The insurance will remain in effect during the entire duration of this Contract and for eight (8) years after substantial completion of the Project. For policies written on a "Claims Made" basis, the Contractor agrees to maintain a retroactive date prior to or equal to the effective date of this Contract. The Contractor will contractually require any architectural or engineering firm it hires to maintain professional liability insurance in the same amount and with the same provisions indicated above. The Contractor's policy will provide coverage for the Contractor's obligation under Section 7.8 of this Contract to indemnify and hold harmless the University and the State, and their employees and agents, from claims, liabilities, demands, damages, costs or expenses (including all reasonable attorney's fees) to the extent caused by or resulting from any negligent act or omission of the Contractor or anyone for whom the Contractor is responsible in the performance of this Contract, and each policy held by a Contractor of the Contractor shall provide the same coverage to the extent of such Contractor's negligent acts or omissions.

Each of the policies for the insurance mentioned above will be issued by an insurance company or companies satisfactory to the University and will contain a provision that coverages will not be changed, canceled, or non-renewed until at least thirty (30) calendar days prior written notice has been given to the University. Each insurance policy will state that the insurance company agrees to investigate and defend the insured against all claims for damages to the extent that all alleged damages might be covered by insurance. Such insurance policies will name the State of Connecticut, the University of Connecticut, their officers, officials, employees, agents, boards and commissions as additional insured, except that the University and the State will not be named as an additional insured with respect to the coverage for the statutory workers' compensation and employer's liability insurance. Certificates of insurance shall clearly indicate the title and date of this Agreement or some easily identifiable reference to the Contractor's relationship to the University. Certificates of insurance showing such coverages as required in this section will be filed with the University prior to the time this Agreement is executed on behalf of the University. Upon the request of the University, the Contractor will provide to the University a copy of any of the aforementioned policies, and any endorsements or amendments thereto.

7.27 CONTRACTOR'S INDEMNITY AND ASSUMPTION OF LIABILITY

This indemnification will survive the completion of the Services and termination of this Agreement to the maximum extent allowed by law. Contractor's indemnification obligations shall include, without limitation, a full and complete responsibility for the Services, and any cost, liability or expense incurred by the University arising from the failure of Contractor, its representatives, agents, subcontractors and/or its or its subcontractors' employees to take appropriate and reasonable action to prevent damage to the University or its property. 7.27.4 Nothing in this Article XII will be construed as obligating the Contractor to indemnify or hold harmless any of the parties indemnified under this Article XII against liability for damage arising out of bodily injury to persons or damage to property caused by or resulting from the negligence of such indemnified party, or such party's agents or employees, if such indemnification would be in violation of Connecticut General Statutes §52-572k.

7.27.5 The Contractor's obligations under this Article XII shall survive the termination and expiration of this Agreement.

7.28 License: Any Agreement resulting from this RFP will not grant the Proposer a license or other right to duplicate or use any image or intellectual property of the University in any manner other than as may be expressly approved in writing in connection with the performance of the contract.

- 7.31 Licensed Merchandise: Pre-authorization must be received from the University for the use of University's names, marks, and logos.
- 7.32 Intellectual Property:
- 7.32.1 The Proposer shall pay all royalties, license fees, and patent to invention rights, or copyrights or trade and service marks and defend all suits or claims for the infringement of any patent or invention right or copyrights or trade and service marks involved in the items furnished in any contract resulting from this RFP.
- 7.32.2 The Proposer will hold and save the University and its officers, agents, servants, and employees harmless from liability of any nature or kind, including cost and expenses for, or on account of any patented or unpatented invention, process, article, or appliance furnished in the performance of any contract resulting from this RFP including its use by the owner, unless otherwise specifically stipulated.

- 7.32.4 The University shall retain all rights, title and interest in all its usage, user and biographical data and Proposer shall only use such data to the extent necessary for complying with its obligations to the University unless it otherwise receives express written approval from the University's designee for any other use.
- 7.33 Confidential Information:
- 7.33.1 The University treats Proposals as confidential until after the award is issued. At that time they become subject to disclosure under the Freedom of Information Act. If a Respondent wishes to supply any information, which it believes is exempt from disclosure under the Act, said Respondent should summarize such information in a separate envelope and each page submitted should clearly state "Confidential," but

otherwise be presented in the same manner as the Proposal. However, any such information is provided entirely at the Respondent's own risk and the University assumes no liability for any loss or damage which may result from the University's disclosure at any time of any information provided by the Respondent in connection with its proposal.

7.33.2 The proposer and its employees will not disclose information acquired in connection with the performance of services under this agreement which is proprietary or confidential in nature to the University without written permission from the University. This confidentiality will continue to be in effect even after the contract has been completed or terminated for any reason. Some projects may require additional confidentiality documentation or agreements, which will vary according to the University's needs, legal requirements and scope of work.

7.34 Responsibility of Those Performing the Work:

7.34.1 The Proposer shall be responsible for the acts and omissions of all the Proposer's employees, as well as all other persons involved in performing any tasks associated with the provision of the goods and/or services outlined in this RFP by the Proposer.

7.34.3 The contract awardee, when so determined by the University, shall dismiss incompetent or incorrigible employees from the project, and such persons shall be prohibited from returning to the project without written consent of the University.

7.35 Freedom of Information: While the University may be willing to agree not to disclose the information proactively, the University is subject to the Connecticut Freedom of Information Act, found in Chapter 14 of the Connecticut General Statutes, which may require disclosure, should the document be requested with limited exceptions. Two such exceptions that might apply are as follows: (1) Conn. Gen. Stat. sec. 1-210(b)(24) permits the University to withhold records related to the procurement process while bidding and contract negotiations are underway (this moratorium is temporary and lasts only until the contract has been executed or negotiations are abandoned); and Conn. Gen. Stat. sec. 1-210(b)(5) permits the University to withhold records in its possession in the event they contain trade secrets (or really any intellectual property). In the event that the University determines that Conn. Gen. Stat. sec. 1-210(b)(5) may apply to a given request for the records in question, the responsibility to substantiate claims that said would reveal trade secrets and meet the exemption requirements to would need to be borne by the owner of said trade secrets, not the University. Further, if the entity seeking access to the documents challenges the University's withholding of the document, said owner may be required to prove at the Freedom of Information Commission and/or in a Court of Law, that the release of said trade secrets would be harmful to the owner of the intellectual property or properties in question.

7.36 Mandatory Affidavits: The Office of Policy and Management has created new ethics forms effective August 1, 2007 to assist executive branch agencies in complying with the State of Connecticut's current contracting requirements, pursuant to the Connecticut General Statutes

and Executive Orders of Governor M. Jodi Rell. The University will require the applicable mandatory affidavits to be completed by the Proposer at the time of bid response **and** contract award. The required affidavits are enclosed as part of this document. Detailed information regarding the requirement of such affidavits can also be found on the Office of Policy and Management website:

Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of the Contract as if they had been fully set forth in it. The Contract may also be subject to Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services and to Executive Order No. 49 of Governor Dannel P. Malloy, promulgated May 22, 2015, mandating disclosure of certain gifts to public employees and contributions to certain candidates for office. If Executive Order 14 and/or Executive Order 49 are applicable, they are deemed to be incorporated into and are made a part of the Contract as if they had been fully set forth in it. At the Contractor's request, the University shall provide a copy of these orders to the Contractor.
- 7.39 Ethics and Compliance Reporting/Whistleblower Protection: In accordance with the University's compliance program, the University has in place an anonymous ethics and compliance reporting hotline service – 1-888-685-2637.
