**Submission Date:** **July 25, 2019, remains unchanged**

Prospective bidders, and all those concerned, are hereby informed that the following is made a part of the bid documents, which should be amended as follows:

The following questions were received about the bid, with answers following:

1. In order for the mortar to bind, the wall should first be power washed. Are we to carry power washing the wall?

Cleaning must be completed in accordance with the product manufacturer's specifications and recommendations.

2. Is there any water hook up available on site to use?

There is a hose with water available across the street in the island at the fountain.

3. There are no drawing to scale for quantities. Please confirm that we are to carry 3,800 square feet of pointing in our bid.

Yes, the bid is for 3,800 sq. ft. face. The alternate additional square foot face dollar amount will be used for any average on the agreed square footage.

Respectfully submitted,

Jennifer Acquino  
Assistant Town Engineer
