

REQUEST FOR QUALIFICATIONS: #2019-005 – WASTEWATER CONSULTING SERVICES ADDENDUM #1 - BIDDER QUESTIONS AND ANSWERS

October 7, 2019

Q1: Item 16 in the RFQ requires a Performance and Payment Bonds for this project. These Bonds do not typically apply to consulting engineering services. Further, as indicated in the RFQ, the final scope and fee for this project will be negotiated with the selected firm, so there is no established contract price by which to establish the bonding. Please confirm that Performance and Payment bonds are not required for the consulting engineering services to be provided under this contract.

A1: Performance and Payment bonds are not required as part of this RFQ. No. 16 under Standard Instructions to Proposers should have read **N/A**.

Q2: Section V of the proposal states to provide twelve (5) hard copies. Please confirm that only 5 hard copies are needed.

A2: I am confirming that only 5 hard copies are needed.
