

TOWN OF HAMDEN

CONNECTICUT

Addendum #1
BID #2872
PORTABLE TOILET RENTAL
Hamden, Connecticut

Question #1:

It appears the bid ask for a total lump sum price. In reviewing the bid I don't see specific dates of services needed other than its about 15-20 locations.

Is it possible to get a more detailed scope of service in order to more accurately price the bid? How many and how long do the toilets stay on site? Additionally how many toilets roughly are used for the Events?

Answer: We would like a price per unit per month, including handicap units (when needed)
