- **Certificate of Insurance and Proof of Insurance**

Prior to commencing its performance under the Contract and anytime thereafter

when required insurance changes or is modified, MANUFACTURER shall provide Contractor with: (1) a current certificate of insurance evidencing the insurance coverages required by this Exhibit (including the amount of any self-insured retention (“SIR”) or deductible); (2) a copy of the provisions in the policy or the endorsement adding the parties required by this Exhibit to be added as additional insureds; (3) a copy of the provisions in the policy or the endorsement providing that the insurance provided to the additional insureds (whether primary or excess) is primary and non-contributory and shall not seek contribution from any coverage carried by the parties required to be additional insureds by this Exhibit; and (4) a copy of the policy provisions or endorsement providing a waiver of subrogation in favor of the additional insureds required hereunder. Upon request, MANUFACTURER shall also provide Contractor with a certified copy of any policy providing coverage required by this Exhibit.

- IN THE EVENT THAT THE LAW OF THE STATE IN WHICH THE PROJECT IS LOCATED (OR APPLICABLE LAW) LIMITS THE ADDITIONAL INSURED COVERAGE THAT BOND BROTHERS, INC. MAY REQUIRE FROM THE MANUFACTURER, THEN MANUFACTURER SHALL BE REQUIRED TO OBTAIN ADDITIONAL INSURED COVERAGE TO THE FULLEST EXTENT OF COVERAGE AND LIMITS ALLOWED BY APPLICABLE LAW AND THIS CONTRACT SHALL BE READ TO CONFORM TO SUCH LAW.
- All Certificates of Insurance shall provide for 30 day written notice to Bond Brothers, Inc. prior to the cancellation or material change of any insurance referred to therein.
- Bond Brothers, Inc. shall have the right, but not the obligation, to prohibit MANUFACTURER and/or sub- MANUFACTURER from entering the project site until a Certificate of Insurance indicating full compliance with these requirements is received and approved by Bond Brothers, Inc.
- **Sub-MANUFACTURERS:** Before permitting any MANUFACTURER to perform work under a subcontract, the MANUFACTURER shall require by written contract that any of its MANUFACTURERS maintain insurance in like form and amounts to that required by this Exhibit, unless otherwise approved in writing by Bond Brothers, Inc. MANUFACTURER shall be responsible to ensure that each of its MANUFACTURERS maintains insurance in like form and amounts, and shall provide evidence of same to Contractor if requested.
- MANUFACTURER shall provide Certificates of Insurance for one (1) year following substantial completion of the project.

- **Notice of Cancellation**

Each Certificate shall confirm that the insurance will not be cancelled, materially altered or any reduction of any limit with less than 30 days written notice by Registered Mail to the Contractor and MANUFACTURER shall also provide an

endorsement from its insurance carrier(s) to such effect. If requested by the Contractor, the MANUFACTURER will furnish originals or certified copies of insurance policies including all endorsements required to provide stated coverage.

- **Scope/Limits of Insurance**

To the fullest extent permitted by law, the coverage provided to the additional insureds must be at least as broad as that provided to the first named insured on each policy. In the event that any policy provided in compliance with this Exhibit states that the coverage provided to an additional insured shall be no broader than that required by contract, or words of similar meaning, the Parties agree that nothing in this Exhibit or elsewhere in the Contract Documents is intended to restrict or limit the breadth of such coverage.

The limits of insurance stated in this Exhibit for each type of insurance are minimum limits only; in the event MANUFACTURER's policies or the policies of MANUFACTURERS of all tiers provides greater limits, then the additional insureds shall be entitled to, or to share in, the full limits of such policy, and this Exhibit shall be deemed to require such full limits.

- **Notice to Insurers**

MANUFACTURERS of all tiers are responsible for notifying their insurance carriers in the event of a loss or potential loss involving coverage for the additional insureds. However, this does not prohibit any additional insured from reporting a claim directly to any MANUFACTURER's insurance carriers.

- **Deductibles/Denial of Claims**

MANUFACTURER shall be responsible, at no additional cost to Contractor, for the payment of any deductibles or SIR in connection with the insurance coverages required by this Exhibit, both for itself and all additional insureds. The deductible or SIR shall not exceed \$25,000. MANUFACTURER shall be responsible for any loss arising out of coverage denial by any insurance carrier. MANUFACTURER may not procure policies that limit who may pay the SIR or deductible; rather, any SIR shall be payable by either the MANUFACTURER or Contractor and MANUFACTURER may not have a policy that prevents Contractor from accessing or triggering coverage unless the SIR is paid by the MANUFACTURER.

MANUFACTURER shall also ensure that similar conditions are incorporated into all subcontracts. In the event that Contractor elects to pay any deductible and/or SIR to access any insurance policy, MANUFACTURER shall promptly reimburse Contractor for such payment.

- **CCIP Exclusion Limitation**

The insurance required to be provided by a MANUFACTURER pursuant to this Exhibit shall not contain any exclusion or limitation of coverage for any insured because a CCIP has been provided for this Project, except to the extent that coverage is provided by the CCIP Insurance Policies.

- **No Limitation**

The insurance requirements set forth and the coverage maintained by MANUFACTURER shall not limit any of MANUFACTURER's indemnity obligations or other liabilities under the Subcontract or Agreement.

- **Severability of Interests (Cross Liability)**

All insurance required by this Exhibit (excluding only Workers Compensation Insurance and Professional Liability Insurance) shall include a provision or be endorsed to provide that, inasmuch as the policy is written to cover more than one insured, all terms, conditions, insuring agreements and endorsements, with the exception of limits of liability, shall operate in the same manner as if there were a separate policy covering each insured. No cross liability exclusions are permitted and there may not be any restrictions in any policies that limit coverage for a claim brought by an additional insured against a named insured. Also, there shall not be any provision in any insurance policy which excludes or conditions coverage on the existence of a contract or other agreement requiring insurance.

- **Claims Made Policies**

Except for Professional Liability, Contractor's Pollution Liability, and Environmental and Asbestos Insurance, claims made policies are not acceptable. Those policies permitted to be on a claims made basis shall be effective (retroactively, if applicable) from the date of commencement of all activities in connection with the work until six (6) years after final completion of the Project or the expiration of the applicable statute of repose of the State in which the Project is located (whichever is greater/longer).

- **Effect of Specified Coverages**

In specifying minimum requirements in this Exhibit, Bond Brothers, Inc. does not assert or recommend this insurance as adequate to MANUFACTURER's business requirements. MANUFACTURER is solely responsible to inform itself of types of insurance it may need beyond these minimum requirements to protect itself from loss, damage or liability. Failure of the MANUFACTURER to identify deficiencies in any insurance provided hereunder shall not relieve MANUFACTURER from any insurance obligations.

- **Breach of Insurance Requirements**

MANUFACTURER's failure to obtain and maintain insurance coverage required by this Exhibit shall constitute a material breach of the Contract. In such event Contractor may at its option: (1) terminate the MANUFACTURER for default; or (2) purchase such coverage and back charge the premium and associated costs to MANUFACTURER; or (3) at their respective option, Bond Brothers, Inc. and/or an additional insured can require the MANUFACTURER to pay for attorneys' fees, expenses, damages and liability as a result of any claim or lawsuit to the extent coverage

would have been provided to them under MANUFACTURER's insurance but for MANUFACTURER's breach. Bond Brothers, Inc. has the right to back-charge MANUFACTURER for such sums. Furthermore, to the extent of their respective interest, the Insurers of those entities that were to be included as additional insureds are deemed to be third-party beneficiaries of the insurance procurement obligation.

- **No Waiver of Insurance Requirements**

IT IS EXPRESSLY AGREED BETWEEN BOND BROTHERS, INC. AND THE MANUFACTURER THAT THE FAILURE OF CONTRACTOR TO REQUIRE OR VERIFY COMPLETE AND TIMELY PERFORMANCE OF THE MANUFACTURER'S OBLIGATIONS UNDER THE SUBCONTRACT OR AGREEMENT SHALL NOT BE A WAIVER BY CONTRACTOR OF ANY RIGHT OF CONTRACTOR TO REQUIRE THE MANUFACTURER TO COMPLY WITH THESE INSURANCE REQUIREMENTS AND/OR TO SEEK DAMAGES BECAUSE OF MANUFACTURER'S FAILURE TO COMPLY WITH THE INSURANCE REQUIREMENTS REQUIRED HEREUNDER.
