**TO: Prospective Bid Proposers:**

This Addendum forms part of the "Contract Documents" and modifies or clarifies the original "Contract Documents" for this Project dated March 15, 2019. Prospective Bid Proposers shall acknowledge receipt of the total number the Addenda issued for this Project on the space provided on Section 00 41 00 Bid Proposal Form.

Failure to acknowledge receipt of the total number the Addenda issued for this Project on the space provided on Section 00 41 00 Bid Proposal Form shall subject Bid Proposers to disqualification.

The following clarifications are applicable to drawings and specifications for the project referenced above.

**Item 1:**

- The university will be purchasing the brick for the entire project. Phase 1 will be released once the P.O. is issued. That's the first 2 buildings plus 25% for just in case. Once the phase 1 is complete the contractor will be responsible to count the remaining brick and let the university know how much brick should be released for phase 2. The contractor will be responsible for the ties and accessories

**Item 2:**

- Question:** - as discussed in the prebid this morning, I'd ask the State to allow DAS prequalified mason contractors to bid the project. Current bidding is limited to General Building Construction (Group A). The previous brick pinning project on the campus was revised to allow mason contractors to bid, which given the scope of work for both that project as well as this one, seems to make sense.

- Response:** Bidding limited to Contractors Prequalified by DAS for General Building Construction (Group A).

**Item 3:**

Attendance log from the pre-bid conference on 05/20/2019 is attached.

All questions must be **emailed** (not verbal or by phone) to the consulting Architect/Engineer Christopher Williams Architects, Email: [dleonard@cwarchitectsllc.com](mailto:dleonard@cwarchitectsllc.com) with copies sent to the DAS/CS Project Manager Rahul Abraham, Email: [Rahul.Abraham@ct.gov](mailto:Rahul.Abraham@ct.gov)
