UCH, MAIN BUILDING LABORATORY RENOVATION
PROJECT NUMBER: 19-007

Issued October 15, 2019

All Prospective Prequalification Applicants:

Application Clarification:

Applicant Questions

1. In regards to the referenced project for Prequalification, many of our qualified projects exceed the 7 year cap, would projects completed by current management staff be acceptable to this submission?

UCH Answer: It is acceptable to submit projects completed more than seven years ago provided that those who worked on the projects are currently employed with your company and would be part of the proposed team for this project (UCH Main Building Laboratory Renovation).
