

**Addendum No. 2  
to the Bidding Documents**

**Blatchley Avenue Wastewater Pump Station Demo Project  
Town of Southington, CT**

**Issued March 4, 2020**

Under the provisions of Article 7 of Section 00200, Instructions to Bidders, Bidders are informed that the Bidding Documents for the above mentioned Project are modified, corrected, and/or supplemented as follows. Addendum No. 2 becomes part of the Bidding Documents and Contract Documents.

Acknowledge receipt of this addendum by inserting its number on Page 00410-3, Article 5.2 of the Bid form. Failure to acknowledge receipt of the Addendum may subject the Bidder to disqualification.

**Bidding Period Questions & Responses**

The following responses/clarifications are based on questions received during the bidding period.

1. The insurance specification indicates that a builder's risk policy is required for the project. We are to demolition in all the equipment, and nothing is being built. Is the builders risk policy needed?

**A builder's risk policy is not required. Refer to Section 00800; Article 6, SC-6.05 which states which deletes the requirement.**

2. Contractor Pollution Liability noted on page 800-4 requires each occurrence \$1,500,000, General aggregate \$3,000,000.00 This amount seems excessive for the size of the small demo project. Can these limits be lowered to \$2,000,000 & \$2,000,000 respectively?

**These limits are the Town's standard limits and cannot be adjusted.**

3. Is an owner protective policy required?

**Refer to Section 00800; Article SC-6.04 for the Owner's Protective Liability Policy requirements.**
