or fifteen (15) days after the Contractor receives a written request from the Department for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.
- d) Upon receipt of a written notice of Termination from DAS, the Contractor shall cease operations as DAS directs in the notice, and take all actions that are necessary or appropriate, or that DAS may reasonably direct, for the protection, and preservation of the Goods and any other property. Except for any work which

DAS directs the Contractor to Perform in the notice prior to the effective date of Termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.

- e) The Department shall, within forty-five (45) days of the effective date of Termination, reimburse the Contractor for its Performance rendered and accepted by the Department, in addition to all reasonable costs, incurred after Termination in completing those portions of the Performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the Department is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by DAS, the Contractor shall assign to DAS or the Department, or any replacement contractor which DAS or the Department designates, all subcontracts, purchase orders, and other information pertaining to its Performance, and remove from State premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its Performance, all as DAS may request.
- f) For breach or violation of any of the provisions in the section concerning Representations and Warranties, the DAS may Terminate the Contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.
- g) Upon Termination of the Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive Termination. All representations, warranties, agreements and rights of the parties under the Contract shall survive such Termination to the extent not otherwise limited in the Contract and without each one of them having to be specifically mentioned in the Contract.
- h) Termination of the Contract pursuant to this section shall not be deemed to be a breach of the Contract by the State.

3

NEVER IN CARE/POTENTIAL UNINFORMED

Cases who have laboratory-confirmed HIV infection reported in e-HARS or HARMS and no CD4 or Viral Load tests have been received for > 3 months after the initial HIV positive test. These clients may not have returned for results (uninformed) or may be avoiding follow-up with an infectious disease provider (never in care).

6

RISING VIRAL LOAD

Clinically latent HIV-infected clients who were virally suppressed and had 2 consecutive Viral Load results > 1000 copies/mL.

7

CO-MORBIDITY

Report of HIV positive with any of the following: TB (AIDS indicator), syphilis, gonorrhea, chlamydia, hepatitis C, hepatitis B, or hepatitis A.

8

HIV-INFECTED PREGNANT FEMALE

HIV-infected females, any Stage, who are pregnant. Identified through Vital Records or routine case reporting. Linkage and retention in care and medication adherence are critical to preventing vertical transmission. Father-to-be may need partner services.

9

RECENT RELEASE FROM DOC

Highly vulnerable population likely to neglect HIV care. Likely to need assistance linking to care once released. Surveillance will confirm recent DOC release and refusal of TLC program prior to DIS referral.

10
