Task 1B: Annual SPCC Training

Facilities with an above ground oil storage capacity of 1,320 gallons or greater are subject to federal oil pollution prevention regulations in 40 Code of Federal Regulations (CFR) Part 112. The Public Works Garage and Public Works Maintenance Garage have SPCC Plans and require annual training for oil handling personnel.

Provide a training session on the same day as SPPP training of Task 1A at both the Public Works Garage and Public Works Maintenance Garage. Those who should attend include all personnel involved with the operation and maintenance of oil storage containers/tanks (including operation of equipment related to oil storage containers/tanks), and who respond to spills/leaks from oil storage containers/tanks. Training will cover, at a minimum, the following items below.

- (1) Operation and maintenance of equipment to prevent discharge
- (2) Discharge procedure protocol
- (3) Applicable pollution control laws, rules, and regulations,
- (4) General facility operations
- (5) Contents of the facility SPCC Plan

Record attendance on a training sign-in log for the Town of Hamden to maintain on-site as training documentation.

Task 2: Semi-annual Stormwater Monitoring with Visual Sample Collection

The Stormwater Industrial General Permit requires continued (from permit issuance October, 2011) semi-annual monitoring until the average concentration of pollutants in the four most recent samples is less than the stormwater industrial general permit benchmarks. Stormwater Industrial General Permit semi-annual monitoring periods are October 1 through March 31, and April 1 through September 30.

Collect two (2) sets of requisite semi-annual samples from established monitoring outfalls at the Town of Hamden Public Works Garage, Public Works Maintenance Garage, and Transfer Station/Landfill. Collect samples during the following periods:

- April 1 – September 30
- October 1 – March 31

This testing protocol assumes the same time frames with the reissuance of the existing Industrial regulations on October 2019. Should the parameters or testing change, the testing item may be reexamined.

Deliver semi-annual samples to a CT state certified laboratory for testing required under the Stormwater Industrial General Permit. Upon receipt of laboratory results, prepare the CT DEEP Stormwater Monitoring Report (SMR) for each sampling outfall for the Town of Hamden submission to CT DEEP.

Revised April 9, 2019

Task 3: Visual Stormwater Monitoring

Perform quarterly visual monitoring four (4) times for the Public Works Garage and Public Works Maintenance Garage (two at the same time as the semi-annual monitoring event and two during alternate quarters), and twice for the Transfer Station (concurrent with collection of semi-annual sample collection). Document the results/findings for the Town of Hamden records. Note that quarterly visual sampling is required for the entire permit term.

Task 4: Semi-Annual Stormwater Inspections

Conduct two sets of semi-annual inspections for the three Town facilities (identified above) covered under the Stormwater Industrial General Permit using forms found in each facility's SPPP. Any deficiencies will be immediately communicated to the Pollution Prevention Team. Monthly (as well as weekly and quarterly for the Transfer Station) inspections are also required under the Stormwater Industrial General Permit. The Town of Hamden is responsible for conducting these inspections.

Task 5: Permit Renewal

The current plan is scheduled to expire on September 30, 2019. The Commissioner of the Connecticut Department of Energy and Environmental Protection intends to reissue a new industrial general permit with modifications prior to the expiration of the current permit. If a new industrial general permit is issued, provide updates as required to the existing Stormwater Pollution Prevention Plan (SPPP).

CT DEEP Permit fees for renewal will be borne by the Town.

Title VIII further requires programs and activities relating to housing and community development to be administered to affirmatively further fair housing.
3. **Prohibition Against Payments of Bonus or Commission.** The funds paid to Contractor shall not be used in the payment of any bonus or commission for the purpose of obtaining HUD approval of the application for such assistance, or HUD approval of applications for additional assistance, or any other approval or concurrence of HUD required under this AGREEMENT, Title I of the Housing and Community Development Act of 1974, as amended, or HUD regulations with respect thereto; it being understood, however, that reasonable fees or bona fide technical, consultant, managerial or other such services, are not hereby prohibited if otherwise eligible as program costs.
4. **"Section 3" Compliance in the Provision of Training Employment and Business Opportunities.** Every application, recipient, contracting party, contractor, and subcontractor shall incorporate, or cause to be incorporated, in all contracts, the following clause (referred to as a Section 3 clause):

d) The CONTRACTOR will include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for or recipient of Federal financial assistance, take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the Secretary of Housing and Urban Development, 24 CFR Part 135. The CONTRACTOR will not subcontract with any subcontractor unless the subcontractor has been found in violation of regulations under 24 CFR Part 135 and will not let any subcontract unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

e) Compliance with the provisions of Section 3, the regulations set forth in 24 CFR Part 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of the Contract, shall be a condition of the Federal financial assistance provided to the project, binding upon the applicant or recipient for such assistance, its successors, and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its contractors and subcontractors, its successors, and assigns to those sanctions specified by the grant or loan agreement or contract through which Federal assistance is provided, and to such sanctions as are specified by 24 CFR Part 135.

5. **Prevailing Salaries.** The CONTRACTOR shall be solely responsible for the determination of staff classifications and employ staff in relation to its personnel practices and salary ranges, including fringe benefits, in accordance with the Agreement.
6. **Anti-Kickback Rules.** Salaries of architects, draftsmen, technical engineers, technicians, laborers and mechanics performing work under this Agreement shall be paid unconditionally, and not less often than once a week, without deductions as are mandatory by law or permitted by the applicable regulations issued by the Secretary of Labor pursuant to the Copeland "Anti-Kickback Act" (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR, Part 3). 7. **Non-Discrimination in Employment.** During the performance of this Contract, the CONTRACTOR agrees as follows:

a) The CONTRACTOR shall not discriminate against any employee or applicant for employment because of race, creed, color, sex or national origin. The CONTRACTOR shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, creed, color, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, transfer, recruiting or recruitment advertising, layoff, termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. The CONTRACTOR agrees to post in conspicuous places available to employees and applicants for employment notices to be provided, setting forth the provisions of this Non-Discrimination in Employment Clause.

b) The CONTRACTOR shall, in all solicitations or advertisements for employees placed by or in behalf of the CONTRACTOR; state that all qualified applicants will receive consideration for employment without regard to race, creed, color, sex, or national origin.

c) The CONTRACTOR shall comply with all provisions of Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity", as amended by Executive Order 11375 and Executive Order 12086, as supplemented in Department of Labor Regulations (41 (CFR, Part 60), and all of the rules, regulations and relevant orders of the President's Committee of Equal Employment Opportunity in effect as of the date of this Agreement; and the CONTRACTOR shall furnish all information and reports required herein, and shall on demand permit access to its books, records, and accounts, in its possession or control, by TOWN and the said Committee for purposes of investigation to ascertain compliance with such rules, regulations and orders.

d) The CONTRACTOR will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the Contract Compliance Officer advising the said labor union or workers' representative of the CONTRACTOR'S commitment under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

e) In the event the CONTRACTOR'S noncompliance with the non-discrimination sections of the contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the CONTRACTOR may be declared ineligible for further Government contracts or federally assisted construction contract procedures authorized in Executive Order 11246 of September 4, 1965, or by rule, regulations, or order of the Secretary of Labor, or as otherwise provided by law.

f) The Contractor will include the portion of the sentence immediately preceding paragraph (a) and the provisions of paragraph (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 25, 1965, as amended by Executive Order 11375 and 12086, so that such provisions will be binding upon each subcontractor or vendor. The CONTRACTOR will take such action with respect to any subcontractor or purchase order as the Department may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Department, the contractor may request the United States to enter into such litigation to protect the interest of the United States.

g) The CONTRACTOR further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 or September 24, 1965, as amended by Executive Orders 11375 and 12086, with a subcontractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the executive order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon CONTRACTOR and subcontractors by the Department of the Secretary of Labor pursuant to Part II, subpart D of the Executive Order.

h) No person in the United States shall on the ground of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to the discrimination under any program or activity funded in whole or in part with funds made available under this title. Any prohibition against discrimination on the basis of age under the Age Discrimination Act of 1975, as amended, or with respect to an otherwise qualified handicapped individual as provided in Section 504 of the Rehabilitation Act of 1973, as amended, shall also apply to any such program or activity. Remedies described in Section 109 of the Housing and Community Development Act of 1974, as amended, as the regulations issued pursuant thereto, (24 CFR Section 570.601) shall apply, if failure to comply with this paragraph has been determined.
