1. BACKGROUND

The primary mission of the Connecticut Health Insurance Exchange d/b/a Access Health CT (“Access Health CT” or the “Exchange”), Connecticut’s official state-based health insurance marketplace, is to increase the number of insured residents in Connecticut, promote positive health outcomes, lower costs, and eliminate health disparities. To accomplish this mission and meet certain requirements of the Patient Protection and Affordable Care Act (“ACA”), Access Health has developed an online shopping and enrollment experience for state residents and small businesses, as well as an extensive marketing and communication infrastructure, to raise awareness of health insurance options and facilitate consumer enrollment into healthcare coverage.

Our Values in Action

At Access Health CT, it is with our customers and our employees in mind that we seek to promote these collective values and to live by these behaviors. Our culture of acceptance welcomes and values everyone. We challenge the status quo to find new ways to grow and improve our community, our company and ourselves. Our people take pride in the service we provide, and in the spirit of the common good that we share.

- ❖ **Authenticity:** Act with sincerity, credibility and self-awareness
- ❖ **Integrity:** Commit to doing the right thing with genuine intention
- ❖ **Excellence:** Aim high and challenge the status quo
- ❖ **Ownership:** Take responsibility and initiative
- ❖ **One Team:** Collaborate to succeed
- ❖ **Passion:** Dedication to creating opportunities for great health and well-being

2. SCOPE OF WORK

Access Health CT will require the selected Respondent to perform the following projects annually during the term of the Contract:

1. Standard Plan Design Development and Actuarial Value Certification

- Calculate the Federal Actuarial Value (AV) of AHCT's current standard plan designs (PY 2020) for both Medical and Standalone Dental to evaluate necessary changes to comply with AV for plan year 2021. Compliance with the Federal Actuarial Value Calculator is required for all Qualified Health Plans (QHPs) offered by Access Health CT under the Affordable Care Act. Additional requirements under Mental Health Parity must also be met by QHPs and are included in analysis for standard plan design development.
- Anticipate, identify and model unique scenarios to show potential viability of alternative plan designs while maintaining compliance with Federal AV requirements.
- Use market trend and utilization analysis to suggest different approaches to plan design to help diversify consumer choice.
- Estimate impact to premium of any changes to standard medical or standalone dental plan designs from 2020 to 2021.
- Prepare and present materials to the Exchange's advisory committees and Board of Directors.
- Present and participate in advisory committee and board of director meetings as requested, and any other meetings with internal staff or carrier representation as necessary.
- Provide medical and dental actuarial value certification reports.

2. Rate Review and Consumer Impact Study

- Review both on- and off-Exchange rate filings, where applicable, for carriers participating on the individual and small group medical insurance markets in Connecticut for the applicable plan year. This includes a review of comments from the Connecticut Department of Insurance regarding current rate filings and any modifications to rate filings, and final rate filings to summarize final rate changes. This process may include dialogue with issuers as appropriate to clarify questions in advance of rate filing finalization.
- Review and analyze trend and consumer premium impact before and after subsidies. Vendor will calculate and summarize rate increases or decreases from plan year to plan year by rating area and plan type on both individual and small group markets.
- Summarize the impact of rate changes on consumers in the individual market who are eligible for subsidies
- Consult with Exchange staff and prepare Consumer Impact report to be presented to the Access Health CT Board of Directors meeting.

The Exchange will provide the following materials to the vendor preparing the report to support analyses for the Rate Review and Consumer Impact Study:

- Rate table templates for plan years

- Plan and benefit templates
- Network templates
- Service area templates (unless all plans are offered state-wide)
- Plan ID Crosswalk template with mapping approach for consumers who will no longer be offered their current plan, if applicable
- Enrollment data by plan to support consumer premium impact analysis.

3. Adverse Selection Study

The Adverse Selection Study is a statutory requirement from Connecticut General Statute § 38a-1084 (25). This statute requires AHCT to:

- *Report at least annually to the General Assembly on the effect of adverse selection on the operations of the exchange and make legislative recommendations, if necessary, to reduce the negative impact from any such adverse selection on the sustainability of the exchange, including recommendations to ensure that regulation of insurers and health benefit plans are similar for qualified health plans offered through the exchange and health benefit plans offered outside the exchange. The exchange shall evaluate whether adverse selection is occurring with respect to health benefit plans that are grandfathered under the Affordable Care Act, self-insured plans, plans sold through the exchange and plans sold outside the exchange.*
- Respondent will be responsible for an in-person presentation to the Exchange’s Board of Directors following the submission of the final Adverse Selection Study Report to the Exchange.

In addition, the Exchange seeks the following functions:

1. Plan management responsibilities as needed
2. Advisory capacity
3. Ad-hoc research requests as needed
 - AHCT may request additional ad-hoc analysis as needed on topics including but not limited to the individual and small group markets, plan design, market stabilization, federal waivers under section 1332, and others. These requests are submitted by AHCT and defined by an additional scope of work to be agreed upon by AHCT and the selected vendor.

The selected Respondent must enter into a contract with the Exchange, substantially in the form of contract set forth in Appendix A (the “Contract”). The term of the Contract will not exceed three (3) years.

5. ADDITIONAL TERMS AND CONDITIONS

I. Ownership of Proposals

All Proposals (including Pricing Proposals) will become the sole property of the Exchange and will not be returned.

II. Amendment or Cancellation of this RFP

Issuance of this RFP does not guarantee that the Exchange will award a Contract to any Respondent. The Exchange reserves the right to withdraw, re-bid, extend or otherwise modify the RFP or the related schedule and process, in any manner, solely at its discretion.

The Exchange also reserves the right to:

- Consider any source of information in evaluating Proposals;
- Omit any planned evaluation step if, in the Exchange's view, the step is not needed;
- At its sole discretion, reject any or all Proposals at any time; and
- Open contract discussions with other Respondent(s) if the Exchange and the first selected Respondent(s) are unable to agree on contract terms.

III. Errors

The Exchange reserves the right to correct clerical or administrative errors that may be made during the evaluation of Proposals or during the negotiation of the Contract and to change the Contract award accordingly. In addition, the Exchange reserves the right to re-evaluate Proposals and the award of the Contract in light of information either not previously known or otherwise not taken into account prior to the Contract award. This may include, in extreme circumstances, revoking the awarding of the Contract already made to a firm and subsequently awarding the Contract to another firm.

Such action on the part of the Exchange shall not constitute a breach of contract on the part of the Exchange since the Contract with the initial firm would be deemed void and of no effect as if no contract ever existed between the Exchange and such firm.

The Exchange may waive minor irregularities found in Proposals or allow the Respondent to correct them, depending on which is in the best interest of the Exchange. "Minor irregularities" means typographical errors, informalities that are matters of form rather than substance and evident from the Proposal itself, and insignificant mistakes that can be waived or corrected without prejudice to other Respondents, as determined in the sole discretion of the Exchange.

IV. Freedom of Information

The Exchange is a quasi-public agency and its records, including responses to this RFP, are public records. See Conn. Gen. Stat. §§ 1-200, *et seq.*, and especially §§ 1-210(b)(4) and 1-210(b)(5)(B). Due regard will be given to the protection of proprietary or confidential information contained in all Proposals received. All materials associated with this RFP, however, are subject to the terms

of the Connecticut Freedom of Information Act (“FOIA”) and all applicable rules, regulations and administrative decisions. If a firm is interested in preserving the confidentiality of any part of its Proposal, it will not be sufficient merely to state generally in the Proposal that the Proposal is proprietary or confidential in nature and not, therefore, subject to release to third parties. Instead, the firm must specifically identify those sentences, paragraphs, pages or sections that a firm believes to be exempt from disclosure under FOIA. Convincing explanation and rationale sufficient to justify each exemption consistent with § 1-210(b) of FOIA must accompany the Proposal. Any submitted Proposal and the fully executed Contract will be considered public information and subject to FOIA. The Exchange has no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The firm has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the Exchange have any liability for the disclosure of any documents or information in its possession that the Exchange believes are required to be disclosed pursuant to FOIA or any other law.

V. **Notice of State Certification Requirements**

- A. The selected firm must execute a Gift and Campaign Contribution Certification (Ethics Form 1), attached as **Appendix B**, contemporaneously with the Contract and deliver them together to the Exchange. Please do not submit a signed Ethics Form 1 with your Proposal; it is included in the RFP for informational purposes only.
- B. Each Respondent must deliver a Consulting Agreement Affidavit (Ethics Form 5), attached as **Appendix C**, with its Proposal. The selected firm(s) must amend Ethics Form 5 whenever the firm enters into any new consulting agreement during the term of the Contract.
- C. With regard to a large state contract, as defined in Conn. Gen. Stat. § 4-250, and pursuant to Public Act 13-162, each Respondent, if applicable, must certify that it has not made certain investments in Iran, and deliver an executed Iran Certification (Ethics Form 7), attached as **Appendix D**, with its Proposal.
- D. With regard to a state contract, as defined in Public Act No. 07-1, having a value in a calendar year of \$50,000 or more or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to the Proposal in response to this RFP must expressly acknowledge receipt of the State Elections Enforcement Commission’s notice, as attached in **Appendix E**, advising prospective state vendors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice.
- E. Pursuant to Conn. Gen. Stat. §§ 4a-60(a)(1) and 4a-60a(a)(1), as amended by Public Act 07-245 and Sections 9 and 10 of Public Act 07-142, every vendor is required to provide the State of Connecticut with documentation to support the vendor’s nondiscrimination agreements and warranties. Copies of two certification forms (one for businesses submitting a response to this RFP and one for individuals submitting a response to this RFP) that will satisfy these requirements are attached to this RFP as **Appendix F**. An authorized signatory of the selected firm(s) must sign the applicable certification form and submit it to the Exchange with its Proposal.

VI. Execution of Contract

This RFP is the instrument through which the Exchange solicits Proposals. This RFP is not a contract. Upon the Exchange's selection of a Respondent firm, the firm must enter into a contract with the Exchange substantially in the form of the Contract set out in **Appendix A**. The selected firm's Proposal and this RFP may serve as the basis for additional Contract terms. If the Exchange and selected firm(s) fail to reach agreement on Contract terms within a time determined solely by the Exchange, then the Exchange may commence and conclude contract negotiations with other Respondents. The Exchange may decide at any time to start this RFP process again.

VII. Subletting or Assigning of Contract

The Contract or any portion thereof, or the work provided for therein, or the right, title, or interest of the firm therein or thereto may not be sublet, sold, transferred, assigned or otherwise disposed of to any person or entity without the prior written consent of the Exchange. No person or entity, other than the firm to which the Contract was awarded, is permitted to perform work without the prior written approval of the Exchange.

VIII. Compliance with Federal, State and Other Requirements

In the Contract, the firm will represent and warrant that, at all pertinent and relevant times to the Contract, it has been, is and will continue to be in full compliance with all codes, statutes, acts, ordinances, judgments, decrees, injunctions and regulations of federal, state, municipal or other governmental departments, commissions, boards, bureaus, agencies or instrumentalities.

IX. Executive Orders

The Contract shall be subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, the provisions of Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973 and the provisions of Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999.

Upon the request of the Exchange, the Contractor shall augment the remaining staff with staff acceptable to the Exchange.
3. Time of Performance and Term.
 - a. The Contractor shall perform the Services at such times and in such sequence as may be reasonably requested by the Exchange. The Contractor shall comply with any timeline or deadlines set forth in each Statement of Work.

4. Termination.

- a. Notwithstanding any other provision of this Agreement, the Exchange may terminate this Agreement at any time for any reason. - b. Upon receipt of written notification of termination from the Exchange, the Contractor shall immediately cease to perform the Services (unless otherwise directed by the Exchange in the notice). Upon written request from the Exchange, the Contractor shall assemble and deliver to the Exchange all Records (as defined in Section 8(a) below) in its possession or custody; with the exception of one copy being retained to keep record of obligations, as soon as possible and no later than thirty (30) days following the receipt of a written termination notice, together with a final invoice for Services performed to date.

This right of setoff shall not be deemed to be the Exchange's exclusive remedy for the Contractor's breach of this Agreement, all of which remedies shall survive any setoffs.

6. Cross Default.

this Agreement and waive any objection to venue based on the grounds of *forum non conveniens* or otherwise.

- c. Waivers will only be effective if they are in writing and signed by the party against whom the waiver or consent is to be enforced. No waiver given by any party under this Agreement will be construed as a continuing waiver of such provision or of any other or subsequent breach of or failure to comply with any provision of this Agreement.
- i. Nothing in this Agreement will be construed as a modification, compromise or waiver by the Exchange of any rights or defenses or any immunities provided by federal or state law to the

Exchange or any of its officers and employees. To the extent that this Section conflicts with any other section, this Section will govern.

- j. The captions in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Agreement or the scope of content of any of its provisions.

PENALTIES FOR VIOLATIONS

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—Up to \$2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to \$2,000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than \$5,000 in fines, or both.

CONTRACT CONSEQUENCES

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
