**Notes:**

Ground Surface and Top of PVC elevations presented in Table 1 were surveyed in September of 2010.

Groundwater elevations measured prior to the September 2010 survey were based on former site grade and therefore are not applicable to sampling rounds conducted in 2008 and 2009.

\* Found on 9/12/2012

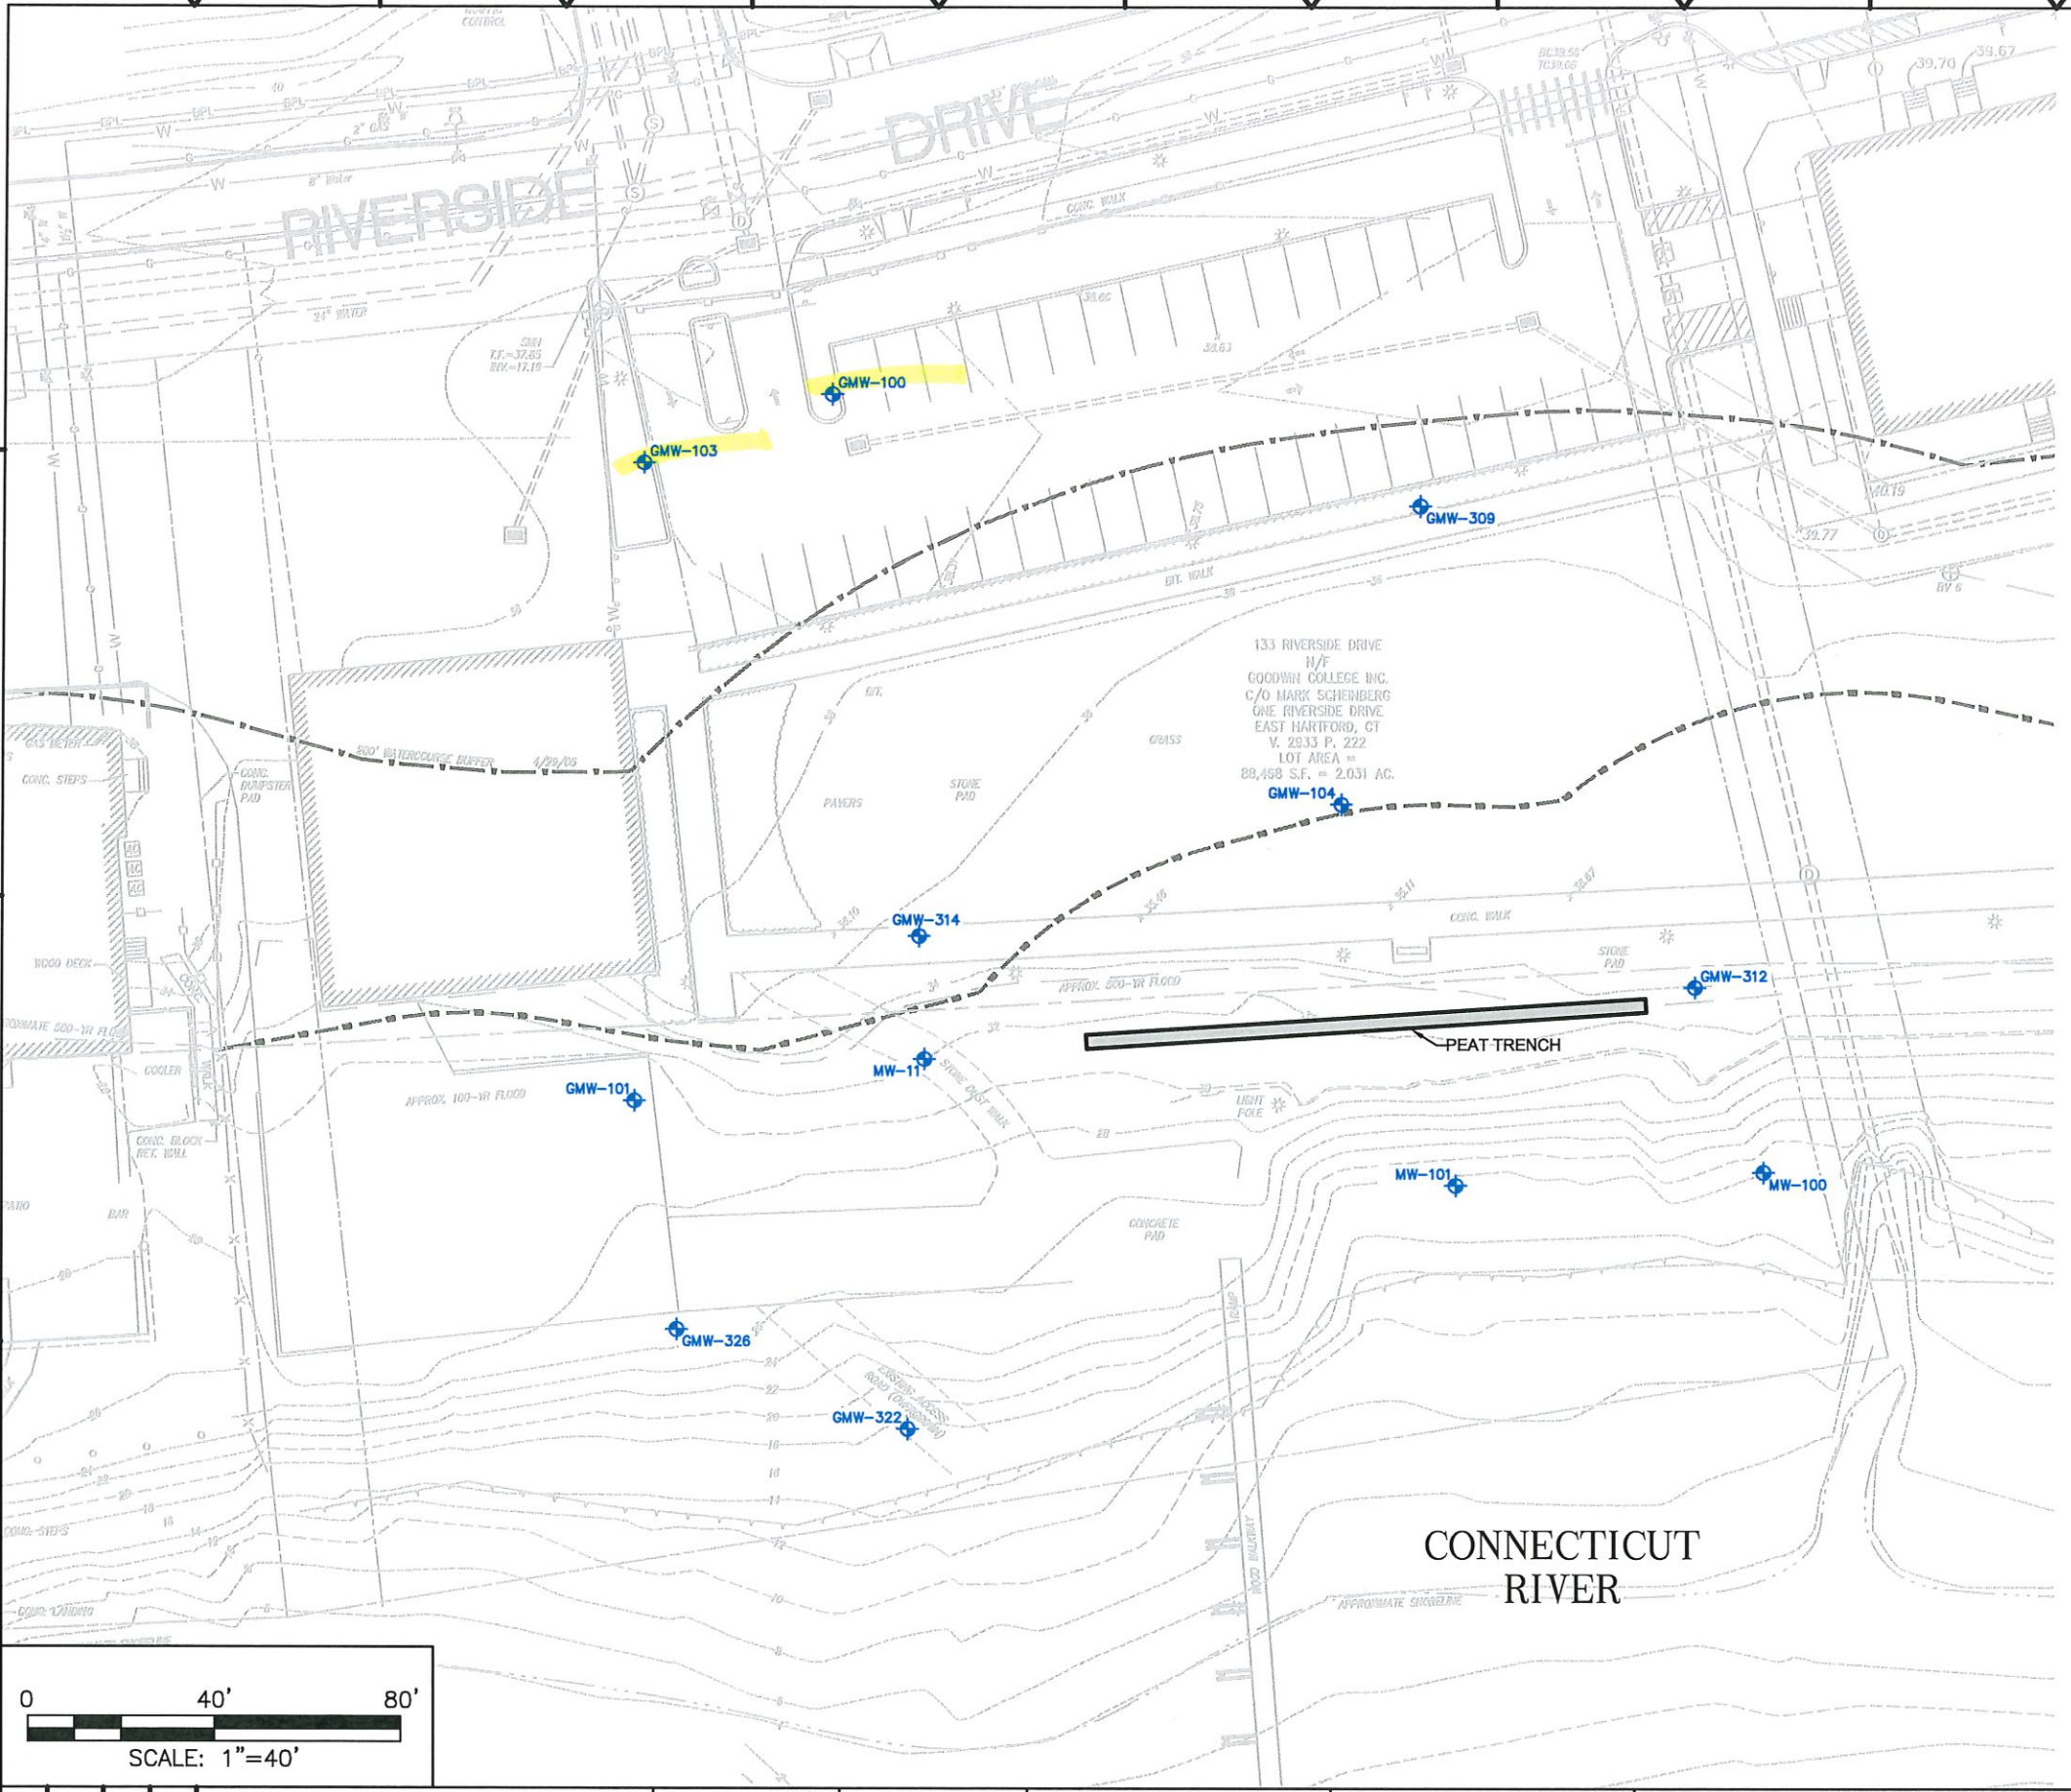

\*\* Elevation of Top of PVC Casing elevations presented in Table 1 were resurveyed in September of 2012

\*\*\* Monitoring well destroyed

^ Reading was not used in the groundwater contour map

NM - not measured

ND - not detected
