<b>RFI No.</b>	<b>Question</b>	<b>Response</b>
1	On page 17 of the RFP document sections 6.8.3 & 6.8.4 reference a difference in rates for Standard Wage & Prevailing Wage Rates, however in Appendix "G" Pricing Workbook, there does not appear to be a section to differentiate between the 2 rates. Can you let us know how you would like us to present the rates on the bid sheet?	Proposers are to provide Standard Wage Rates in Appendix G. For prevailing wage projects - the awarded contractor will be requested to provide prevailing wage rates at the time of the project request and will be provided the Department of Labor Prevailing Wage Rates list for the specified project.
