SPECIFICATIONS

BACKGROUND
The Town of Vernon is seeking statements of qualifications and proposals for the provision of a design services related to the Walkers Reservoir Dam Improvements. Walkers Reservoir is located on the eastern side of Vernon and includes two ponds located on either side of Reservoir Road near I-84 Exit #67. This project is intended to address the easterly pond which was created by the dam across Gages Brook and is a tributary of the Tankerhoosen River.

Walkers Reservoir East provides recreational benefits with hiking, picnic and fishing opportunities to area residents. The northerly end in particular, serves as a sediment trap to capture suspended solids that are carried along in Gages Brook and from stormwater runoff. The dam is also a historic and aesthetic resource to the park, any improvements need to be sensitive to this as well as meeting sound engineering, and construction practices. The area directly south and west of this pond is now part of the State of Connecticut. Belding Preserve, providing recreational opportunities, as well as water resource and habitat protection along the Tankerhoosen River in the easterly portion of town.

FUNDING
This work will be funded with a combination of local funding and monies provided by the State of Connecticut Department of Energy and Environmental Protection – Flood and Erosion Control program.

SCOPE OF WORK
This facility has been inspected previously and the following points were identified for maintenance and facility improvements. The required new inspection may determine that additional items will warrant inclusion in the design plan.

- Removal of Trees and Brush – identify limit of clearing
- Evaluate need to increase spillway capacity - Develop design to address this concern
- Evaluate need for modifications to intake / outlet structures; develop a design to address this concern.
- Embankment Reconstruction and Toe Drain Installation - Develop design to address this concern
- Design access road to downstream face of the dam, with A-2 mapping of any easements or encroachments that may be required
- Design of a 8’ wide access path from Reservoir Road and a bridge over spillway capable of supporting 5000 lbs. utility vehicle or tractor.
**DELIVERABLES/TASKS**

The firm selected for this assignment shall at a minimum:

1. **Attend Project Meetings** – The selected firm and any associated subcontractors shall make themselves available for up to 4 meetings with Town Staff and Representatives of the State of CT Department of Energy and Environmental Protection as needed to review project scope, priorities, progress and/or schedules.

2. **Provide a New Inspection** - in accordance with the practices of the Connecticut Department of Energy and Environmental Protection Dam Safety Unit and prepare a report on forms acceptable to the Connecticut Department of Energy and Environmental Protection.

3. **Prepare a Plan of Existing Conditions** – the area of the dam and all surrounding areas within 200’ shall be mapped at 20 scale, with field generated topographic information and spot elevations executed to T2 standards. The topographic survey does not need to extend 200 upstream of the dam, however sufficient information shall be required to determine the extent of the upstream embankment and toe of slope. Depending on seasonal limitations, it may be practical to lower the water level to generate this data or it may be necessary to complete this task from a boat.

   A minimum of three vertical benchmarks and 4 horizontal control points shall be established convenient to the future active area using NAD ‘83 and NAVD ‘88 datums. Inland Wetland limits as field delineated by a Certified Soil Scientist and located by a CT. Licensed Land Surveyor shall also be shown on this plan. All existing improvements shall be shown within this area, including dimensions of structural elements.

4. **Prepare a Hydrologic /Hydraulic Evaluation** – the selected firm shall execute a hydrologic study of the tributary watershed to determine flow characteristics for the 10, 25, 50, 100 and 500 year storms and model the current dam configuration to identify capacity limitations. Proposed improvements will likewise need to be modeled to demonstrate appropriateness. This material shall be provided in a report suitable to accompany the plans for review and approval by local and state regulatory agencies.

5. **Provide Test Borings** - the selected firm shall contract with a boring contractor to provide test borings as may be required to determine subsurface conditions that may need to be addressed in the proposed improvements. At a minimum each test should provide depth to refusal (if less than 20’), relative compaction and textural assessment of the subsoil.

6. **Develop a Preliminary Design** – This initial data gathering shall be assembled into a preliminary design to address identified issues and regulatory requirements. A preliminary cost opinion is also required with the Preliminary Design.

7. **Complete Final Design** - Final design should include all review comments from the Department of Energy and Environmental Protection and Town staff. It should provide an existing conditions plan, proposed improvement plan, phased construction plans if required, details and specifications for design elements, and sedimentation and erosion control plans.
8. **Submit Final Design** - to Town and Connecticut Department of Energy and Environmental Protection Dam Safety for review and approval.

9. **Revise Final Design** – The selected firm shall make required revisions to the Final Design as needed, update their cost opinion and finalize a schedule for the implementation of these improvements.

10. **Provide Construction Specifications** – The selected firm shall prepare specifications to include with the Approved Plans and Town of Vernon standard language into a set of bid documents that may be used when funding for the construction is secured. The selected firm shall also provide an opinion of costs for this construction to aid in developing a budget for construction and construction administration.

**TIME FOR COMPLETION**
The Town of Vernon anticipates that construction of the approved plans will be done only when funding of these improvements can be secured. The completion and approval of the final plans and specifications as well of the Opinion of Cost will assist us in identifying funding sources. Completion of Tasks 1 - 8 by December 1, 2018 will be fundamental in this effort.

**QUALIFICATION REQUIREMENTS FOR RESPONDENTS**
The Town of Vernon will accept qualifications from Civil Engineering and Land Surveying firms experienced in dam design and renovations. Respondents must be licensed and/or certified in the State of Connecticut, and be in good standing to perform such services. In order to be considered for consulting work pursuant to this request firms must also include the following items in their submission:

- A Proposed Scope of Work.
- The qualifications and experience (on similar projects) of personnel that are to be assigned to the project team.
- The ability to provide said services within the proposed project schedule and time constraints
- The firm’s awareness of potential projects issues, opportunities and constraints.
- Quality and performance of past services.
- Professional references.

**PROPOSAL SUBMISSION**

Three (3) copies of all proposals should be submitted in a sealed envelope, with “WALKERS RESERVOIR DAM - RFQ CONTRACT #2002-04/19/2018” clearly marked on the outside of the envelope to:

Michael J. Purcaro, Town Administrator  
Town of Vernon,  
Memorial Building, 14 Park Place, 3rd Floor, Vernon, Connecticut 06066

by 11:00 AM on April 19, 2018 at which time proposals shall be opened and read aloud publicly. E-mailed, faxed or late bids will not be accepted.
QUALIFICATIONS WILL BE REVIEWED BY THE TOWN’S SELECTION COMMITTEE.

Interviews may be required. The selected firm must meet all municipal, state and federal Affirmative Action and Equal Employment Opportunity practices and requirements. Minority Owned Business Enterprise / Women's Business Enterprise / Small Business Enterprise are encouraged to apply. The Town reserves the right to reject any or all applications in whole or in part, to award any one service or group of services or all services, to negotiate with any or all companies submitting qualifications, and to enter into an agreement with any company for any services mentioned in this Request for Qualifications if it is deemed to be in the best interest of the Town.

SAMPLE CONTRACT

This agreement, made and concluded by and between the Town of Vernon, a Municipal corporation organized and existing under the laws of the State of Connecticut, acting herein by its Town Administrator duly authorized, hereinafter designated the 'Town' and__________________________ (being the party named in the attached copy of the proposal) hereinafter designated the 'Contractor.'

A. WITNESSETH, That said Contractor has agreed, and by these presents does for his, their, or its heirs, executors, administrators, successors, and assigns covenant, promise and agree to and with the said Town, for the consideration hereinafter mentioned and contained, and under the penalty expressed in bonds hereunto annexed, that the said Contractor shall and will, at his, its, or their own proper charge, cost and expense furnish all materials in accordance with this contract and the specifications which are a part hereof, viz.; all to be in accordance with the terms of the proposal for said material submitted to the Town Administrator of the Town, and made part of this contract.

B. TOWN ADMINISTRATOR TO BE JUDGE. The Town Administrator of the Town and his duly authorized representatives, hereinafter referred to as the 'Administrator' shall be judge of the character, nature and fitness of all the materials furnished under this contract.

C. (1) CONTRACTOR RESPONSIBLE FOR WHOLE WORK. The Contractor shall be responsible for the entire work until its final acceptance, and any unfaithful or imperfect work or defective material that may be discovered at any time before said final acceptance shall be immediately corrected or removed by said Contractor on requirement of the Administrator.

(2) DEFECTS IN MATERIAL. In the case the nature of the defects is such that it is not expedient to have them corrected, the Administrator shall have the right to deduct from the amount due the Contractor on the final settlement of the accounts such sum of money as he considers a proper equivalent for the difference between the value of the materials specified and that furnished, or a proper equivalent for the damage.

(3) PARTIAL PAYMENT NOT ACCEPTANCE. It is also agreed that this is an entire contract for one whole and complete work, and that no partial payments on account by the Town, nor the presence of the Administrator or inspectors, or their supervision or inspection of work or materials, shall constitute an acceptance of any part of the work before its entire completion and final acceptance.

D. (1) COMMENCEMENT AND COMPLETION OF WORK. The Contractor shall furnish the material contracted for within the time stated therefore in the specifications for this work.
(2) EXTENSION OF TIME. If the Contractor is delayed in the prosecution or completion of the work by or on account of any act or omission of the Town, or by strikes or causes beyond control of the Contractor, he shall be entitled to such reasonable extension of time for the completion of the work as may be decided upon by the Administrator, provided, however, that no claim for an extension of time for any reason shall be allowed unless, within three days after such delay occurs, notice in writing of the fact of said delay, its causes, and the extension claimed, shall be given by the Contractor to the Administrator.

(3) TIME LIMITS. All time limits stated in the Contract Documents are of the essence of the Contract.

E. (1) CONTRACTOR'S DUTIES AND LIABILITIES. The Contractor shall comply with all local, state and national laws and regulations, and with all Town ordinances in the prosecution of the work, and shall secure all necessary permits and licenses.

(2) CONTRACTOR LIABLE FOR DAMAGES.

(a). The Contractor shall indemnify and save harmless the Town, its officer, agents and servants against and from all damages, costs and expenses which they or any of them may suffer by, from or out of any and all claims for payment for materials or labor used or employed in the execution of this contract, and also for injuries or damages received or sustained to person or property, or both, in consequence of or resulting from any work performed by said Contractor, or of or from any negligence in guarding said work, or of or from any act or omission of said Contractor, and said Contractor shall also indemnify and save harmless said Town from all claims under the Workmen's Compensation Act arising under or out of this contract.

(b). Employees' Compensation Insurance shall be as provided by Connecticut law and custom.

(c). See specifications for required types of insurance.

**Commercial General Liability (Town of Vernon added as additional insured):**

- Each Occurrence: $1,000,000
- Personal/Advertising Injury per Occurrence: $1,000,000
- General Aggregate: $2,000,000
- Product/Completed Operations Aggregate: $2,000,000
- Fire Damage Legal Liability: $100,000

**Automobile Liability (Town of Vernon added as additional insured):**

- Each Accident: $1,000,000
- Hired/Non-owned Auto Liability: $1,000,000

**Workers' Compensation/Employers Liability**

- Workers' Compensation: Statutory Requirement set forth by State of CT
- Employers Liability: $100,000
- Each Accident: $100,000
- Disease-Policy Limit: $500,000
- Disease-Each employee: $100,000
Umbrella/Excess Liability (following form of general liability, auto liability and employer liability):
Each Occurrence:        $1,000,000  
General Aggregate:        $2,000,000  
Product/Completed Operations Aggregate:     $2,000,000  

Professional Liability (where required)
Each Claim:         $1,000,000  
Annual Aggregate        $1,000,000  

Waiver of Subrogation Requirement. Contractor will require all insurance policies in any way related to the work and secured and maintained by the Contractor to include clauses stating each carrier will waive all rights of recovery, under subrogation and otherwise, against the Town of Vernon, and its respective officers, employees, agents, servants, elected officials, and volunteers. Contractor shall require of subcontractors, by appropriate written agreements, similar waivers each in favor of the Town of Vernon.

(d). Sub-contractors must be protected by insurance the same as the principal contractor.

(e). It is agreed between the parties hereto that the amount of insurance set forth above does not in any way limit the liability of the Contractor to the Town by virtue of his promise to hold the Town harmless so that in the event that any claim results in a settlement or judgment in any amount above said limits, the Contractor shall be personally liable to the Town for the difference.

(f). Certificates of the insurance company or companies must be submitted to the Administrator before the Contractor starts work. Should any insurance expire or be terminated during the period in which the same is required by this contract, the Administrator shall be notified thirty (30) days in advance and such expired or terminated insurance must be replaced with new insurance and a new certificate furnished to the Administrator.

(g). Failure to provide the required insurance and certificates may, at the option of the Town, be held to be a willful violation of this Contract.

(3) PATENTS. The Contractor shall defend any suits or proceedings brought against the Town for alleged infringements of patents by or by reason of any material furnished under this contract, and shall pay any damages or costs that may be awarded against the Town as a result of such suits, free of all expense to the Town.

F. AVOIDANCE OF CONTRACT. If this Contract shall be assigned without the written consent of the Administrator, or if at any time the Administrator shall be of the opinion that the work on said material is necessarily or unreasonably delayed, or that the Contractor is willfully violating any of the conditions or agreements of this contract, or that the progress of the work is, in his opinion, being so delayed that said material cannot be supplied within the required time, the Administrator may give written notice, postage prepaid, to the Contractor, at his business address, to that effect. If the Contractor shall not, within ten days after the mailing of such notice, take measures as will, in the judgment of the
Administrator, insure the satisfactory completion of the work, he may notify the Contractor in writing, to discontinue all work on said material under this contract; and it is hereby agreed that the Contractor shall thereupon at once stop work and cease to have the right or claim to possession of the material; and the Town may, by means of such other agents or contractors as shall to it seem advisable, complete the work herein described, or such part thereof as it may deem necessary, and may take possession of and use such materials, except as otherwise provided. The Contractor shall not remove any portion of the materials, except as otherwise provided. The Contractor shall not remove any portion of the materials after receiving such notice as aforesaid. And said Town is hereby authorized and empowered to apply sums of money due or to become due to said Contractor under this Contract by way of reduction in damages, and as part payment of such additional expense incurred by the Town as aforesaid.

G. PAYMENT SCHEDULE. The Town will pay and the Contractor will receive, as full compensation for furnishing such materials, the amount stated in the proposal, or the sums of money computed at the several unit prices stated in the proposal submitted by the Contractor to the Administrator. A copy of the proposal is made a part of this Contract. The Town may make such deductions from these sums as are provided for in this Contract.

(1) FINAL COMPLETION AND FINAL PAYMENT. Upon receipt of written notice that the work is ready for final inspection and acceptance and upon receipt of final Application for Payment, The Administrator will promptly make such inspection and, when he finds the work acceptable under the Contract Documents and the contract fully performed, he will promptly issue a final Certificate of Payment stating that to the best of his knowledge, information and belief, and on the basis of his observations and inspections, the work has been completed in accordance with the terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor, and noted in said final Certificate, is due and payable. The Administrator's final Certificate for payment will constitute a further representation that the conditions precedent to the Contractor's is entitled to final payment as set forth herein had been fulfilled.

The acceptance of final payment shall constitute a waiver of all claims by the Contractor except those previously made in writing and identified by the Contractor as unsettled at the time of the final Application for Payment.

(2) CONTINGENT UPON AVAILABILITY OF FUNDS. TOV's obligation under this Agreement is contingent upon the availability of appropriated funds from which payment for Agreement purposes can be made. No legal liability on the part of TOV for any payment may arise until funds are made available and approved for this Agreement and until a Purchase Order has been issued.

(3) NO INTEREST TO BE PAID. No interest is to be allowed or paid by the Town upon any monies retained under the provisions of this contract.
H. CONTENTS OF CONTRACT. The information for bidders, the proposal, the specifications, together with special provisions following herewith, and the bond and any and all additions which may be inserted or attached to any, or all of the sections as listed above, together with the drawings named in the information for bidders are made a part of this Contract.

I. AUTHORITY AND DUTIES OF INSPECTOR. An Inspector is a representative (but not a duly authorized representative as referred to in Article B of this Contract) of the Administrator assigned to make any and all necessary inspections of the work performed and materials furnished by the Contractor. Inspectors shall be authorized to inspect all work done on materials furnished. Such inspection may extend to all or any part of the work and to the preparation of the materials to be used. In case of dispute arising between the Contractor and the Inspector as to materials furnished or the manner of performing the work, the Inspector shall have the authority to reject material or suspend the work until the question at issue can be referred to and decided by the Administrator. The Inspector shall not be authorized to revoke, alter, enlarge, relax or release any requirements of the specifications nor to approve or accept any portion of the work, or to issue instruction contrary to the plans and specifications. The Inspector shall not act as foreman or perform other duties of the Contractor nor interfere with the management of the work by the Contractor. Any advice which the Inspector may give the Contractor shall in no way be construed as binding the Administrator of the Town in any way nor releasing the Contractor from the fulfillment of the terms of the Contract.

J. FAIR EMPLOYMENT PRACTICES. The Contractor hereby agrees that neither he nor his subcontractors will refuse to hire or employ or to bar or to discharge from employment an individual or to discriminate against him in compensation or in terms, condition or privilege of employment because of race, color, religious creed, age, sex, national origin or ancestry, except in the case of bona fide occupational qualification or need.

The Contractor further agrees that neither he nor his subcontractors will discharge, expel or otherwise discriminate against any person because he has opposed any unfair employment practice or because he has filed a complaint or testify or assisted in any proceeding under Section 31-127 of the Connecticut General Statutes. The advertisement of employment opportunities will be carried out in such manner as not to restrict such employment so as to discriminate against individuals because of their race, color, religious creed, age, sex, national origin or ancestry, except in the case of a bona fide occupational qualification or need.

The terms stated above are taken from Section 31-126 of the Connecticut General Statutes, "Unfair Employment Practices."

K. LAWS AND JURISDICTION. The parties hereto agree that this contract is subject to the laws and jurisdiction of the State of Connecticut.

L. COMPLIANCE WITH THE IMMIGRATION REFORM AND CONTROL ACT OF 1986. The contractor hereby agrees that he is aware of and has complied with the hiring and documentation requirements of the Immigration Reform and Control Act of 1986.
The contractor agrees that it has asked for and examined documentation in order to verify the legal employability of its employees and has executed the appropriate forms attesting thereto pursuant to the Act.

The contractor further agrees to indemnify and hold the Town harmless from any costs and/or penalties incurred, including but not limited to fines, attorney’s fees and costs arising from a claim of violation of said Act.

M. DISPUTES. The parties agree that any dispute will be submitted to the Superior Court, Judicial District of Tolland, at Rockville, Connecticut.

N. ANTI-TRUST PROVISION. The Contractor or Subcontractor offers and agrees to assign to the Town all right, title and interest in and to all causes of action it may have under Section 4 of the Clayton Act, 15 O.K. Section 15, or under Chapter 624 of the General Statutes of Connecticut, arising out of the purchase of services, property or intangibles of any kind pursuant to a public purchase contract or subcontract. This assignment shall be made and become effective at the time the Town awards or accepts such contract, without further acknowledgment by the parties.
