SECTION 3 of 4: **DEBARMENT CERTIFICATION**

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY
EXCLUSION - - LOWER TIER COVERED TRANSACTIONS

INSTRUCTIONS FOR CERTIFICATION

- 1) By signing and submitting this application, the prospective recipient of Federal assistance funds is providing the certification as set out below.
- 2) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, UConn Health may pursue available remedies, including suspension and/or debarment.
- 3) The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to whom this application is submitted if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 4) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "application," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549.
- 5) The prospective recipient of Federal assistance funds agrees by submitting this application that, should the proposed covered transactions be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by UConn Health.
- 6) The prospective recipient of Federal assistance funds further agrees by submitting this application that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 7) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determined the eligibility of its principals. Each participant may, but is not required, to check the List of Parties Excluded from procurement or Non-Procurement Programs.
- 8) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 9) Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is debarred, suspended, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, UConn Health may pursue available remedies including suspension and/or debarment.

Before signing Certification, read all the instructions which are an integral part of the Certification.

- 1) The prospective recipient of Federal assistance funds certifies, by submission of this application, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- 2) Where the prospective recipient of Federal assistance funds is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this application.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
- (b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the bidder’s promise to develop and implement a successful affirmative action plan;
- (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

 - The prices quoted were arrived at independently, without consultation, communication, or agreement with any other individual or entity for the purpose of restricting competition in connection with this RFP.
 - Unless otherwise required by law, proposer has not knowingly disclosed its price response directly or indirectly to any other individual or entity.
 - No attempt has been made, or will be made, by the proposer to induce any other individual or entity to submit or not to submit a proposal for the purpose of restricting competition.
 - No elected or appointed official or employee of the State of Connecticut has or will benefit financially or materially from this procurement, and proposer shall notify UConn Health immediately if proposer becomes aware of a potential or actual conflict of interest. Proposer further acknowledges that any award resulting from this RFP may be terminated by UConn Health if it is determined that gratuities of any kind were offered to or received by any of the aforementioned officials or the proposer's employees or representatives.
 - If this is a solicitation for a "state contract" as defined in Section 9-612 of the Connecticut General Statutes, having a value of \$50,000 or more, or a combination or series of such agreements or contracts having a value of \$100,000 or more in a calendar year, the proposer has received the State Elections Enforcement Commission's notice advising state contractors, prospective state contractors and their principals of state campaign contribution and solicitation prohibitions.

- Each proposal is a binding commitment on the part of the proposer, which UConn Health may incorporate by reference or otherwise, into any order and/or contract with that proposer. The proposal must include evidence that it has been duly delivered on the part of the proposer, that the persons submitting the proposal have the requisite corporate power and authority to structure, compile, draft, submit and deliver the proposal, and subsequently to enter into, execute, deliver and perform on behalf of the proposer any award/contract that results from this RFP.
- The selected proposer shall be bound by UConn Health's standard terms and conditions of purchase at the time of award, unless such terms are modified by formal agreement of the parties. This RFP includes a sample of or electronic link to the required terms and conditions, which may be in the form of a purchase order and/or a counter-signed contract, at UConn Health's discretion. Any proposer that wishes to take exception to or otherwise modify UConn Health's terms and conditions in any way must submit all such requested changes with its proposal, for UConn Health's consideration.
- All proposals submitted become the sole property of UConn Health and will not be returned.
- All proposals are subject to public inspection after the award/contract has been finalized.

Price Quotes

- Proposers must honor their quoted prices for a period of one hundred eighty (180) days from the due date of the proposal. Proposers may, at their option, agree to honor their quoted prices for a longer period of time.
- In the event of a discrepancy between the unit price and the extension, the unit price shall govern. Prices must be extended in decimal, not fraction.
- Pursuant to Section 12-412 of the Connecticut General Statutes, the State of Connecticut is exempt from the payment of excise, transportation and sales taxes imposed by the federal government and/or the State. Such taxes must be excluded from proposal prices.
- To enable an accurate comparison of price submissions, each proposer's response must clearly and completely list all costs associated with the goods/services requested by this RFP. This RFP's pricing response form or other instructions may require certain costs, such as shipping and handling,

to be broken out or itemized separately. Proposals must comply with all such instructions and pricing must be entered directly into the fields on the form(s) included with this RFP. Proposers will not be permitted to add any categories of costs or other amounts to their total price submission after award.

Freedom of Information

21. Due regard will be given for the protection of proprietary or confidential information contained in all proposals received. However, proposers should be aware that all materials associated with this RFP are subject to the Connecticut Freedom of Information Act (FOIA) and all rules, regulations and interpretations resulting therefrom. It is not sufficient for proposers to merely state generally that their proposal is proprietary or confidential in nature. Any sentences, paragraphs, pages or sections which a proposer believes to be exempt from disclosure under the FOIA must be specifically identified as such, and a convincing explanation and rationale for each exemption, consistent with the FOIA provisions, must accompany the proposal. The explanation and rationale must be stated in terms of the prospective harm to the competitive position of the proposer that would result if the identified material were to be released and the reasons why the material is legally exempt from release pursuant to the FOIA. In no event shall UConn Health have any liability for the disclosure of any documents or information in its possession which UConn Health believes are required to be disclosed pursuant to FOIA or other requirements of law.

Samples

22. The quality of accepted samples does not supersede the specifications for quality in the RFP unless the sample is superior in quality. All deliveries shall have at least the same quality as any accepted sample.
23. Samples shall be furnished free of charge. Proposers must indicate if return of any sample is desired. UConn Health shall comply with such request provided samples are returned at proposer's sole cost and expense, FCA UConn Health's facility (Incoterms 2010), and that they have not been made useless by testing. If they are made useless by testing, UConn Health may dispose of the samples as it deems to be appropriate. Samples may be held for comparison with deliveries.

Guaranty or Surety

24. Bid and/or performance bonds may be required. Bonds must meet the following requirements: If proposer is a corporation, the bond must be signed by an official of the corporation above his/her official title with corporate seal affixed over the signature; if proposer is a firm or partnership, the bond must be signed by all partners "doing business as" proposer entity; if proposer is an individual, the bond must be signed by the owner, identified as "Owner." The surety company executing or countersigning the bond must be licensed in Connecticut. The bond must be signed by an official of the surety company with the corporate seal affixed over his/her signature. Signatures of two witnesses for both the principal and the surety must appear on the bond. Power of attorney for the official signing the bond for the surety must be submitted with the bond.

Award

25. Notice of selection will be made to the proposer(s) whose proposal(s) UConn Health deems to be the most advantageous to UConn Health, in accordance with the criteria set forth in the RFP.
26. The selected proposer has ten (10) days after notice to refuse acceptance of the award. At UConn Health's sole discretion, after ten (10) days, the award may be binding; in that case, UConn Health's issuance of a purchase order to the notified proposer will obligate that proposer to provide the requested goods/services at the prices contained in the proposal. If the selected proposer refuses acceptance of the award within the ten-day period, notice will be made to the next proposer(s) whose proposal(s) UConn Health deems to be the most advantageous to UConn Health, in accordance with the criteria set forth in the RFP.
27. UConn Health reserves the right to make an award to multiple proposers.
28. The selected proposer shall not expect or require UConn Health to issue a purchase order to, or sign a contract with, any other individual or entity for the goods/services that the proposer included in its proposal.
29. UConn Health may reject the proposal of any proposer that is, or has a principal/member who is, in default of any prior contract or guilty of misrepresentation.

30. UConn Health may correct inaccurate awards resulting from clerical or administrative errors. This may include, in extreme circumstances, revoking an award already made to a proposer and subsequently awarding the business to another proposer. Such action shall not constitute a breach of contract by UConn Health since the award to the initial proposer is deemed to be void and of no effect as if no contract ever existed between UConn Health and such proposer.
31. The award is contingent upon: a) the selected proposer's acceptance of the terms and conditions of UConn Health's purchase order and/or standard contract (at UConn Health's discretion), or if the proposer submitted exceptions or requested changes to UConn Health's standard language, the negotiation of terms and conditions acceptable to both parties; and b) proposer's execution of the applicable required State of Connecticut certifications and affidavits. Samples of, or electronic links to, the relevant documents are included with this RFP.
32. The selected proposer shall be bound by UConn Health's standard terms and conditions of purchase at the time of award, unless such terms are modified by formal agreement of the parties. This RFP includes a sample of or electronic link to the required terms and conditions, which may be in the form of a purchase order and/or a counter-signed contract, at UConn Health's discretion. Any proposer that wishes to take exception to or otherwise modify UConn Health's terms and conditions in any way must submit all such requested changes with its proposal, for UConn Health's consideration
33. Any award and any acquisition of goods/services resulting from this RFP are contingent upon UConn Health's ability to cancel such award and/or acquisition, without penalty, if the applicable funds are not available for required payment or if the goods or services fail to meet UConn Health's minimum criteria for acceptance or performance reliability.
34. UConn Health's Affirmative Action, Non-Discrimination and Equal Opportunity Policy is set forth in Policy Number 2002-44. UConn Health will not knowingly award business to a proposer that discriminates against members of any class protected under Sections 4a-60 or 4a-60a of the Connecticut General Statutes.
35. Purchases resulting from this RFP will be in compliance with all applicable laws and regulations.

Specifically, and without limiting the foregoing, this proposal is subject to the provisions of the following Executive Orders: Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, regarding nondiscrimination clauses in state contracts; Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, regarding the posting of job openings with the Connecticut State Employment Service; Executive Order No. Sixteen of Governor John G. Rowland, promulgated August 4, 1999, regarding prevention of violence in the workplace; Executive Order No. Fourteen of Governor M. Jodi Rell, promulgated April 17, 2006, regarding the use of cleaning and/or sanitizing products having properties that minimize potential impacts on human health and the environment, consistent with maintaining clean and sanitary facilities; and Executive Order No. 7C of Governor M. Jodi Rell, promulgated July 13, 2006, establishing the State Contracting Standards Board.

36. The selected proposer shall comply with UConn Health and John Dempsey Hospital policies and procedures, as well as all applicable laws, ordinances, rules regulations, standards, and orders of governmental, regulatory and accrediting bodies, including but not limited to The Joint Commission, having jurisdiction in the premises.

Oral Agreement or Arrangements

37. Any alleged oral agreements or arrangements made by UConn Health employees or representatives will be disregarded in proposal evaluation, proposer selection, and any associated award.

Subletting or Assigning of Award

38. Regardless of whether a proposal references the names of, or incorporates quotes or other documentation from, other individuals or entities, UConn Health has sole discretion as to whether the selected proposer is allowed to utilize subcontractor(s) to perform any part of the award. If UConn Health allows subcontracting:
 - a. the selected proposer must obtain UConn Health's express written authorization to subcontract;
 - b. the selected proposer must still provide the majority of services described in this RFP;
 - c. any subcontractor(s) must be approved by UConn Health prior to commencing any work;

- d. the selected proposer shall not prohibit UConn Health from communicating directly with any subcontractor;
 - e. the selected proposer shall be solely responsible for all payment of costs and fees charged by the subcontractor(s);
 - f. UConn Health shall not be required to enter into a direct contractual relationship with any of the selected proposer's subcontractors; and
 - g. the selected proposer shall promptly provide a performance evaluation of any subcontractor to UConn Health upon request.
39. The award resulting from this RFP may not be assigned by the selected proposer without the express written permission of UConn Health.

Acceptance of UConn Health Terms and Conditions

40. This RFP is not a contract and, alone, shall not be interpreted as such. Rather, this RFP serves as the instrument through which proposals are solicited. Once the evaluation of proposals is complete and proposer(s) selected, the relevant proposal(s) and this RFP may then serve as the basis for a contract that will be effective upon UConn Health's issuance of a purchase order to the selected proposer(s) referencing the RFP and the proposal, and/or (at UConn Health's discretion) the execution of a contract by UConn Health and the selected proposer(s). This RFP and the proposal may be referenced in and/or attached to the purchase order and/or contract. If the first selected proposer refuses to accept UConn Health's purchase order or contract terms and conditions, UConn Health may select another proposer. UConn Health may decide at any time to start the RFP process again.
41. Samples of and/or electronic links to UConn Health's required terms and conditions in the form of a purchase order and/or contract, and the required State of Connecticut certifications and affidavits, are included with this RFP. By submitting a proposal, the proposer acknowledges that it has read all of the documents, and that it understands that the selected proposer(s) will be expected to agree to all of UConn Health's required terms and conditions without exception, and sign all applicable documents, including (at UConn Health's discretion) UConn Health's standard contract, unless the proposer includes with its proposal all of its requested changes to UConn Health's terms and conditions. Refusal to accept UConn Health's terms and conditions may result in the award being made to a different proposer.

42. In accordance with Section 4a-81 of the Connecticut General Statutes, proposers are notified that no state agency shall execute a contract for the purchase of goods or services, which contract has a total value to the state of fifty thousand dollars or more in any calendar or fiscal year, unless the state agency obtains a written affidavit from one of the proposer's principals or key personnel attesting as to whether any consulting agreement has been entered into in connection with the contract being awarded. Such affidavit shall be required if any duties of the consultant included communications concerning business of such state agency, whether or not direct contact with a state agency, state or public official or state employee was expected or made. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the state, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the state, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction or requests for information, or (C) any other similar activity related to such contract. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of Chapter 10 of the Connecticut General Statutes concerning the State's Codes of Ethics, as of the date such affidavit is submitted. Such affidavit shall: be sworn as true to the best knowledge and belief of the person signing the certification on the affidavit; be subject to the penalties of false statement; and include the name of the consultant, the consultant's firm, the basic terms of the consulting agreement, a brief description of the services provided, and an indication as to whether the consultant is a former state employee or public official. If the consultant is a former state employee or public official, such affidavit shall indicate his or her former agency and the date such employment terminated. If there is any change in the information contained in the most recently filed, an updated affidavit shall be submitted either (A) not later than thirty days after the effective date of any such change, or (B) upon the submittal of any new bid or proposal, whichever is earlier. If a proposer refuses to submit the affidavit required by C.G.S. § 4a-81, the proposer shall be disqualified.

43. In accordance with Section 4-252 of the Connecticut General Statutes, proposers are notified that no state agency shall execute a large state contract unless the state agency obtains a written certification from one of the proposer's principals or key personnel, certifying that: (1) no gifts were made by (A) the proposer, (B) any of proposer's principals and key personnel who participate substantially in preparing bids, proposals or negotiating state contracts, or (C) any of proposer's agents who participates substantially in preparing bids, proposals or negotiating state contracts, to (i) any public official or state employee of the state agency soliciting bids or proposals for state contracts, who participates substantially in the preparation of bid solicitations or requests for proposals for state contracts or the negotiation or award of state contracts, or (ii) any public official or state employee of any other state agency, who has supervisory or appointing authority over such state agency; (2) no such principals, key personnel or agents of the proposer knows of any action by the proposer to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the proposer to provide a gift to any such public official or state employee; and (3) the proposer is submitting bids or proposals without fraud or collusion with any person. Each certification shall be sworn as true to the best knowledge and belief of the person signing the certification, subject to the penalties of false statement. If there is any change in the information contained in the most recently filed certification, an updated certification shall be submitted either (A) not later than thirty days after the effective date of any such change, or (B) upon the submittal of any new bid or proposal for a large state contract, whichever is earlier. An accurate, updated certification must also be submitted not later than 14 days after the 12-month anniversary of the most recently filed certification or updated

certification. If a proposer refuses to submit the certification required by C.G.S. § 4-252, the proposer shall be disqualified. Definitions of the terms "gift," "public official," "state employee," "state agency," "large state contract," "principals and key personnel," and "participated substantially" are provided in Section 4-250 of the Connecticut General Statutes.

Ownership of Goods/Services

44. Any goods/services, whether acceptable or unacceptable, first developed or reduced to practice under an award made as a result of this RFP shall be the sole property of UConn Health unless otherwise agreed to in writing by UConn Health.

Performance and Payments

45. Under no circumstances shall the selected proposer begin to perform prior to the effective date of any contract created by the issuance of a purchase order or the execution of an agreement by UConn Health and the proposer. UConn Health shall have no obligation to proposers who begin performance prior to execution of a contract or receipt of UConn Health's purchase order.

46. All payments shall adhere to the pricing and terms specified in the award.

Evaluation of Performance

47. During or after the term of any award that results from this RFP, UConn Health may conduct evaluations of the selected proposer's performance. The selected proposer shall cooperate with UConn Health in any such evaluations and work with UConn Health to correct any deficiencies noted.

Amendment or Cancellation

48. UConn Health reserves the right to cancel, amend, modify or otherwise change this RFP at any time if it deems such action to be in the best interest of UConn Health.

 - 6.16.3.5 Whether a law enforcement official has advised Business Associate, either verbally or in writing, that he or she has determined that notification or notice to Individuals or the posting required under 45 C.F.R. 164.412 would impede a criminal investigation or cause damage to national security and, if so, contact information for said official.
- 6.16.4 If directed by Covered Entity, Business Associate agrees to conduct a risk assessment using at least the information in subparagraphs 6.16.3.1-4 of this BAA and determine whether, in its opinion, there is a low probability that the PHI has been compromised. Such recommendation shall be transmitted to Covered Entity within ten (10) business days of Covered Entity's direction to assess risk.
- 6.16.5 If Covered Entity determines that there has been a Breach by Business Associate or a subcontractor of Business Associate, Business Associate, if directed by Covered Entity, shall provide all notifications required by 45 C.F.R. 164.404 and 45 C.F.R. 164.406.
- 6.16.6 Business Associate agrees to provide appropriate staffing and have established procedures to ensure that individuals informed of a Breach have the opportunity to ask questions and contact Business Associate for additional information regarding the Breach. Such procedures shall include a toll-free telephone number, an e-mail address, a posting on its website and a postal address. Business Associate agrees to include in the notification of a Breach by Business Associate to Covered Entity, a written description of the procedures that have been established to meet these requirements. Costs of such contact procedures will be borne by Business Associate.
- 6.16.7 Business Associate agrees that, in the event of a Breach, it has the burden to demonstrate that it has complied with all notifications requirements set forth above, including evidence demonstrating the necessity of a delay in notification to Covered Entity.

- 7.1 General Use and Disclosure Provisions. Except as otherwise limited in this BAA, Business Associate may use or disclose PHI to perform functions, activities, or services for, or on behalf of, Covered Entity as specified

in this BAA or any underlying contract, provided that such use or disclosure would not violate the HIPAA Standards if done by Covered Entity.

7.2 Specific Use and Disclosure Provisions

7.2.1 Except as otherwise limited in this BAA, Business Associate may use PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate.

7.2.2 Except as otherwise limited in this BAA, Business Associate may disclose PHI for the proper management and administration of Business Associate, provided that disclosures are Required by Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached.

7.2.3 Except as otherwise limited in this BAA, Business Associate may use PHI to provide Data Aggregation services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B).

8. Obligations of Covered Entity.

8.1 Covered Entity shall notify Business Associate of any limitations in its notice of privacy practices of Covered Entity, in accordance with 45 C.F.R. § 164.520, or to the extent that such limitation may affect Business Associate's use or disclosure of PHI.

9. Permissible Requests by Covered Entity. Covered Entity shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the HIPAA Standards if done by Covered Entity, except that Business Associate may use and disclose PHI for data aggregation, and management and administrative activities of Business Associate, as permitted under this BAA.

10. Term and Termination.

10.1 Term. This BAA shall be effective as of the date it has been signed by both parties and shall continue for as long as Business Associate has possession of or access to Covered Entity's PHI. This BAA may be terminated only after the information collected in accordance with provision 6.10 of this BAA is provided to Covered Entity and all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or, if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this section.

10.2 Termination for Cause. Upon Covered Entity's knowledge of a Breach or of a violation of the terms of this BAA by Business Associate, Covered Entity shall either:

10.2.1 Provide an opportunity for Business Associate to cure the Breach or end the violation and terminate Business Associate's provision of services as well as any applicable underlying contract if Business Associate does not cure the Breach or end the violation within the time specified by Covered Entity; or

10.2.2 Immediately terminate Business Associate's provision of services as well as any applicable underlying contract if Business Associate has violated a material term of this BAA and cure is not possible; or

10.2.3 If neither termination nor cure is feasible, Covered Entity shall report the Breach and/or violation to the Secretary.

10.3 Effect of Termination.

10.3.1 Upon termination of Business Associate's provision of services for any reason, Business Associate shall return or destroy all PHI received from Covered Entity, or created, maintained, or received by Business Associate on behalf of Covered Entity. Business Associate shall also provide the information collected in accordance with section 6.10 of this BAA to Covered Entity within ten (10) business days of the notice of termination. This section shall apply to PHI that is in the possession of subcontractors or agents of Business Associate. Business Associate and its subcontractors shall retain no copies of the PHI, except as provided in section 10.3.2 of this BAA.

10.3.2 In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make return or destruction infeasible. Upon documentation by Business Associate that return or destruction of PHI is infeasible, Business Associate shall extend the protections of this BAA to such PHI and limit further uses and disclosures of PHI to those purposes that make return or destruction infeasible, for as long as Business Associate maintains such PHI. Infeasibility of the return or destruction of PHI includes, but is not limited to, requirements under state or federal law that Business Associate maintains or preserves the PHI or copies thereof.

11. Miscellaneous.

11.1 Regulatory References. A reference in this BAA to a section in the Privacy Rule means the section as in effect or as amended.

11.2 Amendment. The parties agree to take such action as in necessary to amend this BAA from time to time as is necessary for Covered Entity to comply with requirements of the Privacy Rule and the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191.

11.3 Survival. The respective rights and obligations of the parties under this BAA shall survive the termination of Business Associate's provision of services to or on behalf of Covered Entity and any underlying contract for such services.

11.4 Effect on Other Contract(s). Except as specifically required to implement the purposes of this BAA, all other terms of any other duly executed underlying contract shall remain in force and effect. The parties agree that this BAA is incorporated into any underlying contract under which Contractor is a Business Associate of UConn Health.

11.5 Construction. This BAA shall be construed as broadly as necessary to implement and comply with the Privacy Standard. Any ambiguity in this BAA shall be resolved in favor of a meaning that complies, and is consistent with, the Privacy Standard.

11.6 Disclaimer. Covered Entity makes no warranty or representation that compliance with this BAA will be adequate or satisfactory for Business Associate's own purposes. Business Associate is solely responsible for all decisions made, and actions taken, by Business Associate regarding the safeguarding, use and disclosure of PHI within its possession, custody or control.

11.7 Indemnification. Business Associate shall indemnify and hold Covered Entity harmless from and against any and all claims, liabilities, judgments, fines, assessments, penalties, awards and any statutory damages that arise from the unauthorized use or disclosure of PHI by Business Associate or any of its officers, directors, employees, contractors, subcontractors or agents, or any third party to whom Business Associate has disclosed PHI contrary to this BAA or applicable law, including, without limitation, attorney's fees, expert witness fees, costs of investigation, litigation or dispute resolution, and costs awarded under HIPAA, the HITECH Act, or the HIPAA Standards.

11.8 Governing Law, Venue and Claims Against the State. Except to the extent preempted by federal law, this BAA and any disputes arising herefrom shall be governed by the laws of the State of Connecticut, without

giving effect to its conflicts of laws principles. Business Associate agrees that the sole and exclusive means for the presentation of any claim against Covered Entity arising from this BAA shall be in accordance with Chapter 53 of the Connecticut General Statutes (Claims Against the State) and Business Associate further agrees not to initiate legal proceedings in any state or federal court in addition to, or in lieu of, said Chapter 53 proceedings. Notwithstanding and without waiving the foregoing, and without waiving or compromising the State of Connecticut's sovereign immunity or immunity provided under the Eleventh Amendment of the Constitution in any way, to the extent that any immunities provided by state or federal law do not bar an action against Covered Entity, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, any permitted action against Covered Entity shall be brought only in the Judicial District of Hartford or the United States District Court for the District of Connecticut, and shall not be transferred to any other court. Business Associate waives any objection it may have to the laying of venue of any claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.
