Connecticut Libraries Fiber Consortium
Responses to questions from vendors regarding the Internet RFP package

Q&A posted on November 12, 2019

QUESTION: Can you please tell me what the bandwidth requirements are per site? I didn't see that on the spreadsheet with the locations.

ANSWER: The Consortium is seeking bids for Internet service at speeds of 25Mbps, 50Mbps, 100Mbps, 200Mbps, 500Mbps, and 1Gbps for each library. Vendors may provide bids for all or part of the attached list of Consortium member libraries.
