## SECTION I – GENERAL INFORMATION

- The Enfield Housing Authority will be accepting proposals from qualified individuals or firms that can provide professional services for an on-call Architectural Service/MEP/Structural for the Enfield Housing Authority on an as-needed basis. The basic scope of services includes but is not limited to all facets of building design required by the Enfield Housing Authority as part of ongoing maintenance, capital outlay or capital projects for the Enfield Housing Authority. The information provided herein will summarize Enfield Housing Authority requirements and assist qualified firms in responding to this Request for Qualifications.
- The Enfield Housing Authority will utilize program reserves in combination with funding EHA will seek through CHFA, DOH and other sources for use in capital projects. Work projects typically involve renovation of existing facilities, but occasionally may include new construction. Typical projects may involve interior and exterior building renovations such as roof replacement, kitchen and bathroom improvements, electrical and fire alarm improvements, mechanical upgrades, etc., all using energy efficient design solutions; site work including parking lots, sidewalks, site lighting, landscaping and security enhancements. Occasional office renovations or other work projects are undertaken.
- Maximum value of any assignments will not exceed \$250,000.00 per year. The services of the Respondent shall be utilized at the sole discretion of the Enfield Housing Authority as deemed to be in the Enfield Housing Authority's best interest for a given project. The Enfield Housing Authority makes no guarantee of the assignments associated with this Request for Qualifications. The Enfield Housing Authority expects to retain at least two (2) firms under this agreement in order to ensure that Enfield Housing Authority's needs for said services can be satisfied. The Enfield Housing Authority (EHA) at its sole discretion shall award work as deemed to be in its best interests

## SECTION II – CONSULTANT'S SERVICES

- The Respondent/Respondent's Team shall perform Architectural/MEP/Structural Services on an as-needed basis at approved hourly rates according to instructions received from the Enfield Housing Authority. The Respondent's services shall include all incidental services except those reimbursable as negotiated with the EHA prior to commencement of each project.
- If additional services are required in order to accomplish the basic services outlined in a project order, the Respondent shall obtain and make available to the Enfield Housing Authority, fee proposals from qualified sub-consultants, acceptable to the Enfield Housing Authority and, upon approval from the respective Enfield Housing Authority, contract for those services. The Respondents mark-up on sub-consultant fee shall be limited to 10%.
- Duration of this contract shall be for three (3) years, with the possibility for extensions on an annual basis for an additional two (2) years based on satisfactory performance by the selected Respondent.

- All drawings, reports, data, and other documents prepared by the Respondent according to this Agreement shall be submitted to the Enfield Housing Authority for its review and approval. Resulting work products of the Respondent pursuant to this solicitation shall become property of the Enfield Housing Authority.
- No such approval shall in any way be construed to relieve the Respondent of responsibility for technical adequacy or operate as a waiver of any of the Enfield Housing Authority's rights under this Agreement. The Respondent shall remain liable to the Enfield Housing Authority according to applicable laws and practices for all damages to the Enfield Housing Authority caused by the Respondent's negligent performance of any of the services furnished under this Agreement.

### **SCOPE OF WORK**

For each discrete project, the Enfield Housing Authority intends to contract with an Architect professional to:

- Meet with selected Enfield Housing Authority Staff to determine requirements and explain alternatives and concepts. Existing building documentation including utility billing will be examined as available.
