Bid Due Date: 9/27/19 10:00 a.m.**

The attention of bidders submitting proposals for the above-referenced project is called to the following addendum to the specifications.

September 19, 2019

Q: We have reviewed your requirements and were wanting to know if a site visit is possible to see your plant and view the current SCADA system you have in operations and better understand your needs.

September 23, 2019

A: The Town was not anticipating this need and that is why an optional pre-bid meeting was not listed in the specifications. However, the Town has no issue with this request and is hereby setting an optional pre-bid meeting at 9am this Wednesday September 25, 2019 on-site at the Waste Water Treatment Plant (WWTP) at 411 Lopus Road, Beacon Falls, CT 06403. This meeting is not mandatory but is open to any and all potential bidders who wish to attend and see the site in-person. There will be an opportunity for questions and answers. The Town will provide a summary of the Q&A as an addendum by Thursday morning September 26, 2019. However, the Town encourages attendance for a greater level of detail. Only a brief summary will be posted.
