

TOWN OF HAMDEN

CONNECTICUT

Addendum #3

Bid #2878

Stormwater Industrial General Permit Compliance Services and SPCC Training
Hamden, Connecticut

Bid # 2878 Stormwater Industrial General Permit Compliance Services and SPCC Training has been extended until Tuesday June 18th, 2019.

*Question 1: How many **Outfalls** are there for the following properties:*

- a. **Public Works Garage:** There are 4 outfalls, we are currently only required to sample 1, 3, and 6 (please see the last report and the SPCC p. 3 and 4). While we are not required to sample all of them at this time, please provide a unit price to sample each if we need to update and sample others.
- b. **PW Maintenance Garage:** There are 4 outfalls, while we are not required to sample at this time, please provide a unit price to sample each if we need to update and sample others.
- c. **Transfer Station/Landfill:** We are only required to sample outfall 1. While we are not required to sample all of them at this time, please provide a unit price to sample each if we need to update and sample others.

*Question 2: Are there any **MS4 locations** on any of the properties on this Bid?*

Not in this bid.

*Question 3: Can the existing/current **Stormwater Permit** be made available?*

Attached.

*Question 4: The bid specifies a **Bid Bond (page 5)**, which is rare for Stormwater type bid work, is this required or an error?*

No Bid Bond is required

*Question 5: There is a **Performance Bond (page 7)** listed for Stormwater (SW) Inspections & Training which is also uncommon. Is this required or an error?*

No Performance Bond is required

*Question 6: On the Price Sheet (page 24) – is the price for **Permit Renewal (Task 5)** listed only for Stormwater or does this price/figure need to include Spill Prevention, Control, and Countermeasure (SPCC) Plan update/s?*

- d. This is for permit renewal. (need price for renewal. While the permit is being extended to 2021, formal action has not reached the Town.)**
- e. SPCC plan updates are part of task 1A.**

The SPCC plans and reports are attached documents.
