To be deemed qualified; the contractor must have an overall SAFESTAT category rating of "D" or better, on the date of evaluation. The rates are determined by the number of out-of-service violations cited to the motor carrier in the course of all official, reported vehicle and/or driver inspections conducted during the preceding thirty (30) months. To be deemed qualified, the contractor must not have either a vehicle or driver out-of-service rate, by percentage of out-of-service violations per the total number of inspections reported, that is more than twice the national average. In addition, the contractor must have a current federal safety management practices rating of "Satisfactory," as defined in 49 CFR sections 385.3, as amended. Further information concerning the motor carrier safety evaluation, to which a contractor is subject, may

be obtained from CTDMV at:

<http://www.ct.gov/dmv/cwp/view.asp?a=798&q=413206&dmvPNavCtr=|#49068>.

All official inspection and rating data that is used in the performance of each evaluation is available to any motor carrier through the federal SAFESTAT website, at

<http://www.ai.volpe.dot.gov/>.

4.6.10 Failure to provide evidence of the required qualifications will result in disqualification for non-compliance. Qualification information will be reviewed independently for compliance prior to bid evaluation for price. Additional clarification relating to qualifications may be requested prior to contract award.

4.7 Proposal Selection Evaluation Criteria: All proposals will be evaluated by a selection committee, using the specific evaluation criteria listed below. 6.8.5 Price Increases: Pricing shall remain fixed for the initial term of this Agreement. Submitted pricing shall be all inclusive. The request for increase from the Contractor shall be in writing and shall be, at a minimum, equal to but not greater than the most recent standard wage for those labor classifications published by the CT DOL.

6.8.5.1 Price increases will only be considered on annual basis when:

6.8.5.1.1 Appropriate supporting documentation is provided;

6.8.5.1.2 The University is notified of the increase a minimum of thirty (30) calendar days prior to effective date of an increase;

6.8.5.1.3 All requests for rate adjustments are subject to University review and approval.

6.8.6 Independent Price Determination: Proposer warrants, represents, and certifies that:

6.8.6.1 The proposed costs have been arrived at independently, without consultation, communication, or agreement for the purpose of restricting competition as to any matter relating to such process with any other organization or with any competitor.

6.8.6.2 Unless otherwise required by law, the proposed costs have not been knowingly disclosed by the Proposer on a prior basis directly or indirectly to any other.

6.8.6.3 No attempt has been made, or will be made, by the Proposer to induce any other person or firm to submit or not to submit a proposal for the purpose of restricting competition.

6.9 Review of References: The Proposer is required to provide references from customers who are of comparable size and scope as to the University. The University is particularly interested in references that are institutions of higher education.

6.10 Incorporation of Proposal: Proposals submitted in response to this RFP may, at the University's option, be incorporated into the executed contract.

6.11 Proposal Preparation: The University will assume no cost for proposal preparation and/or submission. All costs will be borne at Proposer's expense.

6.12 Corporate Social Responsibility: In furtherance of its longstanding commitment to fundamental human rights, to the dignity of all people, and to the environment, the University requires all Vendors to adhere to the "[Vendor Code of Conduct](#)" policy.

6.13 Minor Defects: If, during the solicitation and/or evaluation process, the University determines that a particular mandatory requirement may be modified or waived and still allow the University to obtain goods/services that substantially meet the intent of this RFP, the

mandatory requirement will be modified or waived for all proposers, and all proposals will be re-evaluated in light of the change.

6.14 Notification of RFP Status: Upon completion of the RFP review process, all Proposers will receive a RFP status notification. This notification covers three outcomes: No Further Consideration, Selected to Short List, or Intent to Award.

6.15 Debriefing: Requests for debriefing by Proposer will be accommodated upon request.

6.16 Contract Term: The initial term of any contract resulting from this RFP shall be two and one-half (2.5) years with options to renew for four (4) additional one (1) year periods or parts thereof. Said options will only be exercised upon satisfactory performance and by written consent of the University. Such intent to renew shall be conveyed to the firm in writing prior to the effective end date of contract term.

7.0 Standard Contract Terms and Conditions

The following terms and conditions will govern in the submission and evaluation of proposals and the award of a contract. Bidders are requested to carefully review the terms and conditions, as they will become part of any subsequent agreement and award.

7.1 Contract Modification: All changes to the contract must be agreed to, in writing, by both parties prior to executing any change.

7.2 Contract Assignment or Subcontract: The resulting contract shall not be assigned, transferred, or sublet in whole or in part without the prior written approval of the University.

7.3 Notification of Selected Firm: It is the University's intention to review proposals, and execute an agreement on or before the date outlined in section 4.1. All Bidders will receive written notification of this action after the University of Connecticut Evaluation Committee has approved the selection.

7.4 Non-appropriation of Funds: Notwithstanding any other provision of this RFP or any ensuing contract, if funds anticipated for the continued fulfillment of the contract are at any time not forthcoming or insufficient, either through the failure of the Connecticut Legislature to provide funds or alteration of the program under which funds were provided, then the University shall have the right to terminate the contract without penalty by giving not less than thirty (30) days advance written notice documenting the lack of funding. Unless otherwise agreed to, the contract shall become null and void on the last day of the fiscal year for which appropriations were received; except that if an appropriation to cover the costs of this contract becomes available within sixty (60) days subsequent to termination under this clause, the University agrees to re-establish a contract with the firm whose contract was terminated under the same provisions, terms and conditions of the original contract.

7.5 Liens: The successful Proposer shall keep the University free and clear from all liens asserted by any person or firm for any reason arising out of the furnishing of goods and services by

7.6 Actions of Proposer: The actions of the successful Proposer with third parties are not binding upon the University. The Proposer is not a division of the University, partner or joint venture of or with the University.

7.7 Award: The award shall be made to the most responsive bidders, offering the best value and with the highest total matrix scores as determined by the University. All Bidders submitting proposals concur with this method of award and will not, under any circumstances or in any manner, dispute any award made using this method.

7.7.1 The University may reject the proposal of any Bidder who is in default of any prior contract or is guilty of misrepresentation or any Bidder with a member of its firm in default or guilty of misrepresentation.

7.7.2 The University may, in accordance with and pursuant to the Regulations of Connecticut State Agencies may correct inaccurate awards resulting from clerical or administrative errors.

7.7.3 The University reserves the right to make multiple awards for these services if it is deemed to be in its own best interest.

7.7.4 The award will be contingent upon the successful Proposer's acceptance of all of the required terms and conditions in the University's standard contract and execution of the applicable required State of Connecticut certifications and affidavits. The standard contract and samples of the required forms are attached hereto.

7.7.5 The University will not knowingly do business with any Bidder, Proposer, sub-Proposer or Supplier of materials who discriminates against members of any class protected under Sections 4a-60 or 4a-60a of the Connecticut General Statutes.

7.7.6 The University reserves the right to award by item, groups of items or total bid; to reject any and all bids in whole or in part, and to waive any informality or technical defects if, in its judgment, the best interests of the University will be served.

7.7.7 In the event of a default by the Proposer, the University reserves the right to procure the commodities and/or services from other sources, and hold the Proposer liable for any excess cost occasioned thereby. If, however, public necessity requires use of material or supplies not conforming to the specifications, they may be accepted and payment therefore shall be made at a proper reduction in price.

7.7.8 The Proposer guarantees to save the University, its agents or employees, harmless from liability of any nature or kind, for use of any copyrighted or non-copyrighted composition, secret process, patented or unpatented invention, articles or appliances furnished or used in the performance of the contract, of which the Proposer is not the patentee, assignee or licensee.

7.7.9 It is understood and agreed that the Proposer shall not be held liable for any failure or delays in the fulfillment of this contract arising from strikes, fires, or acts of God, or any other cause or causes beyond his reasonable control.

7.7.10 In the event there is a need for material bonding, performance bonding and/or insurance, the bidder will provide the bonding and/or insurance when requested and do this within fifteen (15) days after receipt of our notification of apparent low bidder, otherwise, the University reserves the right to go to the next qualified bidder who can comply.

7.7.11 Remedies Upon Default: In any case where the Proposer has failed to deliver or has delivered non-conforming goods or services, the University shall provide a "notice to cure". If after notice the Proposer continues to be in default, the University may procure goods or services as substitution from another source and charge the cost difference to the defaulting Proposer.

7.7.12 Collection for Default: The Attorney General shall be requested to make collection from any defaulting Proposer pursuant to the preceding paragraph.

7.8 Payments under a Contract Award: Under no circumstances shall the successful Proposer begin to perform under the contract prior to the effective date of the contract. All payments shall adhere to the payment terms stated in the contract award.

7.9 Business Relationship Affidavit: The proposing Proposer must certify that no elected or appointed official or employee of the University has benefited, or will benefit financially or materially from the proposed services. The University may terminate any contract resulting from this RFP, if it is determined that gratuities of any kind were either offered to, or received by, any University officer or employee contrary to this policy. The authorized signatory of a submitted proposal automatically attests this to be true. **(See also Attachment of Governor Rell's Memo to Proposers Conducting Business with the State of Connecticut).**

7.9.1 The laws of the State of Connecticut provide it is a felony to offer, promise or give anything of value or benefit to a State employee with intent to influence that employee's acts, opinion, judgment or exercise of discretion with respect to that employee's duty. Evidence of violation of this statute will be turned over to the proper prosecuting attorney. See code of Ethics in Connecticut General Statutes Section 1-79 through Section 1-90. **Proposer agrees by submitting a proposal and signing any resultant contract to abide by all Connecticut and Federal ethics laws, current and future.**

7.10 Conflict of Interest: The Applicant shall disclose and identify to the University, with its proposal, any relationships, which may constitute a potential conflict of interest with University Purchasing Department, or any other University organizations or departments for the purpose of determining whether a conflict of interest exists. All such disclosures require acceptance/approval action on the part of the University, who shall determine, in its sole discretion, whether an impermissible conflict exists.

7.11 Equal Employment Opportunity Requirements:

- a. In entering into any contract resulting from this RFP, the Proposer agrees to comply with Equal Employment Opportunity and Affirmative Action requirements as stipulated Executive Order No. Three of Governor Thomas J. Meskill promulgated on June 16, 1971 and Executive Order No. Seventeen of Governor Thomas J. Meskill promulgated February 15, 1973.
- b. The Proposer shall not discriminate against any employee or applicant for employment because of race, creed, color, religion, national origin, sex, age, sexual orientation, physical or mental disability, or any other group covered by law. The Proposer shall take affirmative action to ensure applicants are employed and the employees are treated during employment without regard to their race, creed, color, national origin, sex, age, sexual orientation, physical or mental disability or any other group covered by law, except where it relates to a bona fide occupational qualification.

7.12 Federal, State and Local Taxes, Licenses and Permits: The successful Proposer will comply with all laws and regulations on taxes, licenses and permits.

7.13 Waiver of Rights: No delay or failure to enforce any provision of this agreement shall constitute a waiver or limitations of University's rights under any resulting contract.

7.14 Prior Course of Dealings: The parties hereby agree that no trade usage, prior course of dealing or course of performance under other contracts shall be a part of this agreement or shall be used in the interpretation or construction of this agreement.

7.15 Warranty: The proposer warrants that the goods or services supplied hereunder will be of good workmanship and of proper materials, free from defects and in accordance with specifications and that such goods or services supplied shall not void or impair any OEM warranty or any other warranty possessed by University. If the proposer knows of the purchaser's intended use, the proposer warrants that the goods or services are suitable for the intended use.

7.16 Proposer Personnel, Forms and U.S. Export Control Regulations:

7.16.1 The awarded Proposer(s) will be responsible for fulfilling staffing requests with their own resources, including W-2 employees and/or 1099 employees.

7.16.2 Proposers are required to obtain and keep the current employment verification Form I-9 issued by the U.S. Department of Justice Immigration and Naturalization Service supporting each professional's authorization for employment in the United States (<http://www.uscis.gov/i-9>).

7.16.3 Each Proposer shall be responsible for compliance with all relevant U.S. Export Control regulations, especially those regulations that restrict or prohibit access to certain technical information by citizens of certain non-U.S. Territories. The University reserves the right to audit documentation related to the above requirements.

7.17 Information Provided by the University: The University of Connecticut has, in this Request for Proposal and otherwise, provided proposers with information relating to the University,

its current operations and initiative described herein. The University assumes no responsibility or liability for the adequacy or accuracy of any information provided by the University, its agents, employees or representatives. The proposer agrees to waive any claim or defense to any claim relating to the adequacy or sufficiency of any information provided prior to the execution of the anticipated contract. Subject to these limitations, this Request for Proposal contains information describing University communities, operations and planned programs.

7.18 Responsibilities of the Proposer:

7.18.1 **Observing Laws and Regulations:** The Proposer shall keep fully informed of and shall faithfully observe all laws, national and state, and all ordinances and regulations affecting responsibility to the University, or affecting the rights of supplier's employees, and he shall protect and indemnify the University, its officers, and agents against any claims of liability arising from or based on any violation thereof.

7.18.2 **Representations:** Each firm, by submitting a proposal, represents that it:

- a. Has read and completely understands the proposal documents; and
- b. Is totally familiar with the conditions under which the work is to be performed including but not limited to availability and cost of labor and materials.

7.18.3 **Purchase Orders:** Purchase Orders and payments will only be issued to the Proposer. It is the Proposer's responsibility to issue Purchase Orders, schedule services and pay all sub-Proposers and partners directly.

7.19 Insurance Requirements:

7.19.1 **Insurance:** The Proposer agrees to provide adequate insurance coverage on a primary and comprehensive basis and to hold such insurance at all times during the Term of this Agreement. The Contractor accepts full responsibility for identifying and determining the type(s) and extent of insurance necessary to provide reasonable financial protection for the Contractor and the University under this Agreement.

The Contractor shall maintain statutory workers' compensation and employers' liability insurance, comprehensive automobile liability insurance and commercial general liability insurance not less than the minimum limits as set forth below all at no cost to the University or the State of Connecticut.

Statutory Workers' Compensation and Employers' Liability:	
Workers' Compensation:	Statutory limits
Employers' Liability:	
Bodily injury by accident:	\$100,000 each accident
Bodily injury by illness:	\$100,000 each employee \$500,000 policy limit
Commercial General Liability:	
Combined single limit:	\$1,000,000 each occurrence \$2,000,000 annual aggregate

(to include owned, non-owned and hired vehicles):
 Combined single limit: \$1,000,000 each occurrence

Umbrella Liability: \$2,000,000 each occurrence

Professional Services Liability Insurance: (If applicable) The Contractor will furnish evidence, by way of a certificate of insurance, that it has obtained a professional services liability insurance policy with \$1,000,000.00 minimum coverage for negligent errors and omissions. If any claims are made against its professional services liability insurance policy, the Contractor agrees to purchase additional insurance in order to maintain the minimum coverage of \$1,000,000.00. The insurance will remain in effect during the entire duration of this Contract and for eight (8) years after substantial completion of the Project. For policies written on a "Claims Made" basis, the Contractor agrees to maintain a retroactive date prior to or equal to the effective date of this Contract. The Contractor will contractually require any architectural or engineering firm it hires to maintain professional liability insurance in the same amount and with the same provisions indicated above. The Contractor's policy will provide coverage for the Contractor's obligation under this Contract to indemnify and hold harmless the University and the State, and their employees and agents, from claims, liabilities, demands, damages, costs or expenses (including all reasonable attorney's fees) to the extent caused by or resulting from any negligent act or omission of the Contractor or anyone for whom the Contractor is responsible in the performance of this Contract, and each policy held by a Contractor of the Contractor shall provide the same coverage to the extent of such Contractor's negligent acts or omissions.

Each of the policies for the insurance mentioned above will be issued by an insurance company or companies satisfactory to the University and will contain a provision that coverages will not be changed, canceled, or non-renewed until at least thirty (30) calendar days prior written notice has been given to the University. Each insurance policy will state that the insurance company agrees to investigate and defend the insured against all claims for damages to the extent that all alleged damages might be covered by insurance. Such insurance policies will name the State of Connecticut, the University of Connecticut, their officers, officials, employees, agents, boards and commissions as additional insured, except that the University and the State will not be named as an additional insured with respect to the coverage for the statutory workers' compensation and employer's liability insurance. Certificates of insurance shall clearly indicate the title and date of this Agreement or some easily identifiable reference to the Contractor's relationship to the University. Certificates of insurance showing such coverages as required in this section will be filed with the University prior to the time this Agreement is executed on behalf of the University. Upon the request of the University, the Contractor will provide to the University a copy of any of the aforementioned policies, and any endorsements or amendments thereto.

7.20 Contractor's Indemnity and Assumption of Liability:

7.20.1 To the maximum extent allowed by law, the Contractor shall indemnify, defend and hold harmless the University and the State of Connecticut, their employees, agents, agencies and subcontractors from and against any and all claims, liabilities, demands, damages, costs and expenses (including all reasonable attorneys' fees) to the extent caused by or resulting from any act or omission, negligence, willful misconduct, or breach

of this Agreement by, or which is the fault of, the Contractor, its employees, subcontractors or anyone for whom the Contractor is responsible. This indemnification will survive the completion of the Services and termination of this Agreement to the maximum extent allowed by law. Contractor's indemnification obligations shall include, without limitation, a full and complete responsibility for the Services, and any cost, liability or expense incurred by the University arising from the failure of Contractor, its representatives, agents, subcontractors and/or its or its subcontractors' employees to take appropriate and reasonable action to prevent damage to the University or its property. In fulfilling its indemnification and defense obligations hereunder, the Contractor shall use legal counsel reasonably acceptable to the University.

7.20.2 The Contractor's indemnity shall include, without limitation, damage due to misuse by Contractor or any person for whom the Contractor has responsibility, of tools, machines, vehicles or uncontrollable equipment that may malfunction. University property damaged in the performance of Services shall be repaired and left in good condition (as found). All such repairs shall be accomplished by the Contractor at no cost to the University.

7.20.3 State of Connecticut agencies (University of Connecticut) may not enter into indemnification or "hold harmless" agreements. In the event of a loss by the Proposer or any third party, recourse may be found through the State of Connecticut Claims Commission, as provided under Chapter 53 of the General Statutes of the State of Connecticut, in which all claims against the State of Connecticut and the University of Connecticut will be filed with the Connecticut Claims Commissioner.

7.20.4 Nothing in this RFP will be construed as obligating the Contractor to indemnify or hold harmless any of the parties indemnified against liability for damage arising out of bodily injury to persons or damage to property caused by or resulting from the negligence of such indemnified party, or such party's agents or employees, if such indemnification would be in violation of Connecticut General Statutes §52-572k.

7.20.5 The Contractor's obligations in this proposal shall survive the termination and expiration of this Agreement.

7.21 License: Any Agreement resulting from this RFP will not grant the Proposer a license or other right to duplicate or use any image or intellectual property of the University in any manner other than as may be expressly approved in writing in connection with the performance of the contract.

7.22 OSHA Compliance: All items to be furnished hereunder shall meet all applicable State and Federal requirements of the Occupational Safety and Health Act. All alleged violations and deviations from said state and federal regulations or standards of the items or services to be furnished hereunder, must be set forth on the proposed requirements and criteria in the proposal response. Or, if at any later date, the items or services contained herein shall not meet all applicable state and federal requirements after the proposer is awarded the contract hereunder, the proposer must notify the University's Director of Procurement Services immediately by registered mail.

7.23 Advertising/Sponsorship Opportunities: In submitting a proposal, the Proposer agrees, unless specifically authorized in writing by the University on a case by case basis, that it shall have no right to use, and shall not use, the name of the University of Connecticut, its officials or employees, or the Seal of the University, a) in any advertising, publicity, promotion; nor b) to express or imply any endorsement of agency's services; nor c) to use the name of the state, its officials or employees or the University seal in any manner (whether or not similar to uses prohibited by subparagraphs (a) and (b) above) except only to manufacture and deliver in accordance with this agreement such services as are hereby contracted by the University. **Should the Proposer be interested in pursuing a formalized sponsorship agreement with the University through its Division of Athletics, which may include advertising benefits and use of University marks, please contact the procurement official identified in section 4.2.1 for details on how to pursue such a relationship.**

7.24 Intellectual Property:

7.24.1 The Proposer shall pay all royalties, license fees, and patent to invention rights, or copyrights or trade and service marks and defend all suits or claims for the infringement of any patent or invention right or copyrights or trade and service marks involved in the items furnished in any contract resulting from this RFP.

7.24.2 Copyrights for any item specified shall be the property of the University and inure to its benefit and Proposer shall execute such documents, as University may require, for the perfection thereof.

7.24.3 The University shall retain all rights, title and interest in all its usage, user and biographical data and Proposer shall only use such data to the extent necessary for complying with its obligations to the University unless it otherwise receives express written approval from the University's designee for any other use.

7.25 Confidential Information:

7.25.1 The University treats Proposals as confidential until after the award is issued. At that time, they become subject to disclosure under the Freedom of Information Act. If a Respondent wishes to supply any information, which it believes is exempt from disclosure under the Act, said Respondent should summarize such information in a separate envelope and each page submitted should clearly state "Confidential," but otherwise be presented in the same manner as the Proposal. However, any such information is provided entirely at the Respondent's own risk and the University assumes no liability for any loss or damage which may result from the University's disclosure at any time of any information provided by the Respondent in connection with its proposal.

7.25.2 The proposer and its employees will not disclose information acquired in connection with the performance of services under this agreement which is proprietary or confidential in nature to the University without written permission from the University. This confidentiality will continue to be in effect even after the contract has been completed or terminated for any reason. Some projects may require additional confidentiality documentation or agreements, which will vary according to the University's needs, legal requirements and scope of work.

7.26 Responsibility of Those Performing the Work:

7.26.1 The Proposer shall be responsible for the acts and omissions of all the Proposer's employees, as well as all other persons involved in performing any tasks associated with the provision of the goods and/or services outlined in this RFP by the Proposer.

7.26.2 The Proposer shall at all times enforce strict discipline and good order among the Proposer's employees and shall not employ any unfit person or anyone not skilled in the task assigned.

7.26.3 The contract awardee, when so determined by the University, shall dismiss incompetent or incorrigible employees from the project, and such persons shall be prohibited from returning to the project without written consent of the University.

7.27 Freedom of Information: While the University may be willing to agree not to disclose the information proactively, the University is subject to the Connecticut Freedom of Information Act, found in Chapter 14 of the Connecticut General Statutes, which may require disclosure, should the document be requested with limited exceptions. Two such exceptions that might apply are as follows: (1) Conn. Gen. Stat. sec. 1-210(b)(24) permits the University to withhold records related to the procurement process while bidding and contract negotiations are underway (this moratorium is temporary and lasts only until the contract has been executed or negotiations are abandoned); and Conn. Gen. Stat. sec. 1-210(b)(5) permits the University to withhold records in its possession in the event they contain trade secrets (or really any intellectual property). In the event that the University determines that Conn. Gen. Stat. sec. 1-210(b)(5) may apply to a given request for the records in question, the responsibility to substantiate claims that said would reveal trade secrets and meet the exemption requirements would need to be borne by the owner of said trade secrets, not the University. Further, if the entity seeking access to the documents challenges the University's withholding of the document, said owner may be required to prove at the Freedom of Information Commission and/or in a Court of Law, that the release of said trade secrets would be harmful to the owner of the intellectual property or properties in question.

7.28 Mandatory Affidavits: The Office of Policy and Management has created new ethics forms effective August 1, 2007 to assist executive branch agencies in complying with the State of Connecticut's current contracting requirements, pursuant to the Connecticut General Statutes and Executive Orders of Governor M. Jodi Rell. The University will require the applicable mandatory affidavits to be completed by the Proposer at the time of bid response **and** contract award. The required affidavits are enclosed as part of this document. Detailed information regarding the requirement of such affidavits can also be found on the Office of Policy and Management website: http://www.ct.gov/opm/cwp/view.asp?a=2982&q=386038&opmNav_GID=1806

7.29 Joint Ventures: Bids submitted by bidders under 'joint venture' arrangements or other multi-party agreements must include a power of attorney delegating authority to one principal with authority to negotiate and execute any/all contract documents resulting from the bid.

7.30 Executive Orders of the Governor: The executed contract shall be subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the

workplace, all of which are incorporated into and are made a part of the Contract as if they had been fully set forth in it. The Contract may also be subject to Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services and to Executive Order No. 49 of Governor Dannel P. Malloy, promulgated May 22, 2015, mandating disclosure of certain gifts to public employees and contributions to certain candidates for office. If Executive Order 14 and/or Executive Order 49 are applicable, they are deemed to be incorporated into and are made a part of the Contract as if they had been fully set forth in it. At the Contractor's request, the University shall provide a copy of these orders to the Contractor.

7.31 Ethics and Compliance Reporting/Whistleblower Protection: In accordance with the University's compliance program, the University has in place an anonymous ethics and compliance reporting hotline service – 1-888-685-2637. Any person who is aware of unethical practices, fraud, violation of state laws or regulations or other concerns relating to University policies and procedures can report such matters anonymously. Such persons may also directly contact the University's compliance office at: Office of Audit, Compliance, and Ethics, 9 Walters Avenue, Unit 5084, Storrs, CT 06269-5084; Phone 860-486-4526; Fax 860-486-4527. As a provider of goods and/or services to the University, you are hereby required to notify your employees, as well as any sub-Proposers, who are involved in the implementation of this contract, of this reporting mechanism.

7.32 State Elections Enforcement Commission (SEEC) Requirements: For all State contracts as defined in C.G.S. § 9-612 having a value in a calendar year of \$50,000 or more or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this submission expressly acknowledges receipt of the State Elections Enforcement Commission's notice advising state Proposers of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the SEEC notice found in UConn Sample Purchasing Agreement attached to this bid solicitation.
