Invitation to Bid (ITB)

CONNECTICUT INFORMATION SHARING SYSTEM (CISS) PROJECT HEALTH CHECK SERVICES

Guide to Electronic Bid Submissions

1. Introduction To BizNet

It is now a requirement of Department of Administrative Services (DAS)/Procurement Division that all companies create a Business Network (BizNet) Account and add their company profiles to the State of Connecticut BizNet system. Companies are responsible for maintaining and updating company information in their BizNet Accounts as updates occur. Companies that have been certified through the Supplier Diversity or the Pre-Qualification Program, have already created a BizNet account.

The BizNet login is: <https://www.biznet.ct.gov/AccountMaint/Login.aspx>

New Companies: Create an account by clicking the BizNet login link above and then the button on the right labeled "Create New Account". Login and select Doing Business with the State and Company Information. Please be sure to complete information in all tabs (Company Information, Accounts, Address, etc.).

Existing Companies Needing to Update Their Information: Login to BizNet and select Doing Business with the State and Company Information.

Anyone having difficulty connecting to their account or downloading or uploading forms should call DAS/Procurement Division at 860-713-5095.

2. Business Friendly Legislation

As a result of Public Act 11-229, DAS/Procurement Division's goal is to make doing business with the State of Connecticut more business friendly. To eliminate redundancy, forms that were repetitively filled out with each invitation to bid are being automated in BizNet.

DAS/Procurement Division began the transition to on-line bidding by automating the submission of Affidavits and Non-Discrimination forms on October 1, 2011. Companies must submit forms electronically to their BizNet account if they haven't already done so. These forms must be updated on an annual basis, no later than 30 days after the effective date of any material change. Rather than completing them with each bid submittal, companies that have already filed these forms have the ability to view, verify and update their information prior to submitting a bid response.

Instructions for Uploading Affidavits and Non-Discrimination Forms:

Click on the following link for instructions on how to upload Affidavits and Non-Discrimination forms:

Overview

In 2007, the state of Connecticut underwent a review of its current criminal justice process. As a result of that review, state of Connecticut Public Act 08-01 was passed. This act not only provided for change to the penal code, it also provided for change to the current criminal justice information sharing process in an effort to provide for a safer community for the citizens of the State.

As part of the changes put forth by P.A. 08-01, the Criminal Justice Information System Governing Board (“CJIS”) was charged with designing and implementing a comprehensive, state-wide system to facilitate the sharing of information between all criminal justice agencies. A plan for a new information sharing system, the Connecticut Information Sharing System (“CISS”) was established.

Additionally, the statute expanded the membership of the Governing Board and added provisions for an executive director and staff to fulfill the requirements of the statutory mandates.

In 2010, Governor Dannel P. Malloy approved the plan to develop CISS, a technically modern criminal information system that would build upon Connecticut’s existing criminal justice information systems, contain all essential offender information in one shared system and provide historical and current criminal information seamlessly.

The CISS is a comprehensive, state-wide criminal justice information technology system that provides the ability to electronically share offender information within the state’s criminal justice community.

CISS takes data input from criminal justice databases and makes it searchable to authorized law enforcement and justice officials.

Information Exchanges, replacing much of the manual processes currently in place, will automatically send specific information directly to authorized users based on predefined business rules and security requirements.

The CISS environment will be accessible by two methods: the State of Connecticut’s internal network and the CISS Community Portal.

The State of Connecticut Department of Administrative Services (“DAS”) is issuing this Invitation to Bid to solicit bids for CONNECTICUT INFORMATION SHARING SYSTEM (CISS) PROJECT HEALTH CHECK SERVICES for CJIS.

Scope

The State seeks a qualified Contractor to provide Independent Validation and Verification of Project Health Check Services for the implementation of CISS. The Bidder will provide detailed structured reports of findings of deficiencies and recommendations for remediation or mitigation. The awarded Bidder shall assist the CISS Project Management Team with assessing the CISS Project methodologies, planning and executions, assessing implementation quality and evaluating quality and compliance of deliverables as outlined in Exhibit A.

The contract resulting from this ITB replaces the following contract award(s) in part or in total: 16PSX0160

Bid Requirements

1. Quantities and/or Usages

Any quantities set forth in this ITB are estimated quantities and/or usages only and in no way represent a commitment and/or intent to purchase any particular amount. Actual quantities may vary and will be identified on individual purchase orders issued by the requesting entity.

2. Brand Name Specifications and/or References

The use of the name of a manufacturer or of any particular make, model or brand in describing an item does not restrict bidders to that manufacturer or specific article unless limited by the term "no substitute". However, the article being offered must be of such character and quality so that it will serve the purpose for which it is to be used equally as well as that specified, and the bidder shall warrant to the State that it is fit for that purpose. Bids on comparable items must clearly state the exact article being offered including any and all applicable options and the bidder shall furnish such other information concerning the article being offered as will be helpful in evaluating its acceptability for the purpose intended. If the bidder does not indicate that the article offered is other than as specified, it will be understood that the bidder is offering the article exactly as specified. Bidders must submit complete documentation on the specifications and quality levels of the proposed products. Bids submitted that do not contain this documentation are subject to rejection.

3. Lowest Responsible Qualified Bidder; Micro Business Preference

The contract resulting from this ITB will be awarded to the lowest responsible qualified bidder. The qualities of articles to be supplied, their conformity with the needed specifications, their suitability to the requirements of the State government and the delivery terms will be taken into consideration, and the life-cycle costs and trade-in or resale value of the articles may be considered where it appears to be in the best interest of the State. In determining the lowest responsible qualified bidder, a price preference of up to ten per cent (10%) may be given for the purchase of the goods or services from micro businesses, or up to fifteen per cent (15%) in the case of "veteran-owned" (as described below) micro businesses. Micro business means a business with gross revenues not exceeding three million dollars (\$3,000,000) in the most recently completed fiscal year.

To be considered for the ten percent (10%) price preference, bidders must submit prior to the bid due date a copy of their Internal Revenue Service tax return form for the most recently completed fiscal year, confirming the amount of their gross revenues for that fiscal year. Failure to provide such tax return prior to the bid due date will deny bidder consideration for the ten per cent (10%) price preference. For bidders who have not yet filed their tax return for the most recently completed fiscal year, in lieu of a tax return, a letter from a Certified Public Accountant attesting to the bidder's gross estimated revenues for the most recently completed fiscal year will be accepted.

To be considered for the fifteen per cent (15%) price preference, bidders must submit prior to the bid due date a copy of their current certification from the Connecticut State Department of Veteran Affairs as to both "veteran-owned" and "micro business" status. "Veteran-owned" micro business means a micro business of which at least fifty-one per cent (51%) of the ownership is held by one or more "veterans" of the "armed forces." In accordance with Section 27-103(a) of the Connecticut General Statutes, "veterans" means any person honorably discharged, or released under honorable conditions, from active service in the armed forces and "armed forces" means the United States Army, Navy, Marine Corps, Coast Guard and Air Force and any reserve component thereof, including the Connecticut National Guard. Interested bidders may obtain the Certification Application by visiting: www.ct.gov/ctva and selecting "Veteran Owned Micro Business" option. Failure to provide such certification prior to the bid due date will deny bidder consideration for this price preference.

4. Stability of Bid Prices

Any price offerings from bidders must be valid for a period of 30 days from the due date of the bid.

5. Amendment or Cancellation of the ITB

DAS reserves the right to cancel, amend, modify or otherwise change this ITB at any time if it deems it to be in the best interest of the State to do so.

6. Bid Modifications

No additions or changes to any bid will be allowed after the bid due date, unless such modification is specifically requested by DAS. DAS, at its option, may seek bidder retraction and/or clarification of any discrepancy or contradiction found during its review of bids.

7. Bidder Presentation of Supporting Evidence

Bidders must be prepared to provide any evidence of experience, performance, ability, and/or financial surety that DAS deems to be necessary or appropriate to fully establish the performance capabilities represented in their bids.

8. Bidder Demonstration of Services and/or Products

At the discretion of DAS, bidders must be able to confirm their ability to provide all services bid. Any required confirmation must be provided at a site approved by DAS.

9. Erroneous Awards

DAS reserves the right to correct inaccurate awards.

10. Bid Expenses

Bidders are responsible for all costs and expenses incurred in the preparation of bids and for any subsequent work on the bid that is required by DAS.

11. Ownership of Bids

All bids shall become the sole property of the State and will not be returned.

12. Ownership of Subsequent Products

Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this ITB shall be the sole property of the State unless otherwise stated in the contract.

13. Oral Agreement or Arrangements

Any alleged oral agreements or arrangements made by bidders with any State agency or employee will be disregarded in any State bid evaluation or associated award.

Award Criteria

Pursuant to CGS 4a-59 and DAS Procurement Regulations 4a-52-8 and 4a-52-18, the award shall be made to the lowest, responsible qualified bidder. The following factors, in descending order of relative importance, will be considered in the evaluation to determine the lowest, responsible qualified bidder:

- (a) Pricing
- (b) The conformity of the supplies, materials, equipment or contractual services to the specifications
- (c) Bidder's past performance
- (d) Bidder's financial responsibility
- (e) Bidder's compliance with staffing requirements and staffing continuity

DAS may award by individual item, group of items, or the entirety of all items. DAS may also reject any and all bids in whole or in part, and waive minor irregularities and omissions if, in the judgment of DAS, the best interest of the state will be served.
