Orange, CT 06477
- 2.4 **Questions** All questions shall be submitted by email to the Director of Public Works at [bbrinton@orange-ct.gov](mailto:bbrinton@orange-ct.gov). All questions will be answered by email. Any question received after 4:30 p.m. on Thursday, February 27, 2020, will not be answered.
- 2.5 Bidders are requested to provide contact information to the town by emailing [snapoli@orange-ct.gov](mailto:snapoli@orange-ct.gov) and [bbrinton@orange-ct.gov](mailto:bbrinton@orange-ct.gov), to ensure that they receive bid addenda, notice of rescheduling of the mandatory pre-bid site visit (for example, due to weather), and other notifications.

3.0 **BID FORMS AND SUBMISSION INSTRUCTIONS**

- 3.1 Copies of the bid documents may be obtained from the Town of Orange Website and State of Connecticut Contracting Portal.
- 3.2 Ditto marks are not considered writing; shall not be used; and can be reason for non-acceptance of a bid.

- 3.3 All bids must be submitted on the enclosed BID FORM, in a sealed envelope, clearly marked "BID FOR CLARK BUILDING ROOF REPLACEMENT" and received in the Public Works office by the time of the bid opening listed above. The BIDDER'S QUALIFICATION STATEMENT must also be enclosed in the sealed envelope. Bids, corrections, and/or modifications received after the time Town officials open the first bid will not be accepted.
- 3.4 The BID FORM must be signed by an authorized agent of the submitting company.
- 3.5 All information submitted, must be in ink or typewritten. Mistakes may be crossed out and corrections inserted. The person signing the bid form must initial corrections.
- 3.6 The inability to meet any specified requirement(s) shall be clearly stated in writing and attached to the bid form or written on the bid form.
- 3.7 At the time of opening the bids, bidders shall be presumed to have inspected the site and be thoroughly familiar with the bid documents. Failure of any bidder to inspect the project site, ask questions, or to examine the bid documents, shall not relieve any bidder from obligations with respect to their bid.
- 3.8 The specifications listed are to be interpreted as meaning those acceptable to the Town of Orange. Substitutions that are "an approved equal," will be considered.
- 3.9 **Bidders are responsible for checking the bid posting on the state contracting portal [www.biznet.ct.gov/SCP\\_Search](http://www.biznet.ct.gov/SCP_Search) or on the Town of Orange website for bid addenda, addendums and responses to bidders' questions, up to the time of the bid opening.**
- 3.10 Bidders must attend the mandatory pre-bid site visit.

#### 4.0 **TIME REQUIREMENTS**

Work shall be completed within 60 days from the Notice to Proceed.

#### 5.0 **PAYMENT**

- 5.1 Partial payments may be invoiced for up to 50% of the contract price for the estimated value of the work completed including the value of material and equipment delivered and stored at the site.
- 5.2 The remaining contract amount may be invoiced following completion of work and approval of the work by the town. Warranties and documentation that all subcontractors and suppliers have been paid must be submitted.
- 5.3 The Contractor will be paid within thirty (30) days of receipt of invoices approved by the town.

6.0 **MISCELLANEOUS**

- 6.1 Bidders may withdraw their bid any time prior to the time of bid opening. No bidder shall withdraw, cancel or modify their bid for a period of sixty (60) days after bid opening.
- 6.2 The Town of Orange is exempt from Connecticut Sales and Use Taxes and Federal Excise Taxes. Bidders shall avail themselves of these exemptions.
- 6.3 The Town of Orange reserves the right to accept any bid, to reject any or all bids, to waive any minor bid informality or irregularity, to take into account the residency and business location of bidders within the Town of Orange, and to award the bid deemed by the Town of Orange to be in its best interest. Lowest price shall not be the sole determining factor when awarding the bid. Bidders who are delinquent in taxes or fees to the Town of Orange will not be considered responsible bidders.
- 6.4 The successful bidder shall obtain all required permits. Town building (including electrical) permit fees will be waived, except for the state educational fee of \$0.26 per \$1,000 construction value.
- 6.5 Based on funding sources and estimated project costs, the following are not expected to be applicable to this project: prevailing wages; bid, payment and performance bonds; CT DAS contractor prequalification; and CHRO small/minority/women/disabled business set-asides.

8.0 **TERMINATION**

- 8.1 Failure to comply with any of the requirements herein may be considered breach of contract and as such shall be subject to termination of the contract by the Town.

9.0 **INSURANCE**

9.1 The Consultant, before commencing any work shall furnish the Town with a certificate, or certificates of insurance, naming the Town of Orange as an additional insured on a primary and non-contributory basis. Insurance policies shall be issued by a company accredited and licensed by the State of Connecticut to provide such insurance, for the work specified herein, with the minimum types and limits as follows:

Commercial General Liability:

a.	Each Occurrence	\$1,000,000
b.	General Aggregate	\$2,000,000

Automobile Liability:

a.	Each Accident	\$1,000,000
b.	Uninsured Motorist	\$1,000,000

Umbrella or Excess Liability: \$3,000,000

Workers' Compensation: Per Statute

Employers' Liability:

- a. Each Accident or Disease \$1,000,000
- b. Policy Limit \$1,000,000

Professional Liability: \$1,000,000

All insurance shall be kept in effect by the Consultant throughout the terms of this Contract. Any lapse of coverage shall be deemed a material breach of Contract and cause for immediate termination. The Town shall be named as **additional insured** on all applicable policies. A waiver of subrogation shall apply in favor of the Town of Orange.

If any insurance coverage is provided on a "claims made" policy basis, an extended reporting period of at least 3 years after the date of project completion or final payment is made, whichever occurs later. These insurance requirements are not a limitation of liability and may be subject to change based on specific project cost and scope.

To the fullest extent permitted by law, Consultant will defend, indemnify and hold the Town of Orange and all of their employees and boards harmless from and against all claims, bodily injury and property damage, judgments and expenses, including attorney fees that arise from or are alleged to arise from the performance of this work.

9.2 For purposes of insurance, all certificates and communications should be addressed to:

Director of Public Works/Town Engineer  
Town of Orange  
617 Orange Center Road  
Orange CT 06477

9.3 No changes may be made to the insurance without at least fifteen (15) days prior written notice to above identified Town official.

## 10.0 **BID, PERFORMANCE, AND PAYMENT BONDS**

10.1 Not applicable.

## 11.0 **PREVAILING WAGES**

11.1 Not applicable.

## 12.0 SCOPE OF WORK

General. All material and equipment supplied by the Contractor shall conform to the requirements of the Specifications. No changes shall be allowed unless they are improved, in writing, by the Town. All work shall be in accordance with Federal, State and local codes, including those of the Offices of the Fire Marshal and the Building Official.

Delivery & Installation. The equipment, material, and supplies shall be delivered to, and installed on the Clark Building, 605A Orange Center Road, Orange, CT 06477.

Hours of Work. The Contractor may perform work on the Project during the following work hours:

Monday – Friday: 7:00 a.m. to 7:00 p.m.

Saturdays – 9 a.m. to 5 p.m.

There is no work permitted on Sundays except if the Project is running behind schedule, and then only with permission of the Town. Request for Sunday work must be received no later than the end of the workday on the Thursday preceding the Sunday in question.

### **Clark Building Roof Replacement Scope of Work**

1. Shingle and other roofing material colors to be selected by owner.
2. Obtain building permit.
3. Remove and dispose of all existing roofing down to the roof deck, including shingles, underlayment, flashing, edging, and fasteners.
4. Remove, protect, and store existing gutters.
5. Remove and dispose of existing skylights and fill in roof openings with framing and plywood roof deck. Install framing, fiberglass insulation per code, sheetrock, tape, spackle, primer, and paint to fill in interior skylight openings.
6. Remove any damaged or deteriorated roof deck and replace with plywood at the unit price bid per 4' x 8' sheet.
7. The Contractor is responsible for supplying dumpsters and for removal and disposal of all removed material, trash, and debris from the project.
8. Tarps shall be used to protect the building, plantings, vehicles, and the public from debris. The job site shall be kept neat at all times and shall be fully cleaned at the end of each work day, including picking up any nails using magnets.
9. The driveways, parking lot, and building entrances shall be protected from debris during construction. The Contractor is responsible for safely conducting his operations to protect the public using the building. The Clark building is typically open between the hours of 8:00 am to 5:00 pm. The Contractor shall repair at its expense any damage caused by its operations. Contractor parking and material storage areas shall be as approved by the town.
10. During the progress of the Work, the Contractor shall conduct his operations and provide adequate pollution controls to minimize the creation and dispersion of noise, odors, dust, dirt, mud, and/or debris within and beyond the site. The Contractor shall protect the building from water intrusion during the project.

11. Install a minimum width of 6 feet of self-sealing ice and water barrier (GAF WeatherWatch or approved equal) at all eaves, and a minimum width of 3 feet at valleys, vertical walls and other changes in pitch, and roof penetrations such as chimneys and vents. Extend ice and water barrier down fascia behind gutters at eaves, and up vertical walls, chimneys, and other roof penetrations.
12. Install new aluminum drip and rake edging at roof perimeter.
13. Install synthetic underlayment (GAF FeltBuster or approved equal) over all remaining exposed roof deck.
14. On “flat” roof areas, install mechanically fastened, tapered polyiso insulation board to provide ¼ in. pitch per 1 ft. pitch for drainage (GAF EnergyGuard Tapered Polyiso Roof Insulation or approved equal), mechanically fastened ¼” roof board (GAF DensDeck or approved equal), and fully adhered 60 mil TPO membrane (GAF EverGuard or approved equal). All necessary membrane roof accessories such adhesives, fasteners, drains, vents, corners, curbs, flashing, and edge metal shall be supplied by the membrane roofing system manufacturer, unless a substitution is approved by the Engineer. Tie-ins to asphalt shingle roofs, vertical walls, etc. shall follow manufacturer approved details. Colored TPO membrane shall be used in locations where visible from the ground.
15. Install new eave/rake starter strip shingles (GAF WeatherBlocker or approved equal).
16. Install new architectural fiberglass shingles (GAF Timberline HD or approved equal) per CT building code. A minimum of 6 nails per shingle is required.
17. Install new aluminum step flashing at all vertical walls and roof penetrations.
18. Install new lead counter flashing on chimneys.
19. Install new aluminum neoprene vent pipe boots.
20. Install rolled ridge vent (GAF Cobra Exhaust Vent or approved equal).
21. Install hip and ridge cap shingles (GAF Seal-a-Ridge or approved equal).
22. Clean and reinstall existing gutters following construction. Pitch to drain ½ in. per 10 ft. to downspouts.
23. Perform final job site cleaning and remove all job debris from site. Pick up any remaining nails using magnets.
24. Provide written contractor’s and manufacturer’s roofing warranties. Minimum warranty periods are as follows:
  - a. Contractor’s Warranty (includes all labor and materials, not prorated): 2 years
  - b. Manufacturer’s Warranty (includes all labor and materials, not prorated): 5 years
  - c. Manufacturer’s Warranty (no labor, materials only, prorated): years 5 to 30
