

Addendum #2 - March 27, 2019

Project #561094

Automated Teller Machines at ECSU

Questions:

- What exact model is being extracted from Webb Hall? We don't know. we cannot give you the dimensions, bank has the key, you can measure from the outside.
- Is it possible to obtain a picture of the unit currently in the Student Center? It has been removed.
- In recent years to present, is the enrollment holding steady? Increasing? Decreasing? Enrollment is flat at this time.
- Given the current surcharge of \$1.50 compared to the market average of approximately \$3.00, will a \$3.00 surcharge be considered or are you looking to keep it low for students and faculty? If not, would you disclose an optimal surcharge cap? The University will evaluate all qualified offers. We are not establishing a price or a cap. Are there any cash restrictions at any of the campus shops or cafes (i.e. digital payment only)? no restrictions
