PREQUALIFICATION APPLICATION NO. UCHC4-124503220
UCH, DERMATOLOGY CLINIC RENOVATION
PROJECT NUMBER: 17-037

Issued November 18, 2019

All Prospective Prequalification Applicants:

Application Revision:

1. Contractor Qualifications section of application will be replaced with the following.

Contractors pre-qualified to submit bids on this project must demonstrate, through past experience, their ability to successfully complete projects of a similar nature (3 examples within the past 7 years). That is, successful projects involving the renovations of complex clinical and/or hospital space or research laboratories within an occupied setting. Construction activities shall be coordinated to minimize impacts to campus operations, such as occupied hospital, research or clinic settings requiring infection control measures. The Contractor and substantial Subcontractors shall be subject to the Department of Administrative Services (DAS) building construction and prequalification statutes. The contractor's experience must demonstrate the ability to complete similar projects with a value of approximately \$1,800,000 and also have bonding capacity of \$2,000,000.
