RELEASE DATE 12-05-2018

The OHS's official responses to questions submitted as of noon, December 5, 2018 are as follows:

Could you please help me with the following questions:

1. Whether companies from outside the USA can apply for this RFP? (like, from India or Canada)

Response: The RFP does not preclude out of state bidders.

2. Whether we need to come over there for meetings?

Response: It is the expectation that the Consumer Engagement Coordinator will participate in in person meetings.

3. Can we perform the tasks (related to RFP) outside USA? (like, from India or Canada)

Response: Certain administrative tasks may be performed outside the USA, but key activities require a contractor presence, e.g. grass roots community outreach, meeting facilitation, event planning and execution.

4. Can we submit the proposals via email?

Response: Proposals must be submitted electronically to laura.morris@ct.gov.
