

Attachment a. - Guide to Proposal Submission and Additional Information

1. Introduction To BizNet

It is a requirement of the State of Connecticut, acting by its Department of Administrative Services (DAS)/Procurement Division, that all Companies create a Business Network (BizNet) Account and add their company profiles to the State of Connecticut BizNet system. Companies are responsible for maintaining and updating company information in their BizNet Accounts as updates occur. Companies that have been certified through the Supplier Diversity or the Pre-Qualification Program have already created a BizNet account.

The BizNet login is: <https://www.biznet.ct.gov/AccountMaint/Login.aspx>

New Companies: Create an account by clicking the BizNet login link above and then the button on the right labeled "Create New Account". Login and select Doing Business with the State and Company Information. Please be sure to complete information in all tabs (Company Information, Accounts, Address, etc.).

Existing Companies Needing to Update Their Information: Login to BizNet and select Doing Business with the State and Company Information.

Anyone having difficulty connecting to their account or downloading or uploading forms should call DAS/Procurement Division at 860-713-5095.

2. Business Friendly Legislation

As a result of Public Act 11-229, DAS/Procurement Division's goal is to make doing business with the State of Connecticut more business friendly. To eliminate redundancy, forms that were repetitively filled out with each Request for Proposal (RFP) are automated in BizNet.

DAS/Procurement Division began the transition to on-line bidding by automating the submission of Affidavits and Non-Discrimination forms on October 1, 2011. Companies must submit forms electronically to their BizNet account if they haven't already done so. These forms must be updated on an annual basis, no later than 30 days after the effective date of any material change. Rather than completing them with each proposal submittal, companies that have already filed these forms have the ability to view, verify and update their information prior to submitting a proposal response.

3. Online Proposal Responses

Any response to a RFP posted by DAS/Procurement Division must be submitted electronically. The common forms listed below have also been automated in the BizNet system. In addition, specific forms are now fillable, as noted below. To complete forms; download them from your BizNet account, complete your submittal response, and then upload the completed documents (as well as any other required submittal documents) through BizNet prior to the date and time upon which the proposal is due pursuant to the RFP. Late submissions will not be accepted. All proposal responses submitted must be e-signed. Proposals that are not e-signed are not received by DAS/Procurement and cannot be viewed or considered. If any required documents have not been uploaded, the system will not allow you to e-sign. After successful e-signature, proposers will get a confirmation that their proposal has been successfully submitted. If you do not receive this electronic confirmation, please contact DAS/Procurement at 860-713-5095. Proposals are not publicly opened and are not available for viewing until after the Contract has been awarded.

4. Insurance Accord Certificates

Contractors are responsible for maintaining their BizNet accounts with new and/or updated insurance information.

The following documentation will need to be uploaded to each company's BizNet account and evidencing that the State is an additional insured:

- (a) Certificate of Insurance (Accord Form)
- (b) The insurance policy declaration page
- (c) The additional insured endorsement to the policy

Training documentation relating to the completion of the above-reference forms is available through the DAS Website under “DAS Business Friendly Initiatives” at the following website: <https://portal.ct.gov/-/media/DAS/DAS-Procurement-Services/Contracting/Upload-Instructions.pdf?la=en>

5. Amendment or Cancellation of the RFP

DAS reserves the right to cancel, amend, modify or otherwise change the RFP at any time if it deems it to be in the best interest of the State to do so.

6. Proposer Presentation of Supporting Evidence

Proposers must be prepared to provide any evidence of experience, performance, ability, and/or financial surety that DAS deems to be necessary or appropriate to fully establish the performance capabilities represented in their proposals.

7. Erroneous Awards

DAS reserves the right to correct inaccurate awards.

8. Proposal Expenses

Proposers are responsible for all costs and expenses incurred in the preparation of proposals and for any subsequent work on the proposal that is required by DAS.

9. Ownership of Proposals

All proposals shall become the sole property of the State and will not be returned.

10. Ownership of Subsequent Products

Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFP shall be the sole property of the State unless otherwise stated in the contract.

11. Oral Agreement or Arrangements

Any alleged oral agreements or arrangements made by proposers with any State agency or employee will be disregarded in any State proposal evaluation or associated award.

12. Request for Proposal document

The RFP document is not a contract and, alone, shall not be interpreted as such. Rather, the RFP only serves as the instrument through which proposals are solicited. The State will pursue negotiations with the proposer whose proposal scores highest. If, for whatever reason, DAS and the initial proposer fail to reach consensus on the issues relative to a contract, then DAS may commence contract negotiations with other proposers. DAS may decide at any time to suspend the current RFP process and start the RFP process again.
