**CONTRACT COMPLIANCE REGULATIONS  
NOTIFICATION TO BIDDERS**

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the CONN. GEN. STAT.; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the CONN. GEN. STAT. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies which establish a procedure for the awarding of all contracts covered by Sections 4a-60 and 46a-71(d) of the CONN. GEN. STAT.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the Contract Compliance Requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors, and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the CONN. GEN. STAT. as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of section 32-9n.” Minority groups are defined in section 32-9n of the CONN. GEN. STAT. as “(1) Black Americans... (2) Hispanic Americans... (3) persons who have origins in the Iberian Peninsula... (4) Women... (5) Asian Pacific American and Pacific Islanders; (6) American Indians...” A business owned by an individual(s) with a physical disability is also a minority business enterprise as provided by Section 32-9e of the CONN. GEN. STAT. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (A) the bidder’s success in implementing an affirmative action plan;
- (B) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 inclusive, of the Regulations of Connecticut State Agencies;
- (C) the bidder’s promise to develop and implement a successful affirmative action plan;
- (D) the bidder’s submission of EEO-1 data indicating that the composition of its workforce is at or near parity when compared to the racial and gender composition of the workforce in the relevant labor market area; and,
- (E) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

---

**INSTRUCTIONS AND OTHER INFORMATION**

**The following two (2) sided BIDDER CONTRACT COMPLIANCE MONITORING REPORT must be completed in full, signed, and submitted with the bid for this contract.**

The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained thereon to determine the bidder’s compliance to Sections 4a-60 and 4a-60a CONN. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidder’s “good faith efforts” to include minority business enterprises as subcontractors and suppliers for the work of the contract.

**1) Definition of Small Contractor**

Section 32-9e CONN. GEN. STAT. defines a small contractor as a company that has been doing business under the same management and control and has maintained its principal place of business in Connecticut for a one year period immediately prior to its application for certification under this section, had gross revenues not exceeding ten million dollars in the most recently completed fiscal year, and at least fifty-one percent of the ownership of which is held by a person or persons who are active in the daily affairs of the company, and have the power to direct the management and policies of the company, except that a non-profit corporation shall be construed to be a small contractor if such nonprofit corporation meets the requirements of subparagraphs (A) and (B) of subdivision 32-9e CONN. REGULATIONS OF CONNECTICUT STATE AGENCIES  
DEPARTMENT OF LABOR  
CONSTRUCTION SAFETY

Section 1. The Regulations of Connecticut State Agencies are amended by adding sections 31-53b-1 to 31-53b-5, inclusive, as follows:

(NEW) §31-53b-1. Definitions.

As used in sections 31-53b-1 through 31-53b-5, inclusive, of the Regulations of Connecticut State Agencies:

- (1) “Certified payroll” means a certified payroll required to be submitted to the contracting agency pursuant to section 31-53(f) of the Connecticut General Statutes;
- (2) “Completion document” means a card, document, certificate or other written record issued by the federal Occupational Safety and Health Administration, or by the Federal Mine Safety and Health Administration in accordance with 30 CFR 48, or in the case of telecommunications employees, in accordance with 29 CFR 1910.268, evidencing that a person subject to these regulations has completed a construction safety and health course, program or training;
- (3) “Construction safety and health course, program or training” means a course, program or training in construction safety or health of at least ten hours duration approved by the federal Occupational Safety and Health Administration, or a new miner training program approved by the Federal Mine Safety and Health Administration in accordance with 30 CFR 48 or, in the case of telecommunications employees, at least ten hours of training in accordance with 29 CFR 1910.268;
- (4) “Employee” means “employee” as defined in section 31-71a(2) of the Connecticut General Statutes;
- (5) “Labor Commissioner” means the Commissioner of the Connecticut Department of Labor;
- (6) “Mechanic,” “laborer,” or “worker” means any individual engaged in the duties of a mechanic, laborer or worker, pursuant to the classifications of labor under Section 31-53 of the Connecticut General Statutes, but does not mean an employee of a public service company, as defined in section 16-1 of the Connecticut General Statutes, or drivers of commercial motor vehicles driving such vehicles on public works projects and delivering or picking up cargo from such projects, provided that such drivers perform no labor relating to the projects other than the loading and the unloading of their cargo;
- (7) “Public works project” means a public works project to which subsection (g) of section 31-53 of the Connecticut General Statutes applies.

(NEW) §31-53b-2. Construction Safety Course, Program or Training

(a) Any person performing the duties of a mechanic, laborer or worker on a public works project shall be required, as a condition of performing such work, to demonstrate compliance with section 31-53b of the Connecticut General Statutes by having completed a construction safety and health course, program or training, as appropriate.

(b) Proof of course, program or training completion shall be demonstrated through the presentation of a course, program or training completion document.

(c) For purposes of these regulations, any completion document with an issuance date more than five years prior to the commencement date of such public works project shall not constitute compliance with section 31-53b of the Connecticut General Statutes and this section.

(NEW) §31-53b-3. Contractor Responsibility

Each contractor subject to section 31-53b of the Connecticut General Statutes shall furnish proof, as provided in subsection (b) of section 31-53b-2 of the Regulations of Connecticut State Agencies, with the weekly certified payroll form for the first week that each person who performs the duties of a mechanic, laborer or worker begins work on the public works project.

(NEW) §31-53b-4. Certified Payroll.

For each person who performs the duties of a mechanic, laborer or worker on a public works project subject to section 31-53 of the Connecticut General Statutes, the employer shall affix a copy of the construction safety course, program or training completion document to the certified payroll required to be submitted to the contracting agency for such project on which such employee's name first appears.

(NEW) §31-53b-5. Penalty.

Notwithstanding subsection (a) of section 31-53b-2 of the Regulations of Connecticut State Agencies, any person performing the duties of a mechanic, laborer or worker on a public works project without proof of course, program or training completion as provided in said section shall be subject to removal from the worksite if such person does not provide such proof to the Labor Commissioner by the fifteenth day after the date the employee is determined to be in noncompliance with these regulations. Any such person who is determined to be in noncompliance with these regulations may continue to work on a public works project for a maximum of fourteen consecutive calendar days while bringing his status into compliance.

STATEMENT OF PURPOSE: These proposed amendments to the Regulations of Connecticut State Agencies implement the provisions of Conn. Gen. Stat. §31-53b. These regulations are new, and will not change existing regulations. They address the broad concern that workers in the very dangerous construction industry be as safe as possible.

They require the completion of the appropriate training course or program for any individual who performs the duties of a mechanic, laborer or worker on a covered public works project within five years of the commencement date of the public works project. These regulations, pursuant to § 31-53b, do not apply to employees of public service companies, as defined in section 16-1 of the 2008 supplement to the general statutes, or drivers of commercial motor vehicles driving said vehicles on public works projects and delivering or picking up cargo from public works projects, provided they perform no labor relating to the project other than the loading and unloading of their cargo.

These regulations specify that the safety training requirement applies to any public works project within the meaning of Subsection (g) of Section 31-53 of the Connecticut General Statutes.

These regulations require "completion documents," which evidence the completion of the required safety and health course or program by individuals performing the duties of a mechanic, laborer or worker on a public works project. Such completion documents may be issued in accordance with federal Occupational Safety and Health Administration Training Institute standards, or in accordance with Federal Mine Safety and Health Administration Standards or in accordance with 29 CFR 1910.268, as appropriate. The regulations require that each contractor subject to section 31-53b of the Connecticut General Statutes shall affix a copy of said

completion document to the weekly certified payroll form on which said mechanic's, laborer's or worker's name first appears for submission to the contracting agency for such public works project.

Lastly, these regulations specify the penalty that may be imposed in the event of noncompliance with the statute by a mechanic, laborer or worker on a public works project. Such a person who does not possess a satisfactory completion document shall be subject to removal from the worksite, if such person does not provide proof of compliance to the Labor Commissioner by the fifteenth day after the date the person is determined by the agency to be in noncompliance with these regulations.

November 29, 2006

**Notice**  
**To All Mason Contractors and Interested Parties**  
**Regarding Construction Pursuant to Section 31-53 of the**  
**Connecticut General Statutes (Prevailing Wage)**

The Connecticut Labor Department Wage and Workplace Standards Division is empowered to enforce the prevailing wage rates on projects covered by the above referenced statute.

Over the past few years the Division has withheld enforcement of the rate in effect for workers who operate a forklift on a prevailing wage rate project due to a potential jurisdictional dispute.

The rate listed in the schedules and in our Occupational Bulletin (see enclosed) has been as follows:

**Forklift Operator:**

- **Laborers (Group 4) Mason Tenders** - operates forklift solely to assist a mason to a maximum height of nine feet only.
- **Power Equipment Operator (Group 9)** - operates forklift to assist any trade and to assist a mason to a height over nine feet.

The U.S. Labor Department conducted a survey of rates in Connecticut but it has not been published and the rate in effect remains as outlined in the above Occupational Bulletin.

*Since this is a classification matter and not one of jurisdiction, effective January 1, 2007 the Connecticut Labor Department will enforce the rate on each schedule in accordance with our statutory authority.*

Your cooperation in filing appropriate and accurate certified payrolls is appreciated.

Substitute Senate Bill No. 318

Public Act No. 14-44

AN ACT CONCERNING ELECTRONIC PREVAILING WAGE NOTICES, INFORMATION AND RECORDS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. Section 31-53 of the 2014 supplement to the general statutes is repealed and the following is substituted in lieu thereof(Effective July 1, 2015):

(a) Each contract for the construction, remodeling, refinishing, refurbishing, rehabilitation, alteration or repair of any public works project by the state or any of its agents, or by any political subdivision of the state or any of its agents, shall contain the following provision: "The wages paid on an hourly basis to any person performing the work of any mechanic, laborer or worker on the work herein contracted to be done and the amount of payment or contribution paid or payable on behalf of each such person to any employee welfare fund, as defined in subsection (i) of this section, shall be at a rate equal to the rate customary or prevailing for the same work in the same trade or occupation in the town in which such public works project is being constructed. Any contractor who is not obligated by agreement to make payment or contribution on behalf of such persons to any such employee welfare fund shall pay to each mechanic, laborer or worker as part of such person's wages the amount of payment or contribution for such person's classification on each pay day. "

(b) Any contractor or subcontractor who knowingly or wilfully employs any mechanic, laborer or worker in the construction, remodeling, refinishing, refurbishing, rehabilitation, alteration or repair of any public works project for or on behalf of the state or any of its agents, or any political subdivision of the state or any of its agents, at a rate of wage on an hourly basis that is less than the rate customary or prevailing for the same work in the same trade or occupation in the town in which such public works project is being constructed, remodeled, refinished, refurbished, rehabilitated, altered or repaired, or who fails to pay the amount of payment or contributions paid or payable on behalf of each such person to any employee welfare fund, or in lieu thereof to the person, as provided by subsection (a) of this section, shall be fined not less than two thousand five hundred dollars but not more than five thousand dollars for each offense and (1) for the first violation, shall be disqualified from bidding on contracts with the state or any political subdivision until the contractor or subcontractor has made full restitution of the back wages owed to such persons and for an additional six months thereafter, and (2) for subsequent violations, shall be disqualified from bidding on contracts with the state or any political subdivision until the contractor or subcontractor has made full restitution of the back wages owed to such persons

and for not less than an additional two years thereafter. In addition, if it is found by the contracting officer representing the state or political subdivision of the state that any mechanic, laborer or worker employed by the contractor or any subcontractor directly on the site for the work covered by the contract has been or is being paid a rate of wages less than the rate of wages required by the contract to be paid as required by this section, the state or contracting political subdivision of the state may (A) by written or electronic notice to the contractor, terminate such contractor's right to proceed with the work or such part of the work as to which there has been a failure to pay said required wages and to prosecute the work to completion by contract or otherwise, and the contractor and the contractor's sureties shall be liable to the state or the contracting political subdivision for any excess costs occasioned the state or the contracting political subdivision thereby, or (B) withhold payment of money to the contractor or subcontractor. The contracting department of the state or the political subdivision of the state shall, not later than two days after taking such action, notify the Labor Commissioner, in writing or electronically, of the name of the contractor or subcontractor, the project involved, the location of the work, the violations involved, the date the contract was terminated, and steps taken to collect the required wages.

(c)The Labor Commissioner may make complaint to the proper prosecuting authorities for the violation of any provision of subsection (b) of this section.

(d)For the purpose of predetermining the prevailing rate of wage on an hourly basis and the amount of payment or contributions paid or payable on behalf of each person to any employee welfare fund, as defined in subsection (i) of this section, in each town where such contract is to be performed, the Labor Commissioner shall (1) hold a hearing at any required time to determine the prevailing rate of wages on an hourly basis and the amount of payment or contributions paid or payable on behalf of each person to any employee welfare fund, as defined in subsection (i) of this section, upon any public work within any specified area, and shall establish classifications of skilled, semiskilled and ordinary labor, or (2) adopt and use such appropriate and applicable prevailing wage rate determinations as have been made by the Secretary of Labor of the United States under the provisions of the Davis-Bacon Act, as amended.

(e)The Labor Commissioner shall determine the prevailing rate of wages on an hourly basis and the amount of payment or contributions paid or payable on behalf of such person to any employee welfare fund, as defined in subsection (i) of this section, in each locality where any such public work is to be constructed, and the agent empowered to let such contract shall contact the Labor Commissioner, at least ten but not more than twenty days prior to the date such contracts will be advertised for bid, to ascertain the proper rate of wages and amount of employee welfare fund payments or contributions and shall include such rate of wage on an hourly basis and the amount of payment or contributions paid or payable on behalf of each person to any employee welfare fund, as defined in subsection (i) of this section, or in lieu thereof the amount to be paid directly to each person for such payment or contributions as provided in subsection (a) of this section for all classifications of labor in the proposal for the contract. The rate of wage on an hourly basis and the amount of payment or contributions to any employee welfare fund, as defined in subsection (i) of this section, or cash in lieu thereof, as provided in subsection (a) of this section, shall, at all times, be considered as the minimum rate for the

classification for which it was established. Prior to the award of any contract, purchase order, bid package or other designation subject to the provisions of this section, such agent shall certify [in writing] to the Labor Commissioner, either in writing or electronically, the total dollar amount of work to be done in connection with such public works project, regardless of whether such project consists of one or more contracts. Upon the award of any contract subject to the provisions of this section, the contractor to whom such contract is awarded shall certify, under oath, to the Labor Commissioner the pay scale to be used by such contractor and any of the contractor's subcontractors for work to be performed under such contract.

(f) Each employer subject to the provisions of this section or section 31-54 shall (1) keep, maintain and preserve such records relating to the wages and hours worked by each person performing the work of any mechanic, laborer and worker and a schedule of the occupation or work classification at which each person performing the work of any mechanic, laborer or worker on the project is employed during each work day and week in such manner and form as the Labor Commissioner establishes to assure the proper payments due to such persons or employee welfare funds under this section or section 31-54, regardless of any contractual relationship alleged to exist between the contractor and such person, provided such employer shall have the option of keeping, maintaining and preserving such records in an electronic format, and (2) submit monthly to the contracting agency by mail, electronic mail or other method accepted by such agency, a certified payroll that shall consist of a complete copy of such records accompanied by [an original] a statement signed by the employer that indicates (A) such records are correct; (B) the rate of wages paid to each person performing the work of any mechanic, laborer or worker and the amount of payment or contributions paid or payable on behalf of each such person to any employee welfare fund, as defined in subsection (i) of this section, are not less than the prevailing rate of wages and the amount of payment or contributions paid or payable on behalf of each such person to any employee welfare fund, as determined by the Labor Commissioner pursuant to subsection (d) of this section, and not less than those required by the contract to be paid; (C) the employer has complied with the provisions of this section and section 31-54; (D) each such person is covered by a workers' compensation insurance policy for the duration of such person's employment, which shall be demonstrated by submitting to the contracting agency the name of the workers' compensation insurance carrier covering each such person, the effective and expiration dates of each policy and each policy number; (E) the employer does not receive kickbacks, as defined in 41 USC 52, from any employee or employee welfare fund; and (F) pursuant to the provisions of section 53a-157a, the employer is aware that filing a certified payroll which the employer knows to be false is a class D felony for which the employer may be fined up to five thousand dollars, imprisoned for up to five years, or both. This subsection shall not be construed to prohibit a general contractor from relying on the certification of a lower tier subcontractor, provided the general contractor shall not be exempted from the provisions of section 53a-157a if the general contractor knowingly relies upon a subcontractor's false certification. Notwithstanding the provisions of section 1-210, the certified payroll shall be considered a public record and every person shall have the right to inspect and copy such records in accordance with the provisions of section 1-212. The provisions of subsections (a) and (b) of section 31-59 and sections 31-66 and 31-69 that are not inconsistent with the provisions of this section or section 31-54 apply to this section. Failing to file a certified payroll pursuant to subdivision (2) of this subsection is a

class D felony for which the employer may be fined up to five thousand dollars, imprisoned for up to five years, or both.

(g)Any contractor who is required by the Labor Department to make any payment as a result of a subcontractor's failure to pay wages or benefits, or any subcontractor who is required by the Labor Department to make any payment as a result of a lower tier subcontractor's failure to pay wages or benefits, may bring a civil action in the Superior Court to recover no more than the damages sustained by reason of making such payment, together with costs and a reasonable attorney's fee.

(h)The provisions of this section do not apply where the total cost of all work to be performed by all contractors and subcontractors in connection with new construction of any public works project is less than four hundred thousand dollars or where the total cost of all work to be performed by all contractors and subcontractors in connection with any remodeling, refinishing, refurbishing, rehabilitation, alteration or repair of any public works project is less than one hundred thousand dollars.

(i)As used in this section and section 31-54, "employee welfare fund" means any trust fund established by one or more employers and one or more labor organizations or one or more other third parties not affiliated with the employers to provide from moneys in the fund, whether through the purchase of insurance or annuity contracts or otherwise, benefits under an employee welfare plan; provided such term shall not include any such fund where the trustee, or all of the trustees, are subject to supervision by the Banking Commissioner of this state or any other state or the Comptroller of the Currency of the United States or the Board of Governors of the Federal Reserve System, and "benefits under an employee welfare plan" means one or more benefits or services under any plan established or maintained for persons performing the work of any mechanics, laborers or workers or their families or dependents, or for both, including, but not limited to, medical, surgical or hospital care benefits; benefits in the event of sickness, accident, disability or death; benefits in the event of unemployment, or retirement benefits.
