Bids shall be submitted on the enclosed forms. Incomplete forms may be cause for disqualification of the bid. Bids must be signed by the authorized representative/officer/agent of the bidder.

The Town of Woodbridge shall be the sole judge as to whether any bid complies with these specifications, and such a decision shall be final and conclusive. Bidders shall state any exceptions taken to the bid specifications.

2. BID RETURN ENVELOPE

All bids shall be submitted in sealed, opaque envelopes clearly labeled with the name of the bidder, his address, and the words "BID DOCUMENTS". Please clearly mark your envelope with the bid title and opening date to prevent opening of a sealed bid prior to the opening date. Proposals submitted in unmarked envelopes which are opened by the Town in its normal course of business will not be accepted. If time permits, the proposals will be returned to the bidder informing them that the proposal may be resubmitted in a sealed envelope properly marked as indicated above. The town will not be held responsible for those bids lost in the mail.

3. BID PROPOSAL/PRICE

Each bid must be submitted on the prescribed form and all blank spaces for bid prices must be filled in ink or typewritten in both words or figures. Bid prices shall include all labor, materials and equipment necessary to complete the work in accordance with the contract documents or these specifications and instructions. All prices must be NET, F.O.B. to the Town of Woodbridge, 11 Meetinghouse Lane, Woodbridge, Connecticut unless otherwise indicated. Bidders may quote on any, some or all items.

Negligence on the part of the bidder in preparing a bid confers no right of withdrawal or modification of a bid after such bid has been opened.

5. RIGHT OF REJECTION

The Request for Proposal/bid does not necessarily contemplate an award based solely on price. The Board of Selectmen or its designee may reject or accept any and all bids in whole or in part or may waive any informality in bids received if, in its/his/her opinion, it is in the best interest of the Town to do so, for whatever reason.

6. METHOD OF AWARD—FACTORS

- A. Where more than one item is bid, the Town reserves the right to split the bid award individually or grouped if it in the Town's best interest to award base bid and alternate to different vendors for any reason.
- B. The start date and timeline may be a major factor considered in awarding a contract and may result in an award to a vendor other than the low bidder.
- C. In the event there is a discrepancy between the price written in words and in figures, the price written in words shall govern.

7. FAMILIARITY WITH LAWS, SITE CONDITIONS AND DOCUMENTS

Each bidder is required to be familiar and comply with the terms and conditions of the specifications and all other contract documents and with all federal, state, and local laws, ordinances or regulations which in any manner relate to the furnishing of the equipment, material or services in accordance with the contract.

The submission of a bid shall be construed as an assurance that the bidder has examined all the conditions of the bid documents and specifications, and the failure of the bidder to familiarize himself with conditions related to the specifications shall in no way relieve any bidder from any obligation in respect to this bid.

8. QUALIFICATIONS OF BIDDER

The Town may make such investigation as it deems necessary to determine the ability of the bidder to perform the work. The bidder shall furnish to the Town all such information for this purpose as the Town may request. The Town reserves the right to reject any bid if the evidence submitted by or discovered by investigation of a bidder fails to satisfy the Town that such bidder is qualified to carry out the obligations of the contract and to the work contemplated therein.

9. ERRORS, INTERPRETATIONS, AND ADDENDA

Should the bidder find any omissions, discrepancies or errors in the specifications or other contract documents or should the bidder be in doubt as to the meaning of the specifications or other contract documents, the bidder should immediately notify the Town Finance Director, who may correct, amend or clarify such documents by a written interpretation or addendum. No oral interpretation shall be made to any bidder and no oral statement of the Town or any agent or representative of the Town shall be effective to modify any of the provisions of the contract documents. The Town of Woodbridge shall have the right to request clarifications of bids submitted and hold public hearings for the consideration of the merits of any or all bidders.

10. SUBSTITUTION FOR NAMED BRANDS OR SUBCONTRACTING

Should brand name items appear in these specifications, before bidding on any item considered equal to or better than a named item, the bidder shall get written approval from the Finance Director for the substitution. 11. GUARANTEE

All equipment and materials including all parts and assemblies, if applicable, shall be guaranteed against defects in material and workmanship and shall be in accordance with specifications and adequate for its intended use. Where it is required for the vendor to repair, replace or to modify, alter, add or remove hardware, parts, components or related accessories for the purpose of insuring proper appearance, performance or operation, the same shall be done as required by the vendor until such time as acceptable performance, operation or appearance has been established. Problems that may occur shall be corrected consistent with the guarantee. The vendor shall attend to and remedy such items in a reasonable and timely manner. Appropriate logs, schedules, and reports shall be maintained by the vendor to document these items and the action taken. Warranty information, catalogues of parts, and/or instructions of use shall be provided with the bid form when appropriate; otherwise, the same shall be provided upon delivery. All warranties shall be assignable to any customer of the Town of Woodbridge or agent thereof intended to benefit from such services. These warranties shall be in addition to any remedies provided by applicable law. Bidder warrants that all goods and services furnished

hereunder shall be designed, constructed and performed so as to comply with the Williams-Steiger Occupational Safety and Health Act of 1970, as amended from time to time, and the rules, regulations and standards issued thereunder by any applicable governmental authority which as of the date of performance will apply to the goods and services furnished hereunder.

12. HAZARDOUS WASTE

In the event that equipment or materials are the subject of this bid and they involve the handling of hazardous waste and associated insurance coverages are not identified elsewhere in the bid documents, the bidder's insurance policy must provide Environmental Impairment Liability. The bidder warrants that it understands the currently known and suspected hazards to persons, property and the environment by the transport, treatment, and disposal of hazardous waste. The bidder warrants that it will perform all services hereunder in a safe, efficient and lawful manner using industry-accepted practices and in full compliance with all applicable Connecticut and federal laws and regulations.

13. INDEMNIFICATION

The bidder shall at all times indemnify and hold harmless the Town of Woodbridge and its officers, agents and employees on account of and from any and all claims, damages, losses, judgments, workers' compensation payments, litigation expenses and legal counsel fees arising out of injuries to persons (including death) or damage to property alleged to have been sustained by (a) officers, agents and employees of the Town of Woodbridge or (b) the bidder, his subcontractors or material men or (c) any other person, which injuries are alleged to have occurred on or near the work or to have been caused in whole or in part by the acts, omissions or neglect of the bidder or his subcontractor or material men or by reasons of his or their use of faulty, defective or unsuitable materials, tools, or equipment of defective design in constructing or performing under this bid. The existence of insurance shall in no way limit the scope of this indemnification. The bidder shall reimburse the Town of Woodbridge for damage to property of the Town of Woodbridge caused by the bidder, or his employees, agents, subcontractors or material men or by faulty, defective or unsuitable material or equipment used by him or them. Bidder agrees that he will indemnify and hold the Town harmless for all claims growing out of the lawful demands of subcontractors, laborers, suppliers and assignees. Bidder further agrees to assume and pay for the defense of all such claims, demands, suits, proceedings and litigation. The provisions of this paragraph shall survive the expiration or early termination of this agreement.

14. QUANTITIES

The quantities as listed are estimates. The Town is in no way obligated to purchase any set amount at any time, but will purchase as needs dictate. The Town reserves the right to increase or decrease the quantity of each bid item at the same bid price stated on the bid form.

15. EVIDENCE OF ORDER

If notified of the acceptance of this proposal and the proposal involves ordering equipment or materials, the bidder agrees to submit evidence of having ordered the equipment and/or material within five (5) days of the “NOTICE TO PROCEED”.

16. RIGHT TO TERMINATE CONTRACT

In the event that any of the provisions of this contract are violated by the bidder or any of his subcontractors, the Town may serve written notice upon the contractor of its intention to terminate the contract. Such notices shall contain the reasons for such intention to terminate the contract and the contract shall cease and terminate within five (5) days, unless within five (5) days after the delivery of such notice upon the bidder, such violation or delay shall cease and mutually acceptable arrangements for correction are made. In the event of any such termination, the Town shall deliver notice of such termination to bidder.

The Town of Woodbridge reserves the right to cancel outstanding orders awarded against this bid after reasonable time for delivery has passed. In addition, in the event of any such cancellation, the Town of Woodbridge shall have the right to contract with the next most qualified bidder hereunder, as determined by the Town of Woodbridge, if it deems it in the best interest of the Town of Woodbridge. Notwithstanding the foregoing, the Town shall not be held to a basis of the lowest prices for which the completion of the work or the supplying of equipment or any part thereof might have been accomplished, but it shall charge the defaulting bidder and the defaulting bidder shall be liable for all sums actually paid or expenses actually incurred in effecting prompt performance hereunder. In the event the Town of Woodbridge incurs any loss, cost or expense on account of such termination or cancellation (including, without limitation, additional cost of the next most qualified bid or performing under the contract and attorneys' fees), the bidder as to whom or which the contract shall have been terminated or cancelled shall be liable to the Town of Woodbridge for such loss, cost, or expense.

17. DELIVERY

Invoices shall be furnished to the Woodbridge Finance Director for verification and approval of the amount due the successful bidder. Final payment shall not be made until final acceptance by the Town of Woodbridge of all vehicles, equipment, materials or services. Payment shall be made within 30 days after approval and acceptance. Terms and conditions other than those stated above must be stated on bid. If a successful bidder is in default hereunder and/or the Town of Woodbridge is of the opinion that a meritorious claim exists or will exist against such bidder of the Town arising out of the negligence of such bidder, then the Town may withhold payment of any amount otherwise due and payable hereunder. Any amount so withheld may be retained by the Town for such period as it may deem advisable to protect the Town against any loss and may, after written notice to such bidder, be applied in satisfaction of any claim herein described. This provision is intended solely for the benefit of the Town and no person shall have any right against the Town or claim against the Town by reason of the Town's failure or refusal to withhold monies. This provision is not intended to limit or in any way prejudice any other right of the Town and no interest shall be payable by the Town on any amounts withheld under this provision.
