4. GENERAL CONDITIONS

4.1 BID PRICE

Please complete the Bid Pricing Chart to submit your cost. (Attachment II)

4.2 PROPOSAL COMPLIANCE

- CRT shall be the sole judge as to whether any and all bids comply with these specifications, and as such a decision shall be final and conclusive. Bidders shall state in their bid any exceptions taken to the Bid specifications.
- All terms and conditions of this bid will be incorporated into any subsequent contract between CRT and the bidder. If the bid and contract are found to be in conflict, these terms and conditions shall prevail.

4.3 RIGHT OF REJECTION

- This is not an offer to contract. Acceptance of a proposal neither commits CRT toward a contract to any bidder, even if all requirements stated in this bid are met, nor limits the right to negotiate in the best interest of CRT. CRT, in its sole and absolute discretion, reserves the right not to contract with any bidder for any reason.
- CRT also reserves the right, in its sole and absolute discretion, to accept or reject any and all bids in whole or in part, to waive any irregularity and/or informality in any bid and to request and receive

additional information from any bidder when such acceptance, rejection, waiver or request as deemed by CRT to be in the best interest of CRT.

- The Department Head or designee may reject or accept any and all bids in whole or in part or to waive any informality in bids received if in their opinion, it is deemed in the best interest of the organization to do so.

4.4 METHOD OF AWARD

- Bids will be awarded to the most responsible, responsive and qualified bidder as determined by CRT.
- CRT reserves the right to split the Bid Award if it is in the organization's best interest.
- The start date shall be a factor considered in awarding a Contract and may result in an award offered to a vendor other than the low bidder.
- Until a contract has been executed, no vendor can claim any contract rights by virtue of the receipt of the notice of acceptance of proposal alone. Awarding of the contract shall mean that a contract agreement has been executed by both the accepted vendor and CRT.
- In the event that there is a discrepancy between price written in words and in figures, the price written in words shall govern.

4.5 FAMILIARITY WITH LAWS, SITE CONDITIONS AND DOCUMENTS

Each bidder is required to be familiar with and to comply with the terms and conditions of the specifications and all other contract documents and with all Federal, State and Local Laws, Ordinances or Regulations which in any manner relate to the furnishing of the equipment, material or services in accordance with the Contract.

4.6 QUALIFICATION OF BIDDER

CRT may make such investigations as it deems necessary to determine the ability of the bidder to perform the work. The bidder shall furnish to CRT all such information necessary to complete this investigation as the organization may request. CRT reserves the right to reject any or all bidders if the evidence submitted by, or investigation of vendor fails

to satisfy CRT that such bidder is qualified to carry out the obligations of the contract and to the work contemplated therein.

4.7 ERRORS, INTERPRETATIONS AND ADDENDA

All information given by CRT except by written addenda shall be informal and shall not be binding upon CRT nor shall it furnish a basis for legal action by any bidder against CRT.

4.8 TRADE NAMES OR SUBCONTRACTING

- Any and all reference to trade names, types, styles, models or catalogs are intended to be descriptive only and not restrictive unless item is noted "no substitute". The intention is to indicate to bidders the minimum requirements of type and quality of the articles and/or materials that will be satisfactory. Bids received on other brand/trade names will be considered unless item is noted "no substitute". The bidder is to clearly state in her/his bid exactly what she/he intends to furnish, and to furnish with her/his bid a cut or illustration or other descriptive matter which will clearly indicate and give specification as to the product she/he proposes to furnish.
- Where a bid is offered on an item other than the trade standard used in the specification, the item should be annotated on the bid form by referencing an addendum which states the brand/trade name. Samples are to be submitted, if requested, at the bidder's expense. It is understood that any substitutes which might be offered are guaranteed by the bidder to be of equal or better quality than is requested in the bid. It shall be further understood that during original, as well as subsequent shipments, spot checks will be performed to ensure that the items received are, in fact, the items offered in the bid. Should items/materials prove to be different in any way, the bidder agrees to pay for and accept the return of the items and agrees to supply the correct items (per bid specifications) at bidder's expense.
- The Contractor shall not subcontract the work under this project without written approval of the Chief Financial Officer (CFO) or his designee.

4.9 INDEMNIFICATION

The selected bidder shall at all times indemnify and hold harmless CRT and its officers, agents and employees on account of and from any and

all claims, damages, losses, judgments, workers' compensation payments, litigation expenses and legal counsel fees arising out of injuries to persons (including death) or damage to property.

4.10 RIGHT OF THE OWNER TO TERMINATE CONTRACT

- Failure of a contractor to deliver within the time specified or to deliver within the time extended by CRT, and failure to make replacements of rejected articles when so requested, immediately or as directed by CRT shall constitute contract default.
- In the event of default or that any of the provisions of this Contract are violated by the Vendor, or by any of his Subcontractors, CRT may serve written notice upon the Vendor of their intention to terminate the Contract, such notices shall contain the reasons for such intention to terminate the Contract, and unless within five (5) days after the serving of such notice upon the Contractor, such violation or delay shall cease and satisfactory arrangement of correction be made, the Contract shall, upon expiration of said five (5) days, cease and terminate. In the event of any such termination, CRT shall immediately serve notice thereof upon the Vendor.
- If contract is terminated, CRT reserves the right to award bid to next lowest responsible bidder or purchase on the open market. In either event, the defaulting contractor (or his surety) shall be liable to CRT for cost to CRT in excess of the defaulted contract prices.

4.11 RISK OF LOSS

Bidders agree to bear all risk of loss; injury or destruction of goods and material ordered herein which occurs prior to acceptance. Such loss, injury or destruction shall not release the bidder from any obligation under this bid.

4.11 INSURANCE AND WAGE REQUIREMENTS

- Bidder shall provide proof of Commercial General Liability Insurance, Commercial Automobile Insurance, Workers Compensation and Employers Liability Insurance with limits acceptable to CRT and name "Community Renewal Team, Inc. 555 Windsor Street, Hartford, CT 06120" as additional insured on the Certificate of Insurance.

Selected vendor shall provide a Certificate and other evidence of such insurance to CRT at the signing of the agreement and upon demand any time thereafter during the duration of this agreement in amounts acceptable to CRT not less than the following:

4.12 EQUAL OPPORTUNITY – AFFIRMATIVE ACTION

4.13 CONFIDENTIAL INFORMATION

During the course of its contract with CRT, bidder may encounter confidential agency and/or client information. Bidder agrees, as a condition of this bid to save and protect any such confidential information, shall hold the same in confidence, shall not use the Confidential Information other than for the purposes of its business with CRT, and shall not disclose it to anyone without the specific prior written authorization of CRT.

4.14 LIQUIDATED DAMAGES

It is understood and agreed that if production is delayed that damages will be uncertain and difficult to ascertain, and it is agreed that the reasonable foreseeable value of such delays would be the sum of One Hundred and Fifty Dollars (\$150.00) per day for each day's delay in fully completing said project beyond the time specified in a subsequent written agreement, plus any written extensions of time allowed by CRT.
