Introduction

UCFS is seeking a vendor to provide pricing on medical and dental supplies as well as pricing on dental equipment and repair/maintenance services.

UCFS

United Community and Family Services, Inc. (UCFS) is a nonprofit 501(c)(3) that has served Eastern CT since 1877. Designated as a Federally Qualified Health Center in 2014, UCFS' current scope of project includes Primary Medical Care, including Pediatrics, Adult and Geriatrics; Women's Health/Gynecology; Dentistry and Dental Hygiene; and Behavioral Health including Counseling, Psychiatry, Substance Abuse treatment and Addiction Services including the state's largest Gambling Addiction program.

Confidentiality

This RFP is the property of UCFS and must be held in strict confidence. The RFP contains information regarding UCFS operations and is provided solely for the purpose of submitting a proposal. The Bidder shall not disclose to anyone, other than those who need to know in order to respond to this RFP, any information concerning this RFP. In some cases the selected vendor will need to demonstrate HIPAA compliance and where applicable will be required to enter into a Business Associates Agreement (BAA). If this is required it will be outlined below.

UCFS Contact Information

All questions pertaining to this RFP shall be in written form and sent via email to: wrush@ucfs.org. Should you need to contact by phone call 860-822-4153 which is a direct line to William Rush.

Bid Delivery Instructions

Submit (2) copies of the complete proposal either by hand or mailed overnight to the name and address listed below. All envelopes must be sealed and all responses to the RFP must be received by 5PM on February 14, 2020.

United Community and Family Services, Inc.
Attn: William Rush
Address: 34 East Town Street
Norwich, CT 06360

RFP Terms and Schedule

Schedule Milestones	Date	Time (where applicable)
Issue RFP	January 17, 2020	
Walk Through	Not Applicable	
Pre-Bid Conference Call	January 23, 2020	2 PM
Last Day to Submit Questions	January 30, 2020	5 PM
Response to Final Questions	February 6, 2020	5 PM
Bids Due	February 14, 2020	5 PM

Bid Opening (where applicable)	Not Applicable	
Estimated Bid Award	March 20, 2020	
Delivery and Installation	Not Applicable	

Scope of RFP

We are seeking vendors to provide pricing for medical supplies, dental supplies, new dental equipment and repair/maintenance services on new and existing dental equipment.

Proposal Format and Content

The proposal shall respond to the following items within the format described.

➤ **General Letter of Interest**

Maximum one page including the name of the firm, address, telephone number, email address, website address, facsimile number and contact person.

➤ **History and Credentials**

Provide no more than a one page summary that describes your firm’s history, years in practice, stability and strength of being able to perform the RFP requirements, health care experience, general qualifications, and scope of services provided.

➤ **Firm Resources**

1. Indicate location of corporate headquarters and other divisional offices (if any). Specify which office or offices will be involved in this project.
2. List specific personnel proposed for the project team. Indicate the role or area of responsibility of each individual. Include details on how repair requests will be handled including response time.
3. Include federal tax identification number and if incorporated, state in which incorporated.

➤ **Pricing Spreadsheet**

A spreadsheet is attached listing medical supplies, dental supplies and sample equipment that we have purchased over a recent 12 month period (Attachment A and Attachment B) . We ask that you not modify the rows on this spreadsheet. However, you may add columns to show information such as your item description/part number, content size, manufacturer’s description, core pricing, volume pricing, pricing under special programs or purchasing groups, shipping, notes, etc. The information you provide should allow us to clearly determine that your pricing is for the same product in our pricing spreadsheet. Please note that for comparative purposes please specify shipping costs if any separately by line item. Pricing on the equipment portion of the listing must separately disclose cost of removal of old as well as shipping and installation.

- **Equipment Maintenance Schedule**

Attached is a listing of equipment that requires scheduled maintenance (Attachment C). We ask that your proposal provide pricing for performing each scheduled maintenance service at the listed locations as well as who will be providing that service (vendor employee, subcontractor, etc.).
- **Technology**

Please outline any electronic resources available to assist UCFS in ordering, downloading billing statements, tracking order history, customizing order listings by user/location, etc. Also disclose any specific technology that will be needed by UCFS to interface with your technology solution(s).
- **Requests for Clarifications or Modifications**

Requests for clarifications or modifications must be presented at the pre-bidders' conference call scheduled for January 23, 2020 at 2 PM by calling 1-669-202-3202 and access code 7038367#. If modifications are allowed for a requested bid item, please provide detailed specifications, warrantee/guarantee and pamphlets showing the replacement item with each item.
- **Brand Names**

Where brand items are specified in the bid request, pricing is required for these items as specified. Vendor may propose alternative products by adding columns to the right of the requested item disclosing brand, description, part number, unit size and price.
- **Samples**

We reserve the right to request samples of proposed supplies to compare quality and comparability with existing supplies.
- **Guarantee and Warranty Information**

For both medical and dental supplies we ask that you outline any guarantee or warrantee offered and the terms and conditions of such. For the equipment items you must provide guarantee/warrantee information for each item listed.
- **Promotional Programs or Incentives**

Please provide any promotional programs or incentives provided. Please be specific as to what products it may apply. For example, you may have a program that offers buy 3 and get 1 free for certain products. If pricing is under a promotional program does having products shipped to multiple locations effect pricing (e.g. shipping to our main site at 47 Town Street vs our various and much smaller school based health centers?
- **Delivery Requirements**

See the heading marked Pricing Spreadsheet. If variable circumstances affect delivery cost (such as volume of order), they must be disclosed in order to be considered under

the bid. We also have multiple locations and we may have orders shipped to any of the locations listed on our website www.ucfs.org. Please outline any cost differential or parameters for delivering to any of our sites. Also, please provide us with information on the timeframe from placing an order to receiving the order (turnaround time).

➤ **Packaging Requirements and Disposal of Packaging Material**

For larger items/equipment please describe how the packaging materials will be handled (e.g. who disposes, at what costs and who is responsible for these costs...).

➤ **Defective Items Handling**

Please provide a description on how defective items will be handled as it relates to associated costs of shipping and handling, time frame for removal of defective item from premises, costs of uninstalling defective and replacing with new, who is responsible for costs associated with uninstalling/replacing, etc. If applicable, provide additional information supporting your policies. Please provide details by type (e.g. medical supplies, dental supplies, equipment, etc.).

➤ **Returns Handling**

Please provide a description of who is responsible for the cost of shipping returned items, the return process and timeliness of credit issuance or replacement. Please also provide detail on issues such as: the item needs to be in original packaging, restocking fees, etc.

➤ **Repair/Maintenance Requirements**

Please provide us with your response time assurances for providing timely repairs and maintenance.

➤ **Use of Subcontractors**

Please outline whether you use subcontractors for shipping (either direction), installation, repairs and maintenance, etc. Also, please outline insurance requirements of subcontractors where applicable as specified in Proof of Insurance.

➤ **Contract Requirements**

Please outline any contractual terms and conditions that must be met in order to secure the stated pricing along with copies of the contract language.

➤ **Loaner Programs**

Please outline whether your organization has a loaner program to temporarily replace a damaged item while a repair is being performed (e.g. auto clave). If yes, please outline which equipment this is available and the cost structure, if any, during the loaner period.

➤ **References**

Submit a list of 3 references for each of the below categories:

- Medical supplies
- Dental Supplies
- Repair and Maintenance Services

➤ **Proof of Insurance**

Vendor shall purchase and maintain in full force defect insurance policies with the limits of insurance provided below:

- Commercial General Liability with limits not less than \$1,000,000 per occurrence, \$2,000,000 general aggregate, \$1,000,000 and \$2,000,000 products-completed operations aggregate. Such insurance shall cover liability arising from premises, operations, independent contractors, product-completed operations, personal and advertising injury and liability assumed under an insured contract.
- Business Automobile Liability with a limit of not less than \$1,000,000 each accident, including owned, non-owned, leased and hired vehicles.
- Statutory Workers Compensation & employers liability coverage for all employees, including corporate officers and sole proprietors.
- Umbrella/Excess Liability with a limit of not less than \$1,000,000 per occurrence/aggregate.

UCFS is to be included as an additional insured on a primary, non-contributory basis for the first bullet in this section. .

Vendor agrees to require any and all subcontractors hired to perform work on the contract to obtain insurance coverage as provided above. All such insurance coverage shall name UCFS as an Additional Insured on a primary, Non-contributory basis on form CG2010 11/85 or its equivalent. The foregoing coverages and limits are to be considered as minimum requirements and in no way limit the liability of the Subcontractor.

All policies required by this paragraph shall include a waiver of subrogation in favor of UCFS.

All policies and certificates of insurance shall expressly provide that UCFS must receive 30 days written notice in the event of material alteration, cancellation or nonrenewal of coverage.

➤ **Legal Concerns**

- A. Explain the circumstances and outcome of any litigation, arbitration, or claims filed against your company.
- B. Explain your General Liability Insurance Coverage.
- C. Explain your Professional Liability Insurance Coverage.

➤ **Other Matters**

Various checks will be performed to determine if each vendor and listed subcontractor has any restrictions, suspensions or debarment imposed by the federal government or regulatory body. Should any of these searches indicate a restriction it may result in the Bidder being eliminated from further consideration in the RFP process. Furthermore, should a debarment occur during our relationship this may also require us to sever our relationship with a vendor, supplier, contractor etc.

Selection Process

Proposals will be evaluated to determine the proposals that offer the best value to UCFS. The evaluation will be based upon the following criteria:

1. Cost Analysis: Product valuation, competitive pricing, overall cost
2. Warranty, guarantee, promotion and incentive programs
3. Experience in handling similar products and services with UCFS and other customers
4. Credentials of staff to be assigned to the contract
5. Ability to meet timely requirements to complete the contract
6. Are there any regulatory or legal restrictions that might disqualify the submitted vendor or subcontractors from the bidding process?
7. Technology available to help in ordering, billing support, return processing
8. Does the vendor and subcontractors have the necessary insurances to be considered a valid responder?
9. Were there any concerns raised during the reference checking process?

UCFS has discretion to:

- Choose not to accept any and all proposals submitted in response to this RFP.
- UCFS also reserves the right to award parts of the RFP to different vendors based on value, service, etc.
- Use additional selection criteria not identified in this document.

Bid Form
Due Date: February 14, 2020

The undersigned, who is legally authorized to sign bid documents on behalf of the firm is familiar with the conditions surrounding this Request for Proposal is aware that UCFS reserves the right to reject any and all proposals and is making submission without collusion with any other person, individual or corporate.
