Scope of Work:

The University is seeking a caterer to provide top quality meals and refreshments for special events and workshops aimed at transportation professionals and public works employees. Caterers interested in providing the required services should submit their discounted rates based on the following specifications, general terms and conditions, sample menus and tentative schedule of events.

In soliciting the Request for Proposal (RFP), it is the University's intent to establish a contract for its catering needs. If, in the University's opinion, savings can be realized by making awards to multiple suppliers the University will reserve the right to do so. The University reserves the right to order on an "as needed" basis for the term of the contract. The University will also reserve the right to negotiate by line item prior to any award and place orders in any manner deemed by the University to be in its best interest.

However, any such information is provided entirely at the bidder's own risk and the University assumes no liability for any loss or damage which may result from the University's disclosure at any time of any information provided by the bidder in connection with its proposal. ★
