Questions

★ Required Questions

Group	Form of Proposal	
1.1.1	Proposer understands that the University reserves the right to reject any and all proposals, waive irregularities or technicalities in any offer, and accept any offer in whole or in part which it deems to be in its best interest.	★
1.1.2	Proposer hereby certifies: (a) that this proposal is genuine and is not made in the interest of or on behalf of any undisclosed person, firm or corporation; (b) that the proposer has not directly or indirectly induced or solicited any other proposer to put in a false or sham bid; (c) that the proposer has not solicited or induced any person, firm or corporation to refrain from bidding; and (d) that the proposer has not sought by collusion to obtain any advantage over any other proposer or over the University.	★
1.1.3	Proposer agrees that the response to this proposal is a legal and binding offer and the authority to make the offer is vested in the signer. Minor differences and informalities will be resolved by negotiation prior to acceptance of the offer.	★
1.1.4	Is proposer currently a State of Connecticut Small Business Enterprise and certified with the State of CT Department of Administrative Services?	★
1.1.5	Please acknowledge by entering "Agree" for payment terms of 2% 15 days, Net 45 days or provide alternate payment terms.	★
1.1.6	Sales Representative Contact Information - please include name, telephone #, email address and attach resume.	★
1.1.7	Confidential Information: The University treats Proposals as confidential until after the award is issued. At that time they become subject to disclosure under the Freedom of Information Act. If a bidder wishes to supply any information, which it believes is exempt from disclosure under the act, said bidder should summarize such information in a separate file, upload here and mark as Confidential. However, any such information is provided entirely at the bidder's own risk and the University assumes no liability for any loss or damage which may result from the University's disclosure at any time of any information provided by the bidder in connection with its proposal.	★
1.1.8	Freedom of Information: The University is subject to the CT Freedom of Information Act, found in Chapter 14 of the CT General Statutes. Two exceptions may apply are as follows: (1) Conn. Gen. Stat. sec. 1-210(b)(24) permits the University to withhold records related to the procurement process while bidding and contract negotiations are underway (this moratorium is temporary and lasts only until the contract has been executed or negotiations are abandoned); and Conn. Gen. Stat. sec. 1-20(b)(5) permits the University to withhold records in its possession in the event they contain trade secrets (or really any intellectual property). In the event that the University determines that Conn. Gen. Stat. sec. 1-210(b)(5) may apply to a given request for the records in questions, the responsibility to substantiate claims that said would reveal trade secrets and meet the exemption requirements would need to be borne by the owner of said trade secrets, not the University.	★
1.1.9	Conflict of Interest: The bidder shall disclose and identify to the University, with its proposal, any relationships, which may constitute a potential conflict of interest with the University of Connecticut Procurement Services Department, or any other University organizations or departments for the purpose of determining whether a conflict of interest exists. All such disclosures require acceptance/approval action on the part of the University, who shall determine, in its sole discretion, whether an impermissible conflict exists.	★
1.1.10	Ethics and Compliance Reporting/Whistleblower Protection: The Office of University Compliance is responsible for handling anonymous ethics and compliance reporting. As a provider of goods and/or services to the University, you are hereby required to notify your employees, as well as any subcontractors, who are involved in the implementation of this contract, of this reporting mechanism. Any person who is aware of unethical practices, fraud, violation of state laws or regulations, or other concerns relating to University policies and procedures can report such matters anonymously using the information provided on their website at https://compliance.uconn.edu	★
1.1.11	Communications: All formal communications in regards to this solicitation must be in writing in the portal. Until the time when the University posts notification of intent to award; all communications in regards to this solicitation must be sent to the Procurement representative via email. Failure to adhere to this provision may result in a proposer being declared ineligible, proposal rejection, or solicitation cancellation.	★

1.1.12 Unless specifically authorized in writing by the University's Communications Department on a case by case basis, the Contractor shall have no right to use, and shall not use, the name of the University of Connecticut, its officials or employees, or the Seal of the University, a) in any advertising, publicity, promotion; nor b) to express or imply any endorsement of Contractor's products or services; nor c) to use the name of the state, its officials or employees or the University seal in any manner (whether or not similar to uses prohibited by subparagraphs (a) and (b) above) except only to manufacture and deliver in accordance with this agreement such items as are hereby contracted by the University. ★

1.1.13 The proposing vendor must certify that no elected or appointed official or employee or student of the University has benefited, or will benefit financially or materially from the proposed services. The University may terminate any contract resulting from this bid, if it is determined that gratuities of any kind were either offered to, or received by, any University officer or employee contract to this policy. The authorized signatory of a submitted proposal automatically attests this to be true. (See also Attachment of Governor Rell's Memo to Vendors Conducting Business with the State of Connecticut). The laws of the State of Connecticut provide it is a felony to offer, promise or give anything of value or benefit to a State employee with intent to influence that employee's acts, opinion, judgment or exercise of discretion with respect to that employee's duty. Evidence of violation of this statute will be turned over to the proper prosecuting attorney. See Code of Ethics in CT ★

Bidders are requested to carefully review the terms and conditions, as they will become part of any subsequent agreement and award process. Contract Status: The response to this solicitation will be considered an offer to contract. Final negotiations on the highest evaluated offer will be conducted to resolve any differences and informalities. The University shall comply with such request provided samples are returned at bidder's sole cost and expense, FOB Bidder's destination, and that they have not been made useless by testing. If they are useless by testing, the State may dispose of the samples as it deems to be appropriate. Samples may be held for comparison with deliveries. ★

The vendor shall have up to ten (10) business days to correct the deficiency. If the vendor continues to be in default, Procurement will have the right to procure the correct goods from another source and charge the difference between the contracted price and the market price to the defaulting vendor. ★
