If a vendor wishes to offer a prepayment discount he/she must provide a separate sheet with his/her bid showing the terms of the discount and the advantage to the Town of Groton in accepting this prepayment discount. Prepayment in no way forfeits any right of the Town to complete satisfaction with the purchase nor does it relieve the vendor of any responsibility to perform as required in the bid document.

10. SUPPLEMENTAL INFORMATION

The vendor must submit with their proposals the detailed specifications, descriptive literature and all necessary details on the material/equipment they propose to furnish in order that the Town may have full information available when analyzing the bids. In cases where an item is identified by a manufacturer's name, trade name, catalog number or reference it is understood that the bidder proposes to furnish the item so identified and does not propose to furnish an "equal" unless the proposed "equal" is identified. The reference to the manufacturer's name, trade name or catalog number is intended to be descriptive, not restrictive and is used to indicate to the prospective bidder articles that will be satisfactory. Bids on other makes will be considered provided the bidder clearly states the item being proposed is an exception but an equal on the bid form. The Purchasing Agent reserves the right to approve as an equal or to reject as not being equal any article that the bidder proposes to furnish which contains major or minor variations from the specification requirements.

No bidder will be allowed to offer more than one bid price on each item even though alternate models or styles may meet the specifications. Alternates will be considered only if requested by the Town of Groton.

12. EXCEPTIONS TO SPECIFICATIONS

If the material/equipment offered differs from the provisions contained in this specification, such differences must be explained in detail on the sheets attached to this bid and if such deviations do not depart from the intent of this notice and are in the best interest of the Town, the bid will receive careful consideration. Cost of delivery and removal of samples is to be the responsibility of the bidder. All samples are to be marked "Samples" and delivered to the purchasing office. The package must indicate the name of the bidder, item enclosed and the bid number. If the vendor shall fail to replace or repair any defective or improper merchandise within 30 days from date of notice, the Town may make the necessary corrective arrangements and deduct the cost from money due the vendor or bill the vendor. The vendor agrees to reimburse the Town in such instances. Samples of any warranties or guarantees which will apply to the goods being offered for sale shall be included as part of this bid.

17. BASIS FOR SELECTION OF VENDOR

The Purchasing Office reserves the right to reject the bid of a bidder who has previously failed to perform properly or complete on time bids of a similar nature or a bid of a bidder who upon investigation by the Town has shown that he/she is not in a position to perform the contract. The Town's review procedure in evaluating the bids received will include, but not be limited to, performance review, warranties, maintenance contract content, costs and availability, installation costs, reputation of manufacturer, qualification and experience of personnel, understanding of assignment and work plan, and previous experience. The bidders involved will be notified in writing of when this drawing will be and will be notified in writing of the chosen vendor.

20. AVAILABILITY OF FUNDS

A bid or contract shall be considered executory only to the extent of appropriation available to each agency for the purchase of such articles. The Town's extended obligation on these contracts that anticipate extended funding through successive fiscal periods shall be contingent upon actual appropriations for the following fiscal years. Any bid or contract let for more than one fiscal period is also contingent upon performance of the vendor meeting the specifications. If, in the determination of the Town of Groton, a vendor is not meeting the requirement of the specifications the Town may terminate the bid or contract with 30 days written notice to the vendor. This can occur at any time during the contract period.

21. BID ALTERATIONS/SIDETRACK AGREEMENTS
