- B. Scope Changes. During the Term of this Agreement, the University may unilaterally require, by written order, changes altering, adding to, or deducting from the Services, provided that such changes are consistent in character and within the general scope of the services to be provided under this Agreement.

XIII. TERMINATION

- A. Termination.
 - 1. For Convenience. The University may, upon sixty (60) days' written notice, terminate performance of work under the Contract in whole or in part whenever, for any reason, the University shall determine that such termination is in the best interest of the University and/or the State of Connecticut.
 - 2. For Non-appropriations of Funds. If funds needed for the continued payment by the University of the amounts that would become under this Contract are at any time not forthcoming or insufficient, either due to the Connecticut Legislature declining to provide funds or due to the alteration of the program under which funds were provided, then the University shall have the right to terminate the contract without penalty on thirty (30) days' written notice documenting the lack of funding. In such event, and unless otherwise agreed to, the Contract shall become null and void on the last day of the fiscal year for which appropriations were received; provided, however, that if an appropriation to cover the costs of this Contract becomes available within sixty (60) days subsequent to termination under this clause, the University and Contractor agree to reestablish a contract under the same provisions, terms and conditions of this Contract. This paragraph shall survive termination of this Contract.
 - 3. For Cause. The University may terminate this Agreement, in whole or in part, for cause. Such termination shall be effected as follows:
 - a. The University shall provide the Contractor with a Notice to Cure citing the instances of noncompliance with the Contract. The Contractor shall have ten (10) days to reply to the Notice to Cure and indicate why the Contract should not be terminated and recommend remedies to be taken.

- b. If the Contractor and the University reach an agreed upon solution, the Contractor shall then have thirty (30) days after such agreement to effect such solution.
- c. If a mutually agreed upon solution cannot be reached within ten (10) days of receipt of Notice to Cure by the Contractor, the University may terminate the Agreement by written notice to the Contractor.
- d. If the mutually agreed upon solution described above is not implemented within thirty (30) days from the date of such agreement, the University may, at its option, and without limiting its remedies under this Agreement or at law or equity, (i) terminate the Agreement by written notice to the Contractor or (ii) procure the subject goods or services from another source and charge any cost difference to the Contractor.

B. Obligations of Contractor upon Termination by the University.

1. Upon the date of termination, the Contractor shall cease the performance of Services as directed by the University, and take all actions that are necessary or appropriate, or that the University may reasonably direct, for the protection and preservation of University property. Except as otherwise instructed by the University, the Contractor shall terminate any subcontracts entered into by the Contractor in connection with the Services and shall not enter into any further subcontracts, purchase orders or commitments as regards this Agreement.
2. Upon request by the University, the Contractor shall deliver to the University all records and other information pertaining to its performance, and remove from the University's premises, whether leased or owned, all of Contractor's property, waste material and rubbish related to Contractor's performance, all when and as the University may request.

C. Payment in the Event of Termination.

1. If the University terminates this Agreement for convenience as provided in Section A.1 of this Section XIII or for non-appropriation of funds as provided in section A.2 of this Article, the Contractor shall be entitled to receive, as its sole remedy, (i) all amounts due and owing as of the effective date of termination plus (ii) an amount equal to the Contractor's actual and reasonable costs incurred after the effective date of termination to protect and preserve the Service Locations, if and as requested by the University. The Contractor hereby waives and forfeits all other claims for payment and damages including, without limitation, anticipated profits.
2. If the University terminates this Agreement "for cause" under Section A.3 of this Section XIII, the amounts due and owing as of the effective date of termination, if any, shall be withheld until such time as the University is able to determine any and all damages sustained by the University which arise from such breach. In the case of a termination for cause, Contractor shall be responsible for (a) any and all costs and expenses incurred by the University to engage another contractor to perform such Services in excess of the price that would have been paid to the Contractor under the terms of this Agreement for such Services and (b) all such other costs, expenses, liabilities and damages incurred by the University which arise as a result of the Contractor's noncompliance and/or nonperformance under this Agreement. Once the University has determined the total amount of such damages, the amount, if any, due and owing to the Contractor on the effective date of termination shall be reduced by the amount of such damages. If the damages exceed such amount due, the Contractor shall promptly pay to the University the amount of such excess. If such amount due exceeds the University's damages, the University shall remit payment to the Contractor in the amount of such excess. Under no circumstances shall the Contractor be entitled to receive, nor shall the University be obligated to tender to the Contractor, any payments for anticipated or lost profits.

- D. Setoff. In addition to all other remedies that University may have, the University, in its sole discretion, may set off: (1) any costs or expenses that the University incurs resulting from the Contractor's unexcused nonperformance under this Agreement and under any other agreement or arrangement that the Contractor has with the University or the State of Connecticut or any agency thereof, including without limitation attorneys' fees and legal costs, and (2) any other amounts that are due or may become due from the University to the Contractor, against amounts otherwise due or that may become due to the Contractor under this Agreement, or under any other agreement or arrangement that the Contractor has with the University, the State of Connecticut or agency thereof. The University's right of setoff shall not be deemed to be the University's exclusive remedy for the Contractor's breach of this Agreement, and all other remedies that the University may have under law or equity shall survive any setoffs by the University.

XIV. DISPUTE RESOLUTION

A. Mediation of Disputes.

In the event of any disputes arise between the parties under this Agreement, the parties agree to use the following procedure prior to and as a precondition to either party pursuing any other available remedies, including arbitration or litigation.

The parties acknowledge and agree that nothing in the RFP or this Agreement shall be construed as a modification, compromise or waiver by the State of any rights or defenses or any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers or employees, which they may have had, now have or will have with respect to all matters arising out of this Agreement. To the extent that this Article XIV Section B conflicts with any other section of this Agreement, this section shall govern.

3. University's Claims Against the Contractor. Should the University have a claim against the Contractor which has not been resolved by mediation or any other procedure set forth in this Agreement, the parties agree that the University will have the option of either prosecuting the claim against the Contractor in an appropriate court of general jurisdiction in the State of Connecticut as selected by the University, or by filing a demand for arbitration pursuant to the Commercial Rules of the American Arbitration Association which arbitration shall take place in Mansfield, Hartford or such other location in the State of Connecticut as selected by the University. CAMPAIGN CONTRIBUTION AND SOLICITATION LIMITATIONS

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee (which includes town committees).

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

On and after January 1, 2011, no state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall **knowingly solicit** contributions from the state contractor's or prospective state contractor's employees or from a *subcontractor or principals of the subcontractor* on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

DUTY TO INFORM

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

PENALTIES FOR VIOLATIONS

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—Up to \$2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to \$2,000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than \$5,000 in fines, or both.

CONTRACT CONSEQUENCES

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
