**Purchasing Department**

**Request for Proposal # 2019-16  
Fall Arrest System at CCSU  
Addendum 1 dated November 30, 2018**

CCSU has received a request for additional structural drawings and building plans pertaining to this project. As part of that group of questions CCSU has also received a request to extend the bid due date.

To allow CCSU enough time to gather the requested info, and allow time for the bidders to review those documents and schedule return site visits if needed, and to accommodate the busy holiday season, the due date for proposals has been extended to **January 3, 2019.**

This extension should not affect the projected time frame for the actual project, which is tentatively scheduled to start in late June or early July 2019.

The requested structural drawings and building plans, as well as answers to the other submitted questions, will be made available as soon as possible.

**All other terms, conditions and specifications in the RFP remain the same.**

**END OF ADDENDUM 1**
