PART B SCOPE OF WORK

B.1 Project Scope

The JCLM on behalf of the House Democratic Office of the CGA is seeking proposals for the printing and delivery of the 2020 district-wide newsletters for approximately 91 (ninety-one) state representatives.

B.1.1 Services

The awarded respondent shall perform the following work upon Contract award:

- (a) **Quantity:** There will be an average quantity of 8,500 to 9,500 newsletters printed for up to 91 (ninety-one) democratic representatives during the term of this Contract. Approximate newsletter counts for 2020 by range are included under Section E.3, "Evaluation Methodology," for informational purposes only. The final count for each legislative district may change slightly by the date of contract award. Actual counts will be included with each order placed. The CGA will neither be responsible for, nor pay for, overruns. Newsletter orders will be sent to the awarded respondent in varying quantities during the term of the contract, with the possibility that all approximately 91 (ninety-one) newsletters will be printed between June 1, 2020 and July 10, 2020. There is no guarantee that a specific number of newsletters will be ready to print at any given time. The majority of orders will include four newsletters at a minimum.
- (b) **Size:** Newsletters will be 10.5" x 17", to be scored and tri-folded to 10.5" x 5.75" (approximately). Newsletter samples are available by request.
- (c) **Paper Stock:** Paper stock is required, at a minimum, to be recycled paper that meets the standards and requirements mandated by C.G.S. § 4a-67f. 65# Finch Opaque Bright White Cover, Vellum Finish is the required paper stock for this printing project. A sample newsletter file has been included in this RFP as **Attachment D**. Respondents shall utilize this file to print and provide a sample newsletter on the specified paper with their sealed proposal for HDO's approval. Proposals that do not include this printed sample newsletter will be disqualified. Representatives of the House Democratic Office shall have final approval of proposed paper, and may reject any paper if it is found to be unsuitable. The awarded respondent shall be a Forest Stewardship Council (FSC) approved printer and shall be responsible for obtaining and placing the FSC logo on each printed piece. The House Democratic Office will designate the location of the FSC logo. It is the awarded respondent's responsibility to ensure that paper orders are processed in a timely fashion in order to meet the delivery deadline requirements of this contract. Upon request, the awarded respondent must provide a copy of their purchase order and the invoice received from the paper company supplying the paper stock for this printing project.
- (d) **Color:** Pricing shall be provided for 4/4 for all newsletters (process color) with full bleeds.

Preference will be given to environmentally responsible inks. Prior to final printing of each newsletter, the awarded respondent shall submit blue line or laser proofs within two (2) Business Days of receipt of newsletter files and purchase order. A Business Day is defined as Monday through Friday, excluding Connecticut state holidays and weekends. The CGA observes the following official state holidays: New Year's Day; Martin Luther King Jr. Day; Lincoln's Birthday; Washington's Birthday; Good Friday; Memorial Day; Independence Day; Labor Day; Columbus Day; Veterans Day; Thanksgiving Day; and Christmas Day.

- (e) **Format:** The House Democratic Office will provide camera-ready artwork prepared in Adobe InDesign CS6 & Acrobat DC software on CD/DVD disks or flash drives to be picked up by the awarded respondent or via FTP. All photos and digital art will be pre-scanned for output at 150 line screen. The awarded respondent shall complete all pre-press work. Each newsletter mailer will vary. The text, photographs, and artwork will be different for each newsletter. All final (approved and ready for print, including author's alterations) versions of each newsletter must be saved in adobe.pdf format and returned to the House Democratic Office.
- (f) **Press Checks:** House Democratic Office staff members reserve the right to attend press checks at the respondent's facility on any and all jobs if desired.
- (g) **Wafer Seals:** The awarded respondent shall affix two non-perforated translucent paper wafer seals on each finished, folded newsletter, to meet U.S. mailing requirements for automation compatible, letter-size mail. Wafer seals shall be placed perfectly flush with the side of the piece and in a consistent placement for each newsletter. Newsletter pieces with wafer seals that do not meet this specification will result in the print order being returned to the awarded respondent to be redone at its cost. Prior to the first newsletter printing, the

awarded respondent shall provide a sample of the wafer seal to be used and the examples of placement on newsletters. The awarded respondent shall include wafer seals and tabbing in its proposal pricing.

(h) **Turn-around Time:**

i. Signoff of Proofs:

The awarded respondent shall deliver blue line or laser proofs for signoff within two (2) Business Days after receiving the print order prior to the final printing. Respondents shall include onsite pickup and delivery in their proposal pricing. The awarded respondent shall, if necessary, pick up orders in person in Room 4100 of the Legislative Office Building.

ii. Delivery of Final Printed Newsletter:

Final printed newsletter pieces must be completed and delivered within five (5) Business Days from the date the CGA places the order. An order is placed when the awarded respondent receives the signed purchase order and newsletter files, whichever is later. Turn-around time for orders placed before noon will begin that Business Day, while turn-around time for orders placed after noon will begin the next Business Day. Please note that the awarded respondent must receive a signed purchase order prior to printing any newsletter order. The CGA reserves the right to with-hold payment for print orders which are processed without a purchase order.

Delivery must be made by 3:00 p.m. on the fifth Business Day. The awarded respondent shall schedule delivery of all newsletter pieces at least 24 hours prior to delivery, with an exact time of delivery to be agreed upon with a designated staff member of the House Democratic Office. The awarded respondent shall notify the State Capitol Police of the agreed upon delivery time at least 24 hours prior to delivery. Each newsletter must be packed in its own identifiable box. The newsletter contents of each box must face in the same direction and orientation. Each box must include between 750-1,000 newsletters. The awarded respondent shall assign a printer's representative as a liaison to the House Democratic Office to work on this printing project for the duration of the awarded Contract. Completed editions of newsletters addressed to the House Democratic Office, Capitol Room 107 must be delivered to the State Capitol's west entrance (ramp access), 210 Capitol Avenue, Hartford, CT during the hours of 8 a.m. and 3 p.m. All deliveries will go through a security scanner before being delivered and the awarded respondent's delivery person will make delivery to the final destination. Legislative staff is available to meet with the awarded respondent to review these procedures prior to scheduling the first district-wide newsletter delivery. Meetings shall be scheduled through OLM Contracting staff. Delivery procedures are subject to change during the course of the RFP process and resulting contract.

iii. Author's Alterations:

Following the awarded respondent's receipt of the print order, signed purchase order, and newsletter file, should HDO or the awarded respondent discover an error in the materials or HDO require a last minute change, author's alteration charges will apply and the turn-around time will begin anew upon the awarded respondent's receipt of the corrected materials. An author's alteration is defined as any change or correction not of the awarded respondent's error that is made in the proof stage up until final printing and delivery.

(i) **Election Year Deadlines:** It is anticipated that there will be up to 91 (ninety-one) newsletters produced during the term of this Contract. The substantial majority of newsletters, including the possibility of all 91 (ninety-one) newsletters, are required to be printed and mailed out not later than July 15, 2020.

Due to the strict election year mailing regulations of the Connecticut General Assembly, the ability to deliver all newsletters on time as outlined in subsection (h) is of critical importance in performing the requirements of this contract. The resulting tight time frame makes close proximity to Hartford and the ability to complete a majority of the 91 (ninety-one) newsletters within a few weeks particularly important. Therefore, respondents must have their main printing office located within a 50-mile radius of the Hartford, Connecticut city line and have adequate staff and equipment to produce all newsletters within the five (5) Business Day turn-around period, particularly during late June and early July 2020. Please note there is no guarantee that all 91 (ninety-one) newsletters will be ordered.

(j) **Vendor Restrictions:** The awarded respondent is prohibited from subcontracting out any portion of the work outlined in this RFP.

B.2 Required Qualifications

B.2.1 Required Respondent Qualifications

Respondents shall demonstrate that they retain both the personnel and equipment required to produce the newsletters specified within the required time frame. An on-site inspection of the printing facilities may be requested prior to the contract award.

B.2.2 Facility Considerations - Protection/Safety Measures

Caution shall be exercised by the awarded respondent at all times for the protection of persons and property, and all safety regulations and other provisions of applicable Federal, State and local laws must be observed. Building and construction codes, including the requirements of the Occupational Safety and Health Administration, shall be observed.

PART C PAYMENT TERMS

C.1 Compensation Amount

Proposals shall reflect all costs and any payment discounts on the Pricing Page included in this RFP. (Attachment A)

There shall be no reimbursement for travel and/or travel-related expenses. Any other expense reimbursements shall be supported by detailed paid receipts for charges incurred prior to payments being made by the CGA. Credit card slips or statements are not acceptable. All costs of consumable materials and shipping shall be included in the Pricing provided in response to this RFP. No additional compensation will be made to the awarded respondent for consumable materials and/or shipping.

There is no guarantee that all approximately 91 (ninety-one) representatives will place newsletter orders. No compensation will be made to the awarded respondent if a representative does not place an order. Newsletters may also be cancelled during production at the discretion of the CGA. Respondents shall provide a detailed description of any proposed cancellation fees that may apply as particular milestones, provided by the respondent, are met in the production of the newsletter.

An additional quantity of 1,000 newsletters has been included on the Pricing Page (Attachment A) for legislators who wish to order this smaller quantity of newsletters in place of the larger ranges.

C.1.1 Liquidated Damages

Liquidated damages will be incurred as a result of a Contract breach. By law, the three requisite conditions to establish any liquidated damages are that: (1) the damage from a breach of Contract was uncertain in amount or difficult to provide; (2) there was an intent by the parties to establish liquidating damages in the event of a Contract breach; and (3) the amount stipulated was reasonable. *Hanson Development Co. v. East Great Plains Shopping Center, Inc.*, 485 A.2d 1296, 1300 (Conn. 1985).

The awarded respondent acknowledges that failure to deliver each newsletter within the required time frame would constitute a breach of the awarded respondent's obligation to the House Democratic Office of the CGA and that said office would be harmed by such failure to deliver. If such default occurs in the timeliness of any newsletter delivery, the awarded respondent will forfeit twenty-five percent (25%) of the payment due for that newsletter printing. Should the awarded respondent's late delivery cause the House Democratic Office to miss the July 15, 2020 mailing deadline, the awarded respondent will forfeit one-hundred percent (100%) of the payment due for that newsletter printing. It is understood by both the awarded respondent and the House Democratic Office that this amount has been established due to the difficulty in determining and establishing damages in the event that the awarded respondent does not meet the timelines required by this Contract.

Recovery of Liquidated Damages shall be construed as cumulative and does not prevent the CGA from recovery of any other remedy provided for in the Contract or at law or in equity.

C.2 Invoice Guidelines

C.2.1 Properly Prepared Invoice

A properly prepared invoice shall include:

- (a) The purchase order number;
- (b) Invoice date;
- (c) Invoice number;
- (d) Separate invoice line per newsletter order, including the last name of the legislator for whom an alteration has been made;
- (e) Description of the service provided and the services dates, and

(f) All invoices shall reflect the lines on the signed purchase order. The CGA reserves the right to reject invoices for payment if they are not considered properly prepared as defined above.

C.2.2 Frequency of Billing

Invoices shall be submitted following delivery of the printed newsletters as outlined in this RFP.

C.2.3 Payment Terms

Payments for goods and services shall be made only after the CGA receives and accepts that goods and/or services and after it receives a properly completed invoice. Payment for all accepted goods and/or services shall be due within forty-five (45) days after acceptance of the goods and/or services (in arrears) in accordance with Conn. Gen. Stat. §4a-71.

C.3 Fifteen Dollar Minimum

Pursuant to C.G.S. 2-71p(i), "Each contract for contractual services entered into by the committee on and after July 1, 2015, shall require the contractor awarded such contract, and each subcontractor of such contractor, to pay each of the contractor's or subcontractor's employees providing services under such contract, and that are performed or rendered at the Legislative Office Building or the State Capitol, a wage of at least (1) fifteen dollars per hour, or (2) if applicable, the amount required to be paid under subsection (b) of section 31-57f, whichever is greater. The provisions of this subsection shall not apply to any employee providing services under such contract who receives services from the Department of Developmental Services."

However, to the extent that the CGA has statutes, regulations or procedures which the CGA determines in its sole discretion to be inconsistent with DAS's, the CGA's shall control over those of DAS's. The Solicitation is incorporated into and made a part of the Contract as if it had been fully set forth in it if, but only if, the Solicitation is in the form of an invitation to bid, request for information or request for quotes. A Solicitation in the form of a request for proposals is not incorporated into the Contract in its entirety, but, rather, it is incorporated into the Contract only to the extent specifically stated in in the Contract.

2. Contracting Vehicle. The Solicitation may involve an invitation to bid, request for proposals, request for information or request for quotes, each of which may be governed by different statutory, regulatory and administrative procedures. ALTHOUGH THIS CONTRACT USES THE TERMS "SOLICITATION" AND "BID" IT'S USE OF THOSE TERMS IS INTENDED ONLY FOR PURPOSES OF CONVENIENCE AND SHALL NOT BE DEEMED TO BE A CONTROLLING STATEMENT AS TO THE TYPE OF SOLICITATION USED OR THE RESPECTIVE RIGHTS AND OBLIGATIONS OF THE PARTIES. THE IDENTIFICATION IN THE SOLICITATION OF THE PARTICULAR PROCUREMENT VEHICLE THE STATE IS USING TO SOLICIT GOODS OR SERVICES SHALL CONTROL. Therefore, if the Solicitation identifies the procurement vehicle as something other than an Invitation to Bid, the terms "Solicitation" and "Bid," as used in this Contract shall be read to mean "Request for Proposals," "Proposal" and "Proposer" or to mean such other terms as are consistent with the Solicitation in order to preserve the integrity of the statutory, regulatory and procedural distinctions among the various procurement vehicles and their corresponding principles.

The Contractor shall remove the Rejected Goods and the Contractor Property in accordance with the terms and conditions of the written notice. Failure to remove the Rejected Goods or the Contractor Property in accordance with the terms and conditions of the written notice shall mean, for itself and all Contractor

Parties, that:

- (1) they have voluntarily, intentionally, unconditionally, unequivocally and absolutely abandoned and left unclaimed the Rejected Goods and Contractor Property and relinquished all ownership, title, licenses, rights, possession and interest of, in and to (collectively, "Title") the Rejected Goods and Contractor Property with the specific and express intent of (A) terminating all of their Title to the Rejected Goods and Contractor Property, (B) vesting Title to the Rejected Goods and Contractor Property in the State of Connecticut and (C) not ever reclaiming Title or any future rights of any type in and to the Rejected Goods and Contractor Property;

- (4) if the CGA or State incur any costs or expenses in connection with disposing of the Rejected Goods and Contractor Property, including, but not limited to, advertising, moving or storing the Rejected Goods and Contractor Property, auction and other activities, the CGA shall invoice the Contractor for

CGA TERMS AND CONDITIONS

- (b) The Contractor shall secure from each Contractor Party, as appropriate, such document or instrument as necessary or appropriate as will vest in the Contractor plenary authority to bind the Contractor Parties to the full extent necessary or appropriate to give full effect to all of the terms and conditions of this section. The Contractor shall provide, no later than fifteen (15) days after receiving a request from the CGA, such information as the CGA may require to evidence, in the CGA's sole determination, compliance with this section.
6. Order and Delivery. The Contract shall bind the Contractor to furnish and deliver the Goods or Services in accordance with Exhibit A of the Contract and at the prices set forth in Exhibit B of the Contract. Subject to the sections in this Contract concerning Force Majeure, Termination and Open Market Purchases, the Contract shall bind the CGA to order the Goods or Services from the Contractor, and to pay for the accepted Goods or Services in accordance with Exhibit B of the Contract.
7. Contract Amendments. No amendment to or modification or other alteration of the Contract shall be valid or binding upon the CGA unless made in writing, and signed by both parties.
8. Assignment. The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of the CGA. The CGA may void any purported assignment in violation of this section and declare the Contractor in breach of Contract. Any Termination by the CGA for a breach is without prejudice to the CGA's or the State's rights or possible Claims.
9. Termination.
- (a) Notwithstanding any provisions in this Contract, the CGA, through a duly authorized employee, may Terminate the Contract whenever the CGA makes a written determination that such Termination is in the best interests of the CGA. The CGA shall notify the Contractor in writing of Termination pursuant to this section, which notice shall specify the effective date of Termination and the extent to which the Contractor must complete its Performance under the Contract prior to such date.
- (b) Notwithstanding any provisions in this Contract, the CGA, through a duly authorized employee, may, after making a written determination that the Contractor has breached the Contract, Terminate the Contract in accordance with the provisions in the Breach section of this Contract.
- (c) The CGA shall send the notice of Termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to the CGA for purposes of correspondence, or by hand delivery. Upon receiving the notice from the CGA, the Contractor shall immediately discontinue all services affected in accordance with the notice, undertake all commercially reasonable efforts to mitigate any losses or

CGA TERMS AND CONDITIONS

- damages, and deliver to the CGA all Records. The Records are deemed to be the property of the CGA and the Contractor shall deliver them to the CGA no later than thirty (30) days after the Termination of the Contract or fifteen (15) days after the Contractor receives a written request from the CGA for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.
- (d) Upon receipt of a written notice of Termination from the CGA, the Contractor shall cease operations as the CGA directs in the notice, and take all actions that are necessary or appropriate, or that the CGA may reasonably direct, for the protection, and preservation of the Goods and any other property. Except for any work which the CGA directs the Contractor to Perform in the notice prior to the effective date of Termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.
- (e) The CGA shall, within forty-five (45) days of the effective date of Termination, reimburse the Contractor for its Performance rendered and accepted by the CGA in accordance with Exhibit A of the Contract, in addition to all actual and reasonable costs incurred after Termination in completing those portions of the Performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the CGA is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by the CGA, the Contractor shall assign to the CGA, or any replacement contractor which the CGA designates, all subcontracts, purchase orders and other commitments, deliver to the CGA all Records and other information pertaining to its Performance, and remove from CGA premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its Performance, all as the CGA may request.
- (f) For breach or violation of any of the provisions in the section concerning Representations and Warranties, the CGA may Terminate the Contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.
- (g) Upon Termination of the Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive Termination. All representations, warranties, agreements and rights of the parties under the Contract shall survive such Termination to the extent not otherwise limited in the Contract and without each one of them having to be specifically mentioned in the Contract.
- (h) Termination of the Contract pursuant to this section shall not be deemed to be a breach of contract by the CGA.
10. Cost Modifications. The parties may agree to a reduction in the cost of the Contract at any time during which the Contract is in effect. Without intending to impose a limitation on the nature of the reduction, the reduction may be to hourly, staffing or unit costs, the total cost of the Contract or the reduction may take such other form as the CGA deems to be necessary or appropriate.
11. Breach. If either party breaches the Contract in any respect, the non-breaching party shall provide written notice of such breach to the breaching party and afford the breaching party an opportunity to cure the breach within ten (10) days from the date that the breaching party receives such notice. Any other time provided for in the notice shall trump such ten (10) days. Such right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure but the nature of the breach is such that it cannot be cured within the right to cure period. The notice may include an effective Contract Termination date if the breach is not cured by the stated date and, unless otherwise modified by the

CGA TERMS AND CONDITIONS

non-breaching party in writing prior to the Termination date, no further action shall be required of any party to effect the Termination as of the stated date. If the notice does not set forth an effective Contract Termination date, then the non-breaching party may Terminate the Contract by giving the breaching party no less than twenty four (24) hours' prior written notice. If the CGA believes that the Contractor has not performed according to the Contract, the CGA may withhold payment in whole or in part pending resolution of the Performance issue, provided that the CGA notifies the Contractor in writing prior to the date that the payment would have been due in accordance with Exhibit B of the Contract.

12. Waiver.

- (a) No waiver of any breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity.
- (b) A party's failure to insist on strict performance of any provision of the Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of Performance and shall not be deemed to be a waiver of any subsequent rights, remedies or breach.

13. Open Market Purchases. Failure of the Contractor to Perform within the time specified in the Contract, or failure to replace rejected or substandard Goods or fulfill unperformed Services when so requested and as the Contract provides or allows, constitutes a breach of the Contract and as a remedy for such breach, such failure shall constitute authority for the CGA, if it deems it to be necessary or appropriate in its sole discretion, to Terminate the Contract and/or to purchase on the open market, Goods or Services to replace those which have been rejected, not delivered, or not Performed. The CGA

shall invoice the Contractor for all such purchases to the extent that they exceed the costs and expenses in Exhibit B of the Contract and the Contractor shall pay the CGA's invoice immediately after receiving the invoice. If the CGA does not Terminate the Contract, the CGA will deduct such open market purchases from the Contract quantities. However, if the CGA deems it to be in the best interest of the CGA, the CGA may accept and use the Goods and/or Services delivered which are substandard in quality, subject to an adjustment in price to be determined by the CGA.

14. Purchase Orders.

- (a) The Contract itself is not an authorization for the Contractor to ship Goods or begin Performance in any way. The Contractor may begin Performance only after it has received a duly issued purchase order against the Contract for Performance.
- (b) The CGA shall issue a purchase order against the Contract directly to the Contractor and to no other party.
- (c) All purchase orders shall be in written or electronic form, bear the Contract number (if any), be signed and comply with all other State and CGA requirements, particularly the CGA's requirements concerning procurement. Purchase orders issued in compliance with these requirements shall be deemed to be duly issued.
- (d) A Contractor making delivery without a duly issued purchase order in accordance with this section does so at the Contractor's own risk.
- (e) The CGA may, in its sole discretion, deliver to the Contractor any or all duly issued purchase orders via electronic means only, such that the CGA shall not have any additional obligation to deliver to the Contractor a "hard copy" of the purchase order.

15. Indemnification.

- (a) The Contractor shall indemnify, defend and hold harmless the CGA and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all (1) Claims arising, directly or indirectly, in connection with the Contract, including the acts of commission

CGA TERMS AND CONDITIONS

or omission (collectively, the "Acts") of the Contractor or Contractor Parties; and (2) liabilities, damages, losses, costs and expenses, including but not limited to, attorneys' and other professionals' fees, arising, directly or indirectly, in connection with Claims, Acts or the Contract. The Contractor shall use counsel reasonably acceptable to the CGA in carrying out its obligations under this section. The Contractor's obligations under this section to indemnify, defend and hold harmless against Claims includes Claims concerning confidentiality of any part of or all of the Contractor's bid, proposal or any Records, any intellectual property rights, other proprietary rights of any person or entity, copyrighted or uncopyrighted compositions, secret processes, patented or unpatented inventions, articles or appliances furnished or used in the Performance.

- (b) The Contractor shall not be responsible for indemnifying or holding the CGA harmless from any liability arising due to the negligence of the CGA or any other person or entity acting under the direct control or supervision of the CGA.
- (c) The Contractor shall reimburse the CGA for any and all damages to the real or personal property of the CGA caused by the Acts of the Contractor or any Contractor Parties. The CGA shall give the Contractor reasonable notice of any such Claims.
- (d) The Contractor's duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Contract, without being lessened or compromised in any way, even where the Contractor is alleged or is found to have merely contributed in part to the Acts giving rise to the Claims and/or where the CGA is alleged or is found to have contributed to the Acts giving rise to the Claims.
- (e) The Contractor shall carry and maintain at all times during the term of the Contract, and during the time that any provisions survive the term of the Contract, sufficient general liability insurance to satisfy its obligations under this Contract. The

Contractor shall cause the CGA to be named as an additional insured on the policy and shall provide (1) a certificate of insurance, (2) the declaration page and (3) the additional insured endorsement to the policy to the CGA prior to the Effective Date of the Contract evidencing that the CGA is an additional insured. The Contractor shall not begin Performance until the delivery of these three documents to the CGA. The CGA shall be entitled to recover under the insurance policy even if a body of competent jurisdiction determines that the CGA or the CGA is contributorily negligent.

- (f) This section shall survive the Termination of the Contract and shall not be limited by reason of any insurance coverage.

16. Forum and Choice of Law.

The parties deem the Contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the Contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

17. Contractor Guaranties. Contractor shall:

- (a) Perform fully under the Contract;

CGA TERMS AND CONDITIONS

- (b) Guarantee the Goods or Services against defective material or workmanship and to repair any damage or marring occasioned in transit or, at the CGA's option, replace them;

 - (f) Neither disclaim, exclude nor modify the implied warranties of fitness for a particular purpose or of merchantability.
18. Implied Warranties. The CGA does not disclaim, exclude or modify the implied warranty of fitness for a particular purpose or the warranty of merchantability.
19. Goods, Standards and Appurtenances. Any Goods delivered must be standard new Goods, latest model, except as otherwise specifically stated in the Contract. Remanufactured, refurbished or reconditioned equipment may be accepted but only to the extent allowed under the Contract. Where the Contract does not specifically list or describe any parts or nominal appurtenances of equipment for the Goods, it shall be understood that the Contractor shall deliver such equipment and appurtenances as are usually provided with the manufacturer's stock model.
20. Delivery.
- (a) Delivery shall be made as ordered and in accordance with the Contract. Unless otherwise specified in the Contract, delivery shall be to a loading dock or receiving platform. The Contractor or Contractor's shipping designee shall be responsible for removal of Goods from the carrier and placement on the CGA loading dock or receiving platform. 21. Goods Inspection. The CGA shall determine the manner and prescribe the inspection of all Goods and the tests of all samples submitted to determine whether they comply with all of the specifications in the Contract. If any Goods fail in any way to meet the specifications in the Contract, the CGA may, in its sole discretion, either reject it and owe nothing or accept it and pay for it on an adjusted price basis, depending on the degree to which the Goods meet the specifications. Any decision pertaining to any such failure or rejection shall be final and binding.
22. Emergency Standby for Goods and/or Services. If any Federal or State official, having authority to do so, declares an emergency or the occurrence of a natural disaster within the State of Connecticut, the CGA may request the Goods and Services on an expedited and prioritized basis. Upon receipt of such a request the Contractor shall make all necessary and appropriate commercially reasonable efforts to reallocate its staffing and other resources in order to give primary preference to Performing this Contract ahead of or prior to fulfilling, in whole or in part, any other contractual obligations that the Contractor may have. The Contractor is not obligated

CGA TERMS AND CONDITIONS

to make those efforts to Perform on an expedited and prioritized basis in accordance with this paragraph if doing so will make the Contractor materially breach any other contractual obligations that the Contractor may have. Contractor shall acknowledge receipt of any request made pursuant to this paragraph within 2 hours from the time that the Contractor receives it via purchase order or through a request to make an expedited or prioritized purchase through the State of Connecticut Purchasing Card (MasterCard) Program (the "P-Card Program"). If the Contractor fails to acknowledge receipt within 2 hours, confirm its obligation to Perform or actually Perform, as set forth in the purchase order or through the P-Card Program, then the CGA may procure the Performance from another source without further notice to Contractor and without creating any right of recourse at law or in equity against the CGA.

The CGA's right of setoff shall not be deemed to be the CGA's exclusive remedy for the Contractor's or Contractor Parties' breach of the Contract, all of which shall survive any setoffs by the CGA.

24. Force Majeure. The CGA and the Contractor shall not be excused from their obligation to Perform in accordance with the Contract except in the case of Force Majeure events and as otherwise provided for in the Contract. In the case of any such exception, the nonperforming party shall give immediate written notice to the other,

To the extent that any Contractor Party is to participate or Perform in any way, directly or indirectly in connection with the Contract, any reference in the Contract to "Contractor" shall also be deemed to include "Contractor Parties," as if such reference had originally specifically included "Contractor Parties" since it is the parties' intent for the terms "Contractor Parties" to be vested with the same

respective rights and obligations as the term "Contractor."

40. Contractor Changes. The Contractor shall notify the CGA in writing no later than ten (10) Days from the effective date of any change in:

- (a) its certificate of incorporation or other organizational document;
- (b) more than a controlling interest in the ownership of the Contractor; or
- (c) the individual(s) in charge of the Performance.

This change shall not relieve the Contractor of any responsibility for the accuracy and completeness of the Performance. The CGA, after receiving written notice by the Contractor of any such change, may require such agreements, releases and other instruments evidencing, to the CGA's satisfaction, that any individuals retiring or otherwise separating from the Contractor have been compensated in full or that provision has been made for compensation in full, for all work performed under terms of the Contract. The Contractor shall deliver such documents to the CGA in accordance with the terms of the CGA's written request. The CGA may also require, and the Contractor shall deliver, a financial statement showing that solvency of the Contractor is maintained. - (d) All audits and inspections shall be at the CGA/State's expense.
- (e) The Contractor shall keep and preserve or cause to be kept and preserved all of its and Contractor Parties' Records until three (3) years after the latter of (i) final payment under this Contract, or (ii) the expiration or earlier termination of this Contract, as the same may be modified for any reason. (g) The Contractor shall incorporate this entire Section verbatim into any contract or other agreement that it enters into with any Contractor Party.

43. Background Checks. The CGA may require that the Contractor and Contractor Parties undergo criminal background checks as provided for in the CGA procedures for background checks. The Contractor and Contractor Parties shall cooperate fully as necessary or reasonably requested with the CGA and its agents in connection with such background checks.

44. Continued Performance. The Contractor and Contractor Parties shall continue to Perform their obligations under the Contract while any dispute concerning the Contract is being resolved.

45. Working and Labor Synergies. The Contractor shall quickly resolve all labor disputes which result from the Contractor's or Contractor Parties' presence at the work site, or other action under their control. Labor disputes shall not be deemed to be sufficient cause to allow the Contractor to make any claim for additional compensation for cost, expenses or any other loss or damage, nor shall those disputes be deemed to be sufficient reason to relieve the Contractor from any of its obligations under the Contract.

46. Contractor Responsibility.

(a) The Contractor shall be responsible for the entire Performance under the Contract regardless of whether the Contractor itself

CGA TERMS AND CONDITIONS

performs. The Contractor shall be the sole point of contact concerning the management of the Contract, including Performance and payment issues. The Contractor is solely and completely responsible for adherence by the Contractor Parties to all applicable provisions of the Contract.

- (b) The Contractor shall exercise all reasonable care to avoid damage to the CGA property or to property being made ready for the CGA's use, and to all property adjacent to any work site. The Contractor shall promptly report any damage, regardless of cause, to the CGA.

47. Severability. If any term or provision of the Contract or its application to any person, entity or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder of the Contract or the application of such term or provision shall not be affected as to persons, entities or circumstances other than those as to whom or to which it is held to be invalid or unenforceable. Each remaining term and provision of the Contract shall be valid and enforced to the fullest extent possible by law.

48. Confidential Information. The CGA will afford due regard to the Contractor's request for the protection of proprietary or confidential information which the CGA receives. However, all materials associated with the Solicitation and the Contract are subject to the terms of the Connecticut Freedom of Information Act ("FOIA") and all corresponding rules, regulations and interpretations. In making such a request, the Contractor may not merely state generally that the materials are proprietary or confidential in nature and not, therefore, subject to release to third parties. Those particular sentences, paragraphs, pages or sections that the Contractor believes are exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with the FOIA must accompany the request. The rationale and explanation must be stated in terms of the prospective

harm to the competitive position of the Contractor that would result if the identified material were to be released and the reasons why the materials are legally exempt from release pursuant to the FOIA. To the extent that any other provision or part of the Contract, especially including the Bid, the Records and the specifications, conflicts or is in any way inconsistent with this section, this section controls and shall apply and the conflicting provision or part shall not be given effect. If the Contractor indicates that certain documentation is submitted in confidence, by specifically and clearly marking said documentation as "CONFIDENTIAL," the CGA will endeavor to keep said information confidential to the extent permitted by law. The CGA, however, has no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The Contractor shall have the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the CGA or the State have any liability for the disclosure of any documents or information in its possession which the CGA believes are required to be disclosed pursuant to the FOIA or other requirements of law.

49. References to Statutes, Public Acts, Regulations, Codes and Executive Orders.

All references in this Contract to any statute, public act, regulation, code or executive order shall mean such statute, public act, regulation, code or executive order, respectively, as it has been amended, replaced or superseded at any time. Notwithstanding any language in this Contract that relates to such statute, public act, regulation, code or executive order, and notwithstanding a lack of a formal amendment to this Contract, this Contract shall always be read and interpreted as if it contained the most current and applicable wording and requirements of such statute, public act, regulation, code or executive order as if their most current language had been used in and requirements incorporated into this Contract at the time of its execution.

CGA TERMS AND CONDITIONS

- (a) If the Contractor or Contractor Parties breach, default or in any way fail to Perform satisfactorily under the Contract, then the CGA may, in its sole discretion, without more and without any action whatsoever required of the CGA, treat any such event as a breach, default or failure to perform under any or all other agreements or arrangements (“Other Agreements”) that the Contractor or Contractor Parties have with the CGA. Accordingly, the CGA may then exercise at its sole option any and all of its rights or remedies provided for in the Contract or Other Agreements, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of the CGA, as if the Contractor or Contractor Parties had suffered a breach, default or failure to perform under the Other Agreements.
- (b) If the Contractor or Contractor Parties breach, default or in any way fail to Perform satisfactorily under any or all Other Agreements with the CGA or the State, then the CGA may, in its sole discretion, without more and without any action whatsoever required of the CGA, treat any such event as a breach, default or failure to Perform under the Contract. Accordingly, the CGA may then exercise at its sole option any and all of its rights or remedies provided for in the Other Agreements or the Contract, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of the CGA or the State, as if the Contractor or Contractor Parties had suffered a breach, default or failure to Perform under the Contract.

the public CGA pursuant to FOIA. No request to inspect or copy such records or files shall be valid unless the request is made to the public CGA in accordance with FOIA. Any complaint by a person who is denied the right to inspect or copy such records or files shall be brought to the Freedom of Information Commission in accordance with the provisions of sections 1-205 and 1-206 of the Connecticut General Statutes.

52. Summary of State Ethics Laws. Pursuant to the requirements of section 1-101qq of the Connecticut General Statutes, the summary of State ethics laws developed by the State Ethics Commission pursuant to section 1-81b of the Connecticut General Statutes is incorporated by reference into and made a part of the Contract as if the summary had been fully set forth in the Contract.
53. Sovereign Immunity. The parties acknowledge and agree that nothing in the Solicitation or the Contract shall be construed as a modification, compromise or waiver by the CGA or the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Contract. To the extent that this section conflicts with any other section, this section shall govern.
54. Time of the Essence. Time is of the essence with respect to all provisions of this Contract that specify a time for performance; provided, however, that this provision shall not be construed to limit or deprive a party of the benefits of any grace or use period allowed in this Contract.
55. Certification as Small Contractor or Minority Business Enterprise. The Contractor shall be in breach of this Contract if the Contractor is certified as a “small contractor” or a “minority business enterprise” under Conn. Gen. Dear Neighbors,

The 2019 legislative session that ended on June 6 was remarkably productive.

As Vice Chair of the Appropriations Committee, I am proud that we passed a two-year budget – on time! This was a major accomplishment, and while it is a complicated document at over 500 pages, it addresses our fiscal challenges and places us on a stable path. Some top executives and business organizations see the budget as being critical to Connecticut’s long-term fiscal health.

The session was productive elsewhere, too. As a member of the Environment and Judiciary Committees, I had the privilege of introducing, co-sponsoring, advocating for, and supporting a variety of important legislation. Some of these measures are highlighted in this newsletter. I hope you find this information useful.

PROTECTING OUR ENVIRONMENT & FAMILY FARMS

A clean, healthy, environment is critical to the Northwest Corner, as both an economic asset and a moral trust. In the Environment Committee I worked on a number of bills we passed this term that will protect and preserve our environment, including:

- Banning single-use plastic bags in 2021 (which will reduce municipal recycling costs),
- Banning fracking waste, ensuring pollutants generated by fracking do not enter our state,
- Extending renewable energy programs, including traditional net metering and the Green Bank renewable solar investment program,
- Expanding the virtual net metering cap (also reducing municipal energy costs),
- Creating a Green Jobs Career Ladder,
- Developing energy capacity from offshore wind,
- Creating rebate incentives for the purchase of electric vehicles to help reduce polluting emissions,
- Ensuring that towns downwind of the Cricket Valley Energy Center in NY will get support from the Department of Energy and Environmental Protection for air quality monitoring.

We were also able to protect funds from both Passport to Parks and the Community Investment Act (supporting agriculture, open space, affordable housing, and historic preservation) from being diverted to other purposes, and provided an additional \$1.5 million each year in funding to help sustain dairy farmers.

HEALTHCARE

Approximately half of CT residents have experienced a problem affording health care in the past year, and 43% have either delayed or did not get care due to the rising costs of prescription drugs, increased deductibles, and insurance premiums. We made some progress this year, including:

- **Mental Health & Addiction:** Passed legislation to ensure health insurance companies give people with mental health and substance use disorders the same access to care as those with cancer and heart disease, and expanded workers compensation protection for firefighters and police officers suffering from PTSD.
- **Pre-Existing Conditions:** Passed legislation to require more health insurance plans to cover pre-existing conditions, ensuring that regardless of what happens at the federal level, people in CT with pre-existing conditions will be protected.
- **Expanded Access to Husky A:** Restored coverage to about 3,500 people who had lost their healthcare coverage.
- **Tobacco/Teen Vaping:** Increased the purchasing age for all tobacco and vaping products from 18 to 21, protecting our young people from this fast-growing health crisis.
- **Mammogram Coverage:** Required health insurance coverage for baseline mammograms for women 40 years or older with a personal history of breast disease, and prohibited insurance policies from charging co-insurance, co-payments deductibles and other out-of-pocket expenses for breast ultrasounds and mammograms.

GUN SAFETY

We passed three gun safety bills, with bipartisan support, including: Ethan's Law (requiring that a gun be properly stored so that individuals under the age of 18 cannot access the firearm); legislation requiring guns in unattended motor vehicles be secured (in, e.g., locked glove boxes or safes); and a ban on "ghost guns" (untraceable weapons made from parts purchased online or made on a 3D printer).

EARLY VOTING

Early voting is an effective way to increase voter participation, and we took the first step toward allowing it by passing a resolution to amend the state constitution. This would allow for in-person voting leading up to Election Day for any state or municipal election or referendum. This resolution passed by a majority of both the House and Senate, and if approved again in the 2021 legislative session it will appear as a question for voters to decide on the 2022 general election ballot.

VETERANS

We passed legislation expanding access to in-state tuition for veterans' families, increased a property tax exemption for veterans with disabilities; and created a "Military to Machinists" workforce development program. We made it easier for veterans to access health and other benefits, by giving them a contact person to help cut through the bureaucracy and helping local communities connect with veterans. And we increased training for EMS responders treating veterans' health conditions, including PTSD, Alzheimer's disease and dementia.

PROTECTING SENIORS

We protected the Medicare Savings Program for low-income seniors (rejecting an asset test), increased protection of Social Security income from taxation, phased out the pension and annuity tax, expanded funding for Meals on Wheels, and provided a rate increase to nursing homes (thereby avoiding a costly strike). We modified continuing education requirements for physicians to include diagnosing and treating cognitive conditions, including Alzheimer's disease, dementia, delirium related cognitive impairments, and geriatric depression. We made progress on ensuring adequate staffing levels in nursing homes by requiring nursing homes to calculate and post daily information related to the number of nurses and nurse's aides who provide direct care to residents during their shift, and protect residents and employees of nursing homes from retaliation who file a complaint or testify in an administrative proceeding against a home.

ONGOING ISSUES

There were a few pieces of legislation that didn't make it over the finish line this year, and I look forward to continuing to push for them in the future. One of those relates to "municipal gain," which is one pathway for municipalities to increase equitable access to the internet. The lack, or poor quality, of internet connectivity in our region is a significant concern for businesses, students, and young families relocating here. I worked on a bill that would address that, and got it through two committees (neither of which I sit on), but it did not get a vote in the Senate. I look forward to continuing to push for results on this issue which is of critical importance for our regional economy.
