

**REQUEST FOR QUOTATION**  
STO-93 Rev. 10/01

**INSTRUCTIONS**

Please quote us your prices on the commodities listed below.  
All prices must be F.O.B. Destination and you must show Unit Price, Amount, and Total or bid may be rejected.

Since the State of Connecticut is exempt from the payment of Federal Excise Taxes and the Connecticut Sales Tax, do not include such taxes.

**We reserve the right to reject in whole or in part any or all bids submitted.**

The contractor agrees and warrants that in the performance of this contract he will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin, sex, sexual orientation, learning disability, mental retardation or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved, in any manner prohibited by the laws of the United State or of the State of Connecticut. If the contractor agrees and warrants that he will make good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials on such project. The contractor further agrees to provide the Commission Human Rights and Opportunities with such information requested by the Commission concerning the employment practices and procedures of the contractor as related to the provisions of this section and section 46a-56. For the purposes of this section "minority business enterprise" means any subcontractor or supplier of materials fifty-one percent or more of the capital stock, if any, or assets of which is owned by a person or persons: (1) Who are active in the daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of section 32-9n.

**Vehicle Evaluation Report**

**Date of Evaluation:** 8/1/19

**Intent to purchase a new vehicle**

**Type of Vehicle to be purchased:**

- MINI VAN
- TOYOTA SIENNA

Speedy Lift     Driving Equipment     Transfer Driver Seat

Disability Paraplegia

History of Muscle Spasms:  
No

Height : 54" seated in wheelchair

Weight: 180lbs

Vehicle used for evaluation: 2005 Chrysler Town and Country

Wheelchair used during evaluation Quickie Pro Ti-lite

Wheelchair to be used for vehicle modification yes

Town Where Consumer Lives: Guilford

**Bidders:**

Please list any specifications that vary from those listed in the vehicle evaluation report

Disability: Paraplegia

History of muscle spasms: No

Exact description of client's current vehicle:

Client has 2006 Toyota Sienna minivan with push/right angle mechanical hand control mounted to the left of the steering column.

Vehicle Recommended:

This consumer will need to have a minivan with power transfer driver seat and speedy lift . He will also require a push/right angle hand control mounted to the left of the steering column and a custom cushion for the driver seat. Client will require a camera backing system and blind spot mirrors.

Justification for recommendation of type of vehicle described above:

Client requires the use of a wheelchair for all mobility and access to employment and the community. There will need to be a power transfer seat for the driver to allow the client to safely transfer from his wheelchair into the driver seat. He will also require a speedy lift to be able to get his wheelchair in and out his van to eliminate stress on his shoulders and maintain the integrity of his shoulders to prevent injury. The speedy lift will also secure the unoccupied wheelchair. Due to his history of wounds on his buttocks requiring surgery, he will need a custom cushion for the driver seat to provide appropriate pressure relief especially with long drives. The client will also continue to require to drive with hand controls due to his paraplegia. Due to the client's decreased range of motion in his neck especially with left rotation, he will require a camera backing system and blind spot mirrors to ensure he is able to attend to his entire environment.

Vehicle used for evaluation (make, year, model, wheelbase):

Chrysler Town and Country Minivan

Wheelchair used during evaluation: Quickie Pro Ti-lite Weight: 26lbs

Wheelchair to be used for vehicle modification: same Weight: Same

**Clients driving from a power wheelchair will require a swing-away mount for the joystick.**

**Replacement wheelchairs should maintain client's positioning as close as possible to previous chair's dimensions including make and model, length, width, seat height and wheelbase.**

**Any new wheelchair that exceeds the dimensions of client's current chair may prohibit the client's ability to enter, lockdown, or exit the modified vehicle. Specifically, the new wheelchair may be too long or too wide for the ramp or lift, the driver tiedown may not be adaptable to the new wheelchair, and/or maneuverability may be inhibited when positioning wheelchair for driving and/or riding as a passenger. Client is responsible for notifying funding source of any changes in wheelchair or vehicle following the date of this report.**

Funding source name: BRS

Funding source telephone: \_\_\_\_\_

Evaluation location: Easter Seals Mobility Center

### **ENTRY**

1.  **Outside Driver Transfer Seat and Speedy Lift Operation**

Remote

2.  **Wheelchair Access**

Speedy Lift

### **INTERIOR**

3.  **Driver's Seat**

Link Transfer Seat

Custom Cushion for Pressure Relief (Super Core Extra Soft Contoured Cushion)

### **PRIMARY CONTROLS**

**An airbag on/off switch may be required if client is seated within the deployment zone. Airbag may have to be eliminated when modifying steering controls. NHTSA approval letter will be necessary in either case. Questions regarding airbag system should be directed to the vehicle modification vendor.**

4.  **Hand Controls** (knee bolster and knee airbag will need to be removed)

To be mounted on:  left of steering column

Featherlite Push/Right Angle

### **SECONDARY CONTROLS**

5.  **Horn Operation**

On Hand Control (OEM should be maintained)

6.  **Parking Brake**

Electric  Extended if foot operated

### **PREPARATIONS**

7.  **Wide Angle Viewers**

Object Detection/Camera Backing System (OEM IF POSSIBLE)

8.  **Outside Mirror(s)**

Blind Spot Mirrors (OEM IF POSSIBLE)

Was the client road tested?  Yes  No

Comments: Successful assessment . See on the road assessment for details.

**IN ADDITION TO THE ITEMS INCLUDED IN THIS REPORT, IT IS RECOMMENDED THAT CLIENT'S CONSIDER THE FACTORY OPTIONS BELOW. NOTE THAT BRS IS NOT RESPONSIBLE FOR FUNDING THESE EXTRA OPTIONS.**

- AAA Plus (extended distance towing package)
- Air conditioning
- Alternator (heavy duty)
- Automatic load leveling system
- Automatic Transmission (with overdrive if available)
- Backing Object Detection System (typically available on high end packages)
- Battery (heavy duty, maintenance-free)
- Citizen band or cellular phone (emergency communication system)
- Cruise control
- Door locks (power)
- Dual battery
- Factory power slide door
- Front stabilizer bar
- Glass (all-around)
- Glass, tinted (privacy glass)
- Insulation of walls and doors
- Interior trim package
- Lighter (cigar) (Power Point)
- Maximum GVW for 3/4 ton van (8,600 lbs.)
- Mirrors, power heated
- Power hatch
- Rear window defogger (if available)
- Remote start (not for "0" effort steering)
- Run-flat tires
- Springs (heavy duty)
- Steering wheel (tilt)
- Spare tire and wheel – full size
- Super duty cooling package

**NOTE TO CLIENTS:** The mid bench/seats floor quick disconnect and floor inserts will normally be removed. Unless approved in writing within the van evaluation report by the state, the costs of reconnection of the quick release mid bench/seats will be the responsibility of the client and not the state or the modification vendor. The client is responsible to order any changes from the modification vendor prior to drop shopping their vehicle to the vendor's modification manufacturer's site, and is fully responsible to pay for them at the time of delivery.

Your new vehicle tires may not provide maximum performance. After-market tires with superior performance are available at your expense.

The lowered floor minivan modification may change the handling characteristics from that of an unmodified van.

For high tech vehicles, maintenance costs can be expensive. Please refer to your Voc Rehab policy regarding maintenance of the equipment.

Clients (especially those with impaired sensation) are recommended to have their vehicle modifier disable heated seat and/or heated steering wheel functions. Malfunctions may result in severe burns.

Note that approved vendors and equivalent systems/equipment are determined by the funding source.

**NOTE TO VENDORS:** Any motor vehicle which is equipped with adaptive equipment pursuant to a contract awarded as the result of a bid submitted in response to this prescription is subject to and must pass inspection and testing, including test driving, by the consulting automotive engineer selected by the Bureau of Rehabilitation Services to determine that the vehicle conforms to the specifications in such contract and is equipped for safe highway operation. Inspection of said vehicle and corrections found necessary shall be completed before payment is made to the vendor and before delivery is made to the client.

**Vendors must contact clients for a fitting and/or obtain pertinent information before modification work is begun and/or completed. Vendor must familiarize client and significant others in the proper use and operation of all adaptive equipment.**

It is recommended, upon receiving your vehicle following conversion, that you contact the Driver Training Program (DTP) of the DORS at 1-800-537-2549 and arrange to have a DTP representative familiarize you with the complete operation of your vehicle and to complete any necessary training. **Drivers new to their adaptive equipment must contact the DTP at 1-800-537-2549 for training and/or licensing.** The instructor's brake system is to be removed upon licensing. The client is responsible for contacting the vendor for removal.

When insuring your vehicle, a copy of this report should be provided to your insurance company to obtain appropriate coverage.

**THIS DOCUMENT IS A PRESCRIPTION ONLY AND IS NOT APPROVAL FOR CLIENT TO PURCHASE VEHICLE OR EQUIPMENT. FUNDING SOURCE MAY NOT PAY FOR ALL ITEMS IN THIS REPORT. ANY CHANGES TO THIS PRESCRIPTION MUST BE APPROVED IN WRITING.**
