## Request for Proposal

### ADDENDUM

Proposal No.: 2019-19

Addendum No.: 1

Date Issued: 4/5/2019

#### Depository and Banking Services

Opening Date and Time: April 18, 2019 @ 2:00 P.M.

**Bidders Notes:** This Addendum is issued to provide all bidders with notice of answers to questions submitted by interested parties.

**Question 1:** When we spoke a few months ago about funding for a watershed management plan, you indicated that the City received a NFWF Long Island Sound Futures Fund grant in the amount of \$35,000 towards development of a watershed management plan.

Has the City secured any additional funding, and what is the total amount allocated for consultant services for this project?

If insufficient funding is available to develop a full EPA nine elements watershed based plan, as stated in the RFP, would the City consider phasing the project and using the NFWF grant funding to complete the first phase, with additional future funding to be secured for completion of the project?

**Answer:** The City of New London is in the process of identifying other funding sources for this project and the City would consider phasing out the project.

All other terms and conditions remain the same.

**This Addendum cover page must be signed and returned with proposal.**
